About ZTEST Electronics Inc.

ZTEST Electronics Inc., through its wholly owned subsidiary Permatest Electronics Corporation (“Permatest”), offers Electronic Manufacturing Services (EMS) to a wide range of customers. Permatest’s offering includes Printed Circuit Board (PCB) Assembly, Materials Management and Testing services. Permatest operates from a 21,000 square foot, ISO 9001:2015 certified facility in North York, Ontario, Canada. Permatest is a contract manufacturer of complex circuit boards, serving customers in the Medical, Power, Computer, Telecommunications, Wireless, Industrial, Trucking, Wearables and Consumer Electronics markets. It specializes in servicing

customers who are looking for high yield and require high quality and rapid-turnaround on low and mid-volume production of high complexity products.
