NEWS RELEASE

VALDOR MAKES SUBMISSION TO SEC FOR LISTING ON US OTCQB

Vancouver, BC - March 26, 2014: Valdor Technology International Inc. ("Valdor") (TSX-V: VTI) (OTC: VTIFF) is pleased to report that application to the Securities Exchange Commission (SEC) to have Valdor listed on the OTCQB Securities Market in the US is completed and is being filed today.

OTC Markets Inc., located in New York, N.Y., operates the world's largest electronic interdealer quotation system for broker-dealers to trade over 9,000 securities not listed on any other U.S. stock exchange. It is organized into three tiers based on the level of disclosure: OTCQX, OTCQB and Pink Sheets. When this listing is completed, North American & International investors will be able to find news, current financial disclosure and real-time Level 2 quotes for Valdor on www.otcmarkets.com.

Mr. Brian Findlay, CFO/Director, states: "We want investors throughout the world to have ready access to Valdor stock ownership so we can facilitate stock distribution internationally. Listing on the US OTC Bulletin Board market will greatly help us achieve this objective."

About Valdor Technology International Inc. (www.valdortech.com): Valdor is a technology company with two divisions: 1) Valdor Fiber Optics, a fiber optic components company specializing in the design, manufacture and sale of fiber optic splitters, connectors, laser pigtails and other optical and optoelectronic components, including some that use the Valdor proprietary and patented Impact Mount™ technology. The company specializes in harsh environment products and in particular splitters and connectors and; 2) Niagara Streaming Media, a streaming video business that owns four patents and markets the Niagara and GoStream product lines. Streaming video is the future of television.

The Valdor business plan incorporates growth by acquisition. For further information on Valdor's product lines please visit www.valdor.com.
