VOTING

How a Vote is Passed

All matters that will come to a vote at the Meeting, as described in the attached Notice of Meeting, are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favor, then the resolution is approved (an “ordinary resolution”), unless the motion requires a special resolution in which case 2/3 of the votes cast will be required (a “special resolution”).

Who Can Vote?

If you are a registered shareholder of Valdor Technology International Inc. as at April 5, 2021, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the common shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating the officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxy holder to vote in accordance with your instructions (see “*VOTING BY PROXY*” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled “*BENEFICIAL SHAREHOLDERS*”, below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, the Company invites you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

Voting By Proxy

If you do not come to the Meeting, you can still make your votes count by voting over the internet or via the telephone (*see proxy for instructions*) or by appointing someone who will be there to act as your proxy holder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

What is Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. A form of proxy is enclosed with this Information Circular. You should use it to appoint a proxy holder, although you can also use any other legal form of proxy.

In order to be valid, you must return the completed form of proxy to Valdor’s transfer agent, Endeavor Trust Corporation, 702 – 777 Hornby Street, Vancouver, BC V6Z 1S4 not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting or any adjournment thereof.

Appointing a Proxyholder

You can choose any individual to be your proxy holder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxy holder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy will be deemed to be appointed to act as your proxy holder. Such persons are directors and/or officers of Valdor Technology International Inc. (the "Management Proxy holders").

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxy holder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxy holder must vote your shares according to your instructions.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxy holder can vote your shares as he or she thinks fit.

At the time of printing this Information Circular, the management of Valdor Technology International Inc. is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Revoking Your Proxy if You Change Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by:

- (a) attending the Meeting and voting in person;
- (b) signing a proxy bearing a later date;
- (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to Endeavor Trust Corporation, 702 – 777 Hornby Street, Vancouver, BC V6Z 1S4; or
- (d) any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 P.M. (Pacific-Daylight Savings time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person.

Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must, at least 7 days before the Meeting, arrange for your nominee to revoke your proxy on your behalf (see below under "Non-Registered Shareholders").

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent not less than 48 hours (excluding Saturdays and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) of the Meeting.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold common shares in their own name.

Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common shares) or as set out in the following disclosure.

If Common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common shares will not be registered in the shareholder's name on the records of the Company. Such Common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary"). In the United States, the vast majority of such Common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides return instructions to clients. There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 "Communication with Beneficial Owners of Securities of a Reporting Issuer" that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("VIF") from our transfer agent. These VIF's are to be completed and returned to the company's transfer agent in the envelope provided or by facsimile. In addition, both telephone voting and internet voting as described on the VIF itself which contain complete instructions. The company's transfer agent will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs they receive."

These security holder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge mails a VIF in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common shares to be represented at the Meeting and the appointment of any shareholder's representative.

If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common shares voted or to have an alternate representative duly appointed to attend and to vote your Common shares at the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares. Each shareholder is entitled to one vote per share registered in his or her name. According to the records of the Company's Transfer Agent as of April 5, 2021, there were 65,922,033 common shares issued and outstanding.

Only those common shareholders of record on April 5, 2021 will be entitled to vote at the Meeting or any adjournment thereof. To the knowledge of the directors and executive officers of the Company, no person beneficially owns, directly or indirectly, or exercises control or direction over shares carrying more than 10% of the voting rights attached to all issued and outstanding shares of the Company, which have the right to vote.

AUDITED FINANCIAL STATEMENTS

The audited financial statements of the Company for the fiscal year ended December 31, 2020, 2019 and 2018 will be placed before you at the Meeting. A copy of these financial statements, together with the auditor's report thereon, and Management's Discussion and Analysis, were mailed to those shareholders who returned the 'request for annual and interim financial statement return card', mailed to shareholders in connection with the Company's Annual General and Special Meeting and indicated to the Company that they wished to receive these documents. Shareholders can request a copy of our future financial statements and MD&A by completing our supplemental request card which accompanies the Notice of Meeting and this Information Circular. These financial statements and MD&A are also available for review on SEDAR at www.sedar.com.

ELECTION OF DIRECTORS

Directors of the Company are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time.

Management proposes to nominate the persons named under the heading "Nominees for Election" below for election as directors of the Company. This requires the approval of the shareholders of the Company by an ordinary resolution, which approval will be sought at the Meeting.

The following information relating to the nominees for directors is based partly on the Company's records and partly on information received by the Company from the nominees, it states the name of each person proposed to be nominated by management for election or re-election as a director, all offices of the Company now held by him, his principal occupation, the period of time for which he has been a director of the Company and the number of common shares of the Company beneficially owned by him, directly or indirectly, or over which he exercises control or direction, as at the date hereof.

