INFORMATION CIRCULAR

INFORMATION PROVIDED AS AT APRIL 30, 2012, EXCEPT AS INDICATED, FOR THE ANNUAL MEETING OF SHAREHOLDERS TO BE HELD ON JUNE 6, 2012 (THE "MEETING").

This Information Circular is furnished in connection with the solicitation of proxies by management of Thelon Capital Ltd. ("Thelon") for use at the Meeting (or any adjournment thereof), at the time and place and for the purposes set forth in the Notice of Meeting. It is expected that the solicitation will be primarily by mail. Proxies may also be solicited personally or by telephone by directors, officers or arms-length third parties appointed by Thelon. Management is unable at this time to accurately estimate what the cost of such solicitation may be.

All costs of this solicitation will be borne by Thelon. Thelon will also pay the broker-dealers, banks or other nominee members of record of Thelon their reasonable expenses in mailing copies of the foregoing material to beneficial owners of shares.

All dollar amounts in this Information Circular are in Canadian currency unless otherwise specified.

This document is available on SEDAR at www.sedar.com and, upon request, a copy of this document will be provided free of charge to any security holder of Thelon.

RECORD DATE

Our directors have set April 30, 2012 as the record date for determining which shareholders shall be entitled to receive notice of the Meeting. Only shareholders of record at the close of business on April 30, 2012, who either attend the Meeting personally or complete and deliver the Form of Proxy in the manner and subject to the provisions discussed below, will be entitled to vote or to have their shares voted at the Meeting.

APPOINTMENT OF PROXYHOLDERS AND REVOCATION OF PROXIES

The persons named in the Form of Proxy as proxy holders are directors of Thelon. **A shareholder desiring to appoint some other person (who need not be a shareholder) to represent him or her at the Meeting may do so, either by striking out the printed names and inserting the desired person's name in the blank space provided in the Form of Proxy or by completing another proper form of proxy.** In either case, the completed proxy must be delivered to the office of Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1, not less than 48 hours (excluding Saturdays and holidays) before the time fixed or any adjournment thereof at which the Proxy is to be used.

A shareholder who has given a proxy may revoke it by an instrument in writing, duly executed by the shareholder or where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation and delivered to our registered office, Suite 300 – 576 Seymour Street, Vancouver BC, V6B 3K1, at any time up to and including the last business day that precedes the day of the Meeting or, if adjourned, the day that precedes any reconvening thereof, or to the Chairman of the Meeting, on the day of the Meeting or, if adjourned, any reconvening thereof, or in any manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken before the revocation.

VOTING OF PROXIES

If the Form of Proxy is completed, signed and delivered as prescribed above, the persons named as proxy holders in the Form of Proxy will vote or withhold from voting the shares in respect of which they are appointed in accordance with the instructions of the shareholder appointing them. The Form of Proxy confers discretionary authority upon the proxy holders with respect to all other matters or variations to matters which may properly come before the Meeting or an adjournment thereof. As of the date of this Information Circular, management of Appleton knows of no such amendments, variations or other matters to come before the Meeting, other than matters referred to in the Notice of Meeting. If other matters should properly come before the Meeting, however, the Form of Proxy will be voted on such matters in accordance with the best judgement of the person or persons voting the Proxy.

If no choice is specified by a shareholder in the Form of Proxy with respect to a matter identified in the Form of Proxy or any amendment or variations to such matters, it is intended that the person designated by management in the Form of Proxy will vote the shares therein represented in favour of each matter identified on the Form of Proxy and for the nominees of management for directors and auditors.

BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold common shares in their own name. Shareholders who do not hold their shares in their own name (“Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of Thelon as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those common shares will not be registered in the Beneficial Shareholder’s name on the records of Thelon. Such common shares will more likely be registered under the name of the Beneficial Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). Common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholders. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory policies require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by Thelon. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communication Services (“Broadridge”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote common shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of**

common shares must be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted.

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“Objecting Beneficial Owners”, or “OBO’s”) and those who do not object to their identity being made known to the issuers of the securities they own (“Non-Objecting Beneficial Owners”, or “NOBO’s”). Subject to the provision of National Instrument 54-101 – Communication with Beneficial Owners of Securities of Reporting Issuers (“NI 54-101”) issuers may request and obtain a list of their NOBO’s from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and Thelon or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

Thelon has decided to take advantage of the provisions of NI 54-101 that permit it to deliver proxy related materials directly to its NOBO’s. By choosing to send these materials to you directly, Thelon (and not the intermediary holding common shares on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. As a result, if you are a NOBO of Thelon, you can expect to receive a scannable Voting Instruction Form (“VIF”) from the Transfer Agent. Please complete and return the VIF to the Transfer Agent in the envelope provided or by facsimile. In addition, telephone voting and internet voting instructions can be found in the VIF. The Transfer Agent will tabulate the results of the VIF’s received from Thelon’s NOBO’s and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIF’s they receive.

