MANAGEMENT INFORMATION CIRCULAR

as of January 13, 2014 unless otherwise indicated

PERSONS MAKING THE SOLICITATION

This management information circular (“Information Circular”) is furnished in connection with the solicitation by the management of Aquarius Coatings Inc. (the “Corporation”) of proxies to be used at the annual general and special meeting (the “Meeting”) of holders of common shares of the Corporation, to be held on February 17, 2014, at 10:00 a.m. (Halifax time) at 380 Bedford Highway, Halifax, Nova Scotia, B3M 2L4 or at any adjournment(s) thereof for the purposes set out in the accompanying notice of meeting (the “Notice of Meeting”).

The costs incurred in the preparation and mailing of both the form of proxy and this Information Circular will be borne by the Corporation. In accordance with National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer*, arrangements have been made with brokerage houses and other intermediaries, clearing agencies, custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the common shares held of record by such persons and the Corporation may reimburse such persons for reasonable fees and disbursements incurred by them in doing so. The costs thereof will be borne by the Corporation. The record date to determine the registered shareholders entitled to receive the notice of Meeting is December 31, 2013 (the “Record Date”).

APPOINTMENT OF PROXYHOLDERS, VOTING AND REVOCATION OF PROXIES

Appointment

The person named in the accompanying instrument of proxy (the “Management Designee”) has been selected by the directors of the Corporation and has indicated his willingness to represent as proxy the shareholder who appoints him. **Each shareholder has the right to appoint a person or company (who need not be a shareholder) other than the Management Designee to attend and to vote and act for and on behalf of such person at the Meeting.** In order to do so the shareholder may insert the name of such person in the blank space provided in the instrument of proxy, or may use another appropriate form of proxy. Shareholders are invited to attend the Meeting. Registered shareholders who are unable to attend the Meeting in person are requested to complete, date and sign the enclosed form of proxy and send it to the registrar and transfer agent of the Corporation, Equity Financial Trust Company (“Equity”), Attn: Proxy Dept., 200 University Avenue, Suite 300, Toronto, Ontario, M5H 4H1, or by fax to 416-595-9593, or cast their vote online at www.voteproxyonline.com, by 10:00 a.m. (Halifax time) on Thursday, February 13, 2014, or if the Meeting is adjourned, no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in Ontario) prior to the time at which the Meeting is reconvened. Non-registered shareholders who receive these materials through their broker or other intermediary should complete and send the form of proxy in accordance with the instructions provided by their broker or intermediary. The Chairman of the Meeting may refuse to recognize any instrument of proxy received after such time.

Voting

Common shares represented by any properly executed proxy in the accompanying form will be voted or withheld from voting on any ballot that may be called for in accordance with the instructions given by the shareholder. **In the absence of such direction, the common shares will be voted in favour of the matters set forth herein.**

The accompanying instrument of proxy confers discretionary authority on the Management Designee with respect to amendments or variations to matters identified in the accompanying Notice of Meeting or other matters that may properly come before the Meeting or any adjournment(s) thereof. As of the date hereof, management of the Corporation is not aware of any such amendments, variations or other matters which may come before the Meeting. In the event that amendments or variations to matters identified in the accompanying Notice of Meeting or any other matters which are not now known to management should properly come before the Meeting or any adjournment(s) thereof, then the Management Designee intends to vote in accordance with the judgment of management of the Corporation.

Revocation

In addition to revocation in any other manner permitted by law, a shareholder may revoke a proxy by an instrument in writing executed by the shareholder or by the shareholder's attorney authorized in writing or by transmitting, by telephonic or electronic means, a revocation signed by electronic signature by the shareholder or by the shareholder's attorney, who is authorized in writing, to or at Equity's office at any time up to and including the second last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) thereof.

