VANCOUVER, January 2, 2018 – THC BioMed Intl Ltd. (“THC” or the “Company”) (CSE:THC) is issuing this press release in response to a request by the Investment Industry Regulatory Organization of Canada to comment on recent trading activity of its common shares. The Company issued a news release on December 20, 2017 relating to its business. The Company announces that it is not aware of any other material undisclosed developments. THC is also unaware of any material undisclosed change related to the Company that would explain the recent movements in the price of its common shares. The Company will keep the market informed as required.

About THC

THC’s vision is to be on the leading edge of scientific research, development of products and services related to the medical cannabis industry while creating a standard of excellence. As the industry develops, it will become more important to focus on scientific research and development of products and services related to medical cannabis. Management believes THC is well-positioned to be in the forefront of this rapidly growing industry.