Thelon’s OBO’s can expect to be contacted by Broadridge or their brokers or their broker’s agents as set out above.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxy holder for the registered shareholder and vote the common shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxy holder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting. Alternatively, a Beneficial Shareholder may request in writing that their broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote their common shares.**

As at April 30, 2012, the record date, there were a total of 42,840,431 common shares outstanding. The holders of common shares are entitled to one vote per share.

STATEMENT OF CORPORATE GOVERNANCE

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, requires all companies to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “Guidelines”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by Thelon in adopting its corporate governance practices. Thelon’s approach to corporate governance is set out below.

Board of Directors

Our Board currently consists of five (5) directors: Jason Walsh, Glen Macdonald, John A. Roozendaal, Geoffrey R. Watson and William A. Cousins.

The Guidelines suggest that the board of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under section 1.4 of NI 52-110. A director is independent if the individual has no direct or indirect material relationship with Thelon which could, in the view of our Board, be reasonably expected to interfere with the exercise of a director’s independent judgment whether on the Board or a committee of the Board. Notwithstanding the foregoing, an individual who is, or has been within the last three years, an employee or executive officer of Thelon or its subsidiary is considered to have a material relationship with Thelon.

Of our current Board the following members are independent: Glen Macdonald, John A. Roozendaal, Geoffrey R. Watson and William A. Cousins. Jason Walsh is not independent as he is the Chief Executive Officer of Thelon.

The following table sets forth the directors of Thelon who currently serve as directors of other reporting issuers:

Nomination of Directors

The Nominating and Corporate Governance Committee is charged with the responsibility of identifying new candidates for board nominations. The nominees are generally the result of recruitment efforts by Nominating and Corporate Governance Committee as well as other Board members.

Compensation

The Compensation Committee is responsible for determining compensation, including grants of stock options for the directors and officers. In considering the compensation of its officers, the Compensation Committee considers how it can best balance the interests of Thelon's shareholders and provide competitive compensation to attract and retain officers who will contribute to the success of Thelon.

Thelon does not have any standing committees other than the Audit and Finance Committee, Nominating and Corporate Governance Committee, Disclosure Committee and Compensation Committee. When determining the compensation of its officers, the Compensation Committee considers: (i) recruiting and retaining officers critical to the success of Thelon; (ii) providing fair and competitive compensation (iii) balancing the interests of management and Thelon's shareholders; and (iv) rewarding performance, both on an individual bases and with respect to operations in general.

The Compensation Committee is currently comprised of three (3) directors: Jason Walsh, Geoffrey R. Watson and John A. Roozendaal.

Assessments

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the size of Thelon, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director's credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director's nomination.

STATEMENT OF EXECUTIVE COMPENSATION

This disclosure is intended to communicate the compensation provided to Thelon's President and Chief Executive Officer (the "CEO"), the Chief Financial Officer (the "CFO") and the three other most highly compensated officers of Thelon (if they individually received more than \$150,000 of total compensation during the most recently completed financial year) during the year ended September 30, 2011 (collectively, the "Named Executive Officers") and the directors of Thelon. For the year ended September 30, 2011, Thelon's Named Executive Officers were Jason Walsh, Thelon's current CEO, Michelle Pillon, Thelon's CFO and George W. Heard, Thelon's former CEO.

Compensation Discussion and Analysis

Thelon relies solely on board discussion to determine compensation paid to executives and directors, without any formal objectives, criteria or analysis. As Thelon is still in the developmental stage as a junior mining company, Thelon's compensation program consists primarily of stock options.

The long-term incentive program is intended to align the interests of the Named Executive Officers, directors, consultants and employees with those of Thelon's shareholders over the longer term and to provide a retention incentive for each Named Executive Officer. This component of the compensation package consists of grants of options to purchase common shares as permitted under the Stock Option Plan of Thelon and applicable stock exchange rules. Numerous factors are taken into consideration by the Board of Directors in determining grants of Options, including: a review of the previous grants (including value both at the current share prices and potential future prices), the remaining time to expiry, overall corporate performance, share price performance, the business environment and the role and performance of the individual in question.

During the year ended September 30, 2011, 2,645,000 stock options were granted to directors, officers, consultants and employees of Thelon which options may be exercised at prices ranging from \$0.25 to \$0.45 per share with expiry dates ranging from October 28, 2012 to September 14, 2012.