ADVICE TO BENEFICIAL HOLDERS

Shareholders who hold their common shares through their brokers, intermediaries, trustees or other persons, or who otherwise do not hold their common shares in their own name (referred to herein as "**Beneficial Shareholders**") should note that only proxies deposited by shareholders who appear on the records maintained by the Corporation's registrar and transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those common shares will, in all likelihood, *not* be registered in the shareholder's name. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). Common shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted or withheld at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker's clients. Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his broker (or the agent of the broker) is substantially similar to the proxy provided directly to registered shareholders by the Corporation. However, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. A Beneficial Shareholder who receives Broadridge voting instruction form cannot use that form to vote common shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

All references to shareholders in this Information Circular and the accompanying form of proxy and the accompanying Notice of Meeting are to registered shareholders unless specifically stated otherwise.

REGISTERED SHAREHOLDERS

Registered holders of common shares as shown on the shareholders' list prepared as of the Record Date will be entitled to vote such shares at the Meeting on the basis of one vote for each common share held, except to the extent that the person has transferred the ownership of any of his or her common shares after the Record Date, and the transferee of those shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the common shares, and demands, not later than ten days before the Meeting, or such shorter period before the Meeting that the by-laws of the Corporation may provide, that his or her name be included in the list before the Meeting, in which case the transferee will be entitled to vote his or her common shares at the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed elsewhere in this Information Circular, none of the directors or senior officers of the Corporation, no proposed nominee for election as a director of the Corporation, none of the persons who have been directors or senior officers of the Corporation since the commencement of the Corporation's last completed financial year and no associate or affiliate of any of the foregoing persons has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Corporation consists of an unlimited number of common shares ("Common Shares") and unlimited number of preference shares, issuable in series. At the date hereof, the Corporation had issued and outstanding 107,948,144 Common Shares and no preference shares.

The Corporation will make a list of all persons who are registered holders of Common Shares on December 31, 2013 (the "Record Date") and the number of Common Shares registered in the name of each person on the date. Each shareholder is entitled to one vote for each Common Share registered in his name as it appears on the list, except to the extent that such shareholder has transferred any of his shares after the Record Date and the transferee of those shares produces properly enclosed share certificates or otherwise establishes that he owns the shares and demands, not later than ten days before the meeting, that his name be included in the list. In such case the transferee will be entitled to vote his shares at the meeting.

To the knowledge of the directors and officers of the Corporation, the following is the only person that as of the date hereof, beneficially owned or exercised control or direction, directly or indirectly, over securities carrying 10% or more of the voting rights attached to any class of outstanding voting securities of the Corporation entitled to be voted at the meeting.

PRESENTATION OF FINANCIAL STATEMENTS

The comparative financial statements of the Corporation for the financial year ended March 31, 2013, together with the auditor's report thereon, will be presented to the shareholders at the Meeting, but no vote by the shareholders with respect thereto is proposed to be taken. Receipt at the Meeting of the auditor's report and the Corporation's financial statements for its most recently completed financial year will not constitute approval or disapproval of any matters referred to therein. The audited financial statements of the Corporation for the financial year ended March 31, 2013, together with the auditor's report thereon, have been filed and are available on SEDAR at www.sedar.com.

COMPENSATION OF DIRECTORS AND EXECUTIVE OFFICERS

Compensation of Directors

The board of directors as a whole makes the determination as to the appropriate level of remuneration for the directors and officers of the Corporation. Remuneration is assessed and determined by taking into account such factors as the size of the Corporation and the level of compensation earned by directors and officers of companies of comparable size and industry.

Each of the Corporation's independent directors has not received any compensation for their services.

Executive officers of the Corporation who also act as directors of the Corporation do not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation to such executive officers in their capacity as executive officers. See "Compensation of Executive Officers".

The Corporation does not have a stock option plan for the granting of incentive stock options to the officers, employees and directors of the Corporation.

Compensation of Executive Officers

Securities legislation requires the disclosure of compensation received by each "Named Executive Officer" of the Corporation for the three most recently completed financial years. "Named Executive Officer" is defined by the legislation to mean (i) each of the Chief Executive Officer and the Chief Financial Officer of the Corporation, despite the amount of compensation of that individual, (ii) each of the Corporation's three most highly compensated executive officers, other than the Chief Executive Officer and the Chief Financial Officer, who were serving as executive officers at the end of the most recently completed financial year and whose total salary and bonus exceeds \$150,000, and (iii) any additional individual for whom disclosure would have been provided under (ii) but for the fact that the individual was not serving as an executive officer of the Corporation at the end of the most recently completed financial year end of the Corporation.

