March 26, 2025 – Vancouver, British Columbia – Yukon Metals Corp. (CSE: YMC, FSE: E770, OTC: YMMCF) (“**Yukon Metals**” or the “**Company**”) is pleased to announce that it has entered into an agreement with Cormark Securities Inc. and Canaccord Genuity Corp. (the “**Co-Agents**”) to act as co-agents in connection with a “best efforts” private placement for aggregate gross proceeds of up to approximately C\$5 million (the “**Offering**”).

The Offering will consist of the issuance and sale of up to 9,090,909 units of the Company (the “**Units**”) at a price of C\$0.55 per Unit (the “**Issue Price**”). Each Unit will consist of one common share of the Company (each, a “**Unit Share**”) and one-half of one common share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant shall entitle the holder thereof to purchase one common share of the Company (each, a “**Warrant Share**”) at a price of C\$0.80 at any time before 5:00 p.m. (Toronto time) on the date that is 36 months following the Closing Date (as defined below).

The Company has granted the Co-Agents an option, exercisable in whole or in part, at any time prior to 48 hours before the Closing Date, to increase the size of the Offering to raise additional gross proceeds of up to C\$3,000,000.

Subject to compliance with applicable regulatory requirements and in accordance with National Instrument 45-106 – *Prospectus Exemptions* (“**NI 45-106**”), the Units will be offered for sale to purchasers resident in Canada, except Québec, or other qualifying jurisdictions pursuant to one or more of the following exemptions from the prospectus requirement under National Instrument 45-106 – *Prospectus Exemptions* (“**NI 45-106**”): (i) the listed issuer financing exemption under Part 5A of NI 45-106 (the “**Listed Issuer Financing Exemption**”); and (ii) other available exemptions under NI 45-106. To the extent that any Units exceed the maximum value of securities permitted to be sold pursuant to the Listed Issuer Financing Exemption, such Units shall be offered and sold by way of a concurrent private placement in reliance on other available exemptions from the prospectus requirements under applicable securities laws. The Co-Agents will also be entitled to offer the Units for sale in the United States pursuant to available exemptions from the registration requirements of the *United States Securities Act of 1933*, as amended, and in certain other jurisdictions outside of Canada and the United States

provided it is understood that no prospectus filing or comparable obligation, ongoing reporting requirement or requisite regulatory or governmental approval arises in such other jurisdictions.

The securities described herein have not been and will not be registered under the United States Securities Act of 1933, as amended, or any U.S. state securities laws, and may not be offered or sold in the United States absent registration or available exemptions from such registration requirements. This press release does not constitute an offer to acquire securities in any jurisdiction.

There is an offering document with respect to the portion of the Offering being conducted pursuant to the Listed Issuer Financing Exemption that can be accessed under the Company's profile at www.sedarplus.ca and the Company's website at <https://yukonmetals.com/>. Purchasers of Units issued under the Listed Issuer Financing Exemption will have the benefit of the offering document and the rights provided under the Listed Issuer Financing Exemption. Prospective investors of Units issued under the Listed Issuer Financing Exemption should read this offering document before making an investment decision.

The Company intends to use the net proceeds from the Offering for working capital and general corporate purposes.

The Offering is expected to close on or about April 9, 2025, or on such other date as may be agreed to by the Company and the Co-Agents, subject to compliance with applicable securities laws (the "Closing Date"). Notwithstanding the foregoing, the closing of any Units issued pursuant to the Listed Issuer Financing Exemption must occur no later than the 45th day following the date of this news release.

The completion of the Offering is subject to customary conditions, including, but not limited to, the negotiation of an agency agreement between the parties with respect to the Offering and the receipt of all necessary approvals, inclusive of (if applicable) the approval of the Canadian Securities Exchange.