A nil amount indicates that no options held by the Named Executive Officer vested during the year ended September 30, 2011 at an “in the money” amount when the exercise price was compared to the closing price of Thelon’s common shares on the TSX Venture Exchange on the date of vesting.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Stock Option Plan

Shareholders approved Thelon's current stock option plan (the "Old Plan") at the last annual general meeting. As a result of changes to the *Income Tax Act* (Canada) relating to "source deduction requirements", public companies, such as Thelon, must withhold and remit to the Canada Revenue Agency amounts from the employment benefit realized upon the exercise of options when common shares are issued to optionees. Thelon wishes to adopt an amended and restated stock option plan (the "2012 Plan") which will replace and supercede the Old Plan in order to ensure compliance with the withholding requirements. As a result, Shareholders are being asked to approve the 2012 Plan.

The purpose of the 2012 Plan is to encourage ownership of Thelon's common shares by persons ("Eligible Persons") who are directors, senior officers and key employees of, as well as consultants and employees of management companies providing services to, Thelon. It is these individuals who are primarily responsible for the management and growth of Thelon's business. Management hopes that the 2012 Plan will advance the interests of Thelon by providing additional incentive for superior performance by all eligible recipients.

The aggregate number of common shares in the capital of Thelon reserved for issuance under the 2012 Plan is a maximum of 10% of the issued and outstanding share capital of Thelon at the date of grant. If any options granted expire or terminate for any reason without having been exercised in full, the unpurchased shares will again be available under the 2012 Plan. The 2012 Plan is subject to approval of the TSX Venture Exchange (the "Exchange").

Terms of the 2012 Plan

The following summary is a brief description of the 2012 Plan:

1. The maximum number of shares that may be issued upon the exercise of stock options previously granted and those granted under the 2012 Plan will be a maximum of 10% of the issued and outstanding common shares at the time of the grant.
2. Stock options can be issued to persons who are directors, senior officers, employees, advisory board members and consultants of, or employees of management companies providing services to, Thelon or its subsidiaries, if any.
3. The option price of any common share in respect of which an option may be granted under the 2012 Plan shall be fixed by the board of directors but shall be not less than the minimum price permitted by the Exchange.
4. The number of options granted to any one individual may not exceed 5% of the outstanding listed shares in any 12 month period unless Thelon has obtained disinterested shareholder approval to exceed such limit.
5. The number of options granted to any one consultant may not exceed 2% of Thelon's outstanding listed shares in any 12 month period.
6. All options granted under the 2012 Plan may be exercisable for a maximum of ten years from the date they are granted.
7. If the optionee ceases to be (other than by reason of death) an eligible recipient of options, then the option granted shall expire within a reasonable period of time, as determined by the board of

directors, following the date that the option holder ceases to be eligible, subject to the terms and conditions set out in the 2012 Plan.

8. If an optionee ceases to be an eligible recipient of options by reason of death, an optionee's heirs or administrators shall have until the earlier of:
 - (a) one year from the death of the option holder; and
 - (b) the expiry date of the optionsin which to exercise any portion of options outstanding at the time of death of the optionee.
9. The 2012 Plan will be administered by Thelon's board of directors who will have the full authority and sole discretion to grant options under the 2012 Plan to any eligible recipient, including themselves.
10. The options are not assignable or transferable by an optionee.
11. Thelon shall have the authority to deduct and withhold, or require the Optionee to remit to Thelon, the amount of any taxes or other required source deductions which Thelon is required by law or regulation of any governmental authority whatsoever to remit in connection with any issuance of shares upon the exercise of options.
12. The board of directors may from time to time, subject to regulatory approval, amend or revise the terms of the 2012 Plan.

Accordingly, Shareholders will be asked to consider, and if thought appropriate, to approve, with or without amendment, the 2012 Plan Resolution set out in Schedule "A" to this Information Circular. The full text of the 2012 Plan will be available for review at the Meeting.

Change of Name

Management of Thelon proposes to change the name of the Company from "Thelon Capital Ltd." to "Thelon Coal Corp.", or such other name as may be determined by the directors of Thelon and approved by the TSX Venture Exchange and the Registrar of Companies.

Accordingly, Shareholders will be asked to consider, and if thought appropriate, to approve, with or without amendment, the Corporate Name Change Resolution set out in Schedule "A" to this Information Circular.

The Board recommends that the shareholders vote in favour of the above resolution.

In order to be effective, the special resolution must be approved by a two-thirds majority of the votes cast by those shareholders of Thelon who, being entitled to do so, vote in person or by proxy at the Meeting in respect of such resolution.

COMPOSITION

The Committee shall be comprised of at least three members. Each member must be a director of the Company. A majority of the members of the Committee shall not be officers or employees of the Company or of an affiliate of the Company. At least one member of the Committee shall be financially literate. All members of the Committee who are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of this Audit Committee Charter, the term "financially literate" means the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

The members of the Committee shall be appointed by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership. The Chair shall be financially literate and an independent director as defined in Section 1.4 of National Instrument 52-110 *Audit Committees*.