"Executive Officer" is defined by the legislation to mean (i) the chair of the Corporation, (ii) a vice-chair of the Corporation, (iii) the President of the Corporation, (iv) a vice-president of the Corporation in charge of a principal business unit, division or function such as sales, finance or production, or (v) an officer of the Corporation or any of its subsidiaries or any other person who performed a policy-making function in respect of the Corporation.

The board of directors of the Corporation as a whole determines the level of compensation in respect of the senior executives of the Corporation and its subsidiaries. There were no long-term incentive awards made to the Named Executive Officers of the Corporation during the most recently completed financial year. There are no pension plan benefits in place for the named executives and none of the Named Executive Officers, senior officers or directors of the Corporation or its subsidiaries is indebted to the Corporation.

During the Corporation's two most recently completed financial years, the Corporation had two Named Executive Officers: David J. Hennigar, Acting Chief Executive Officer and Lorne S. MacFarlane, Chief Financial Officer. The aggregate cash compensation (including salaries, fees, directors fees, commissions, bonuses paid for services rendered during the two most recently completed financial years, bonuses paid for services rendered in the previous year, and any compensation other than bonuses earned during the two most recently completed financial years, the payment of which was deferred) paid to the Named Executive Officers (or corporations controlled by Named Executive Officers), in the capacity of Named Executive Officers, for the two most recently completed financial years, was \$ nil.

Summary Compensation Table

The following table sets forth all annual and long term compensation for services in all capacities to the Corporation and its subsidiaries for the most recently completed financial year in respect of each Named Executive Officer as at March 31, 2013. Other than as disclosed below, no other executive officer received in excess of \$150,000 in total salary and bonus during the year ended March 31, 2013

STATEMENT OF CORPORATE GOVERNANCE

On June 30, 2005, the Canadian Securities Administrators enacted National Policy 58-201 Corporate Governance Guidelines (the “Policy”) and National Instrument 58-101 Disclosure of Corporate Governance Practices (“NI 58-101”). The Policy provides guidelines on corporate governance practices while NI 58-101 requires Canadian venture issuers to disclose their corporate governance practices in accordance with the disclosure items set out in Form 58-101F2.

The Corporation’s practices comply generally with the guidelines, however, the current directors of the Corporation consider that some of the guidelines are not suitable for the Corporation at its current state of development and therefore the Corporation’s governance practices do not reflect these particular guidelines. Given that the Corporation is a relatively small venture issuer in terms of both activities and market capitalization, the directors of the Corporation believe that the current governance structure is cost-effective and appropriate for the needs of the Corporation’s shareholders. The Corporation’s disclosure with respect to its corporate governance practices is attached to this Information Circular as Schedule “A”.

As at December 31, 2013, Forest Lane Holdings Limited (“FLH”) owns, directly and indirectly, 45,882,355 common shares (42.5%) of the Corporation's outstanding common shares. The proposed issuance of 72,000,000 common shares will increase FLH's ownership to 117,882,355 shares (65.51%) of the then outstanding shares.

Shareholder Approval of Debt Conversion to Common Shares

At the Meeting, or any adjournment thereof, shareholders will be asked to consider and, if thought fit, pass, with or without variation, the settlement of debt as set forth approving the issuance of AQC common shares. The approval of the debt settlement special resolution will require the affirmative vote of not less than two thirds of the votes cast by shareholders at the Meeting, either in person or by proxy. The proposed settlement of debt transaction will be subject to all required regulatory approvals.

Form of Debt to Common Share Conversion Resolution

“**BE IT RESOLVED**, as a special resolution, that:

1. up to 72,000,000 common shares in the capital stock of AQC be issued to a debt holder of AQC at a deemed value of \$0.05 per share in full and final settlement of advances made by a shareholder to AQC in the amount of up to \$3,600,000; and
2. any one director or officer of AQC be and is hereby authorized to execute and deliver and file all such notices, documents and instruments, and do such other acts, as he in his discretion may deem necessary to give full effect to this special resolution; and
3. the Board of AQC is hereby authorized to amend the terms of this special resolution with respect to the deemed value of the common shares issued to give effect to the any adjustment to the exchange ratio which they will determine and in compliance with any applicable direction or notice by regulatory authorities.”

