Forward-Looking Information:

This press release may include forward-looking information within the meaning of Canadian securities legislation, concerning the business of THC BioMed. Forward-looking information is based on certain key expectations and assumptions made by the management of THC BioMed. In some cases, you can identify forward-looking statements by the use of words such as “will,” “aims,” “may,” “would,” “expect,” “intend,” “plan,” “seek,” “anticipate,” “believe,” “estimate,” “predict,” “potential,” “continue,” “likely,” “could” and variations of these terms and similar expressions, or the negative of these terms or similar expressions. Forward-looking statements in this release are made as of the date of this press release and include that THC BioMed will be on the forefront of this rapidly growing industry. Although THC BioMed believes that the expectations and assumptions on which such forward-looking information is based are reasonable, undue reliance should not be placed on the forward-looking information because THC BioMed can give no assurance that they will prove to be correct. THC disclaims any intent or obligation to update publicly any forward-looking information, whether as a result of new information, future events or results or otherwise, other than as required by applicable securities laws.

The Canadian Securities Exchange (CSE) has not reviewed and does not accept responsibility for the adequacy or the accuracy of the contents of this release.