COMMON SHARE CONSOLIDATION

The Board has determined it would be in the best interest of the Corporation and its shareholders to consolidate all of the issued and outstanding common shares of the Corporation on the basis of one (1) new common share for twenty (20) existing common shares. As of the record date, the authorized share capital of AQC consists of an unlimited number of common shares of which 107,948,144 were issued and outstanding as of the Record Date. If the issuance of 72,000,000 common shares in settlement of shareholder loans is approved the number of issued and outstanding common shares will increase to 179,948,144. If the consolidation is then approved and implemented, the number of issued and outstanding common shares will decrease to 8,997,407 common shares.

Purpose and Benefit of Consolidation

The Board believes that the Consolidation is necessary and, as such, the consolidation should lead to increased interest by a wider audience of potential investors resulting in a more broad market for the common shares. There can be no assurances, however, that the market price of the common shares will increase as a result of the consolidation.

The consolidation will not materially affect any shareholder's percentage ownership of AQC, even though such ownership will be represented by a smaller number of shares. No fractional common shares will be issued as a result of the consolidation. If, as a result of the consolidation, the holder of common shares would otherwise be entitled to a fraction of a common share, the number of post-consolidation common shares issuable to such shareholder will be rounded to the nearest whole share.

Share Certificates

Following the effective date of the consolidation and, as soon as practicable, letters of transmittal will be sent by mail to all shareholders as of the date hereof for use in transmitting their share certificates to AQC's registrar and transfer agent, Equity Financial Trust Company, in exchange for new certificates representing the number of common shares to which such shareholders is entitled as a result of the consolidation. Upon return of a properly completed letter of transmittal, together with the original share certificates evidencing the AQC shares held by the shareholder, a new share certificate for the post-consolidation number of common shares of the Corporation will be issued. All costs incurred will be borne by the Corporation.

Shareholder Approval of the Consolidation

At the Meeting, or any adjournment thereof, shareholders will be asked to consider and, if thought fit, pass, with or without variation, the consolidation resolution set forth approving the consolidation. The consolidation requires a special resolution to be passed by the shareholders of the Corporation by at least two thirds of the votes cast by shareholders at the Meeting, either in person or by proxy.

Form of Consolidation Resolution

AQC Shareholders will be asked to pass the following special resolution:

“BE IT RESOLVED, as a special resolution, that all of the issued and outstanding common shares in the capital stock of AQC, be consolidated at a ratio of one (1) new common shares to twenty (20) existing common shares or such lesser ratio that should be approved by the Board and the relevant regulatory authority; and the Board of AQC be and is hereby authorized to amend the terms of the special resolution approving the consolidation, in its sole discretion, to reflect the requirements and any direction given by the relevant regulatory authority.”

Shareholder Approval of the Sale of Assets

At the Meeting, or any adjournment thereof, shareholders will be asked to consider and, if thought fit, pass with or without variation, the sale of asset resolution set forth below. The approval of the sale of asset resolution will require the affirmative vote of not less than two-thirds of the votes cast by shareholders at the Meeting, either in person or by proxy

AQC Shareholders will be asked to pass the following special resolution:

“BE IT RESOLVED, as a special resolution, that the Corporation negotiate the sale of product formulations, trademarks, customer lists and any other assets related to the specialty coatings business of the Corporation; and the Board of AQC be and is hereby authorized to negotiate the terms and nature of the sale and to enter into any agreement which, in its sole discretion, it deems necessary to complete the transaction; and the Board of AQC be and is hereby authorized to amend the terms of this special resolution, in its sole discretion, to reflect the requirements and any direction given by the relevant regulatory authority..”

CHANGE OF NAME

In light of the transactions described herein, it is proposed that AQC change its name to Aquarius Holdings Limited or such other name as may be approved by the Board and the relevant registrar of corporations and regulatory authorities.

Shareholder Approval of the Change of Name

At the Meeting, or any adjournment thereof, shareholders will be asked to consider and, if thought fit, pass with or without variation, the name change resolution set forth below.