While management does not contemplate that the nominees will be unable to serve as directors, if prior to the Meeting a vacancy occurs in this slate of nominees for any reason, the management representative(s) designated in the Proxy solicited in respect of the Meeting shall have the discretionary authority to vote for the election of any other person as director. Proxies received by the directors on which no designation is made will be voted for the nominees for election as directors or any substitute nominee thereof as may be determined by management, if necessary.

Except as disclosed in this Information Circular, to the best of the Company's knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management may from time to time serve as directors, officers, promoters and members of management of other public companies, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of management of those other companies.

Pursuant to the terms of the current stock option plan, up to 1,130,000 common shares (post-consolidation 20:1) are reserved for issuance. Management is seeking shareholder approval for the re-approval of the stock option plan (the "**Fixed Option Plan**") whereby 13,184,406 common shares (representing approximately 20% of the Company's current issued share capital, as of the record date for the Meeting) will be reserved for issuance, in accordance with and subject to the rules and policies of the TSX Venture Exchange (the "**Exchange**").

A full copy of the Fixed Option Plan is attached hereto as Schedule "B". Shareholders may also obtain copies of the Fixed Option Plan from the Company prior to the meeting on written request.

Other Incentive Plans

2021 RSU Plan

On March 24, 2021, the Board approved a restricted share unit plan (the “**2021 RSU Plan**”) to grant restricted share units (“**RSU’s**”) to directors, officers, key employees and consultants of the Company. Pursuant to the 2021 RSU Plan the Company may reserve up to a maximum of 20% of the issued and outstanding common shares at the time of grant pursuant to awards granted under the 2021 RSU Plan.

The 2021 RSU Plan provides for granting of RSU’s for the purposes of advancing the interests of the Company through motivation, attraction and retention of employees, officers, consultants and directors by granting equity-based compensation incentives, in addition to the Company’s Fixed Option Plan.

RSUs granted pursuant to the 2021 RSU Plan will be used to compensate participants for their individual performance-based achievements and are intended to supplement stock option awards in this respect, the goal of such grants is to more closely tie awards to individual performance based on established performance criteria.

The 2021 Plans has been used to provide Options and RSU’s which are granted in consideration of the level of responsibility of the executive as well as his or her impact or contribution to the longer-term operating performance of the Company. In determining the number of Options or RSU’s to be granted to the executive officers, the Compensation Committee with consultation of the Board takes into account the number of Options or RSU’s, if any, previously granted to each executive officer, and the exercise price of any outstanding Options to ensure that such grants are in accordance with the policies of the Exchange and closely align the interests of the executive officers with the interests of shareholders.

Rolling Option Plan

The 20% rolling stock option plan (the “**Rolling Option Plan**”) is subject to the Company obtaining satisfactory approval to list its common shares on the CSE.

On March 24, 2021, the Board approved the Rolling Option Plan to grant Options to directors, officers, key employees and consultants of the Company. Pursuant to the Rolling Option Plan the Company may reserve up to a maximum of 20% of the issued and outstanding common shares at the time of grant pursuant to awards granted under the Rolling Option Plan.

The Rolling Option Plan of the Company is designed to give each Option holder an interest in preserving and maximizing shareholder value in the longer term, to enable the Company to attract and retain individuals with experience and ability and to reward individuals for current performance and expected future performance. The Board considers Option grants when reviewing executive officer compensation packages as a whole.

The Board has sole discretion to determine the key employees to whom it recommends that grants be made and to determine the terms and conditions of the Options forming part of such grants. The Board approves ranges of Option grants for each level of executive officer. Individual grants are determined by an assessment of an individual’s current and expected future performance, level of responsibilities and the importance of the position to the Company.

The number of Options which may be issued under the Rolling Option Plan in the aggregate and in respect of any fiscal year is limited under the terms of the Rolling Option Plan and cannot be increased without shareholder approval.

The Board is responsible for determining, by way of discussions at board meetings, the compensation to be paid to the Company’s executive officers. The Company at this time does not have a formal compensation program with specific performance goals; however, the performance of each executive is considered along with the Company’s ability to pay compensation and its results of operation for the period.

The Company’s executive compensation is currently comprised of a base fee or salary. Base fees or salaries are intended to provide current compensation and a short-term incentive for the NEO to meet the Company’s goals, as well as to remain competitive with the industry. Base fees or salaries are compensation for job responsibilities and reflect the level of skills, expertise and capabilities demonstrated by the NEO.

Compensation is designed to achieve the following key objectives:

1. to support our overall business strategy and objectives;
2. to provide market competitive compensation that is substantially performance-based;
3. to provide incentives that encourage superior corporate performance and retention of highly skilled and talented employees; and
4. to align executive compensation with corporate performance and therefore Shareholders' interests.

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators (“NI 52-110”) requires the Company to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its external auditor as set forth below.

The Company’s audit committee is governed by an Audit Committee Charter, which is attached as Schedule “A”.

Composition of the Audit Committee

The Company's audit committee is currently comprised of three directors, Elston Johnston, Patrick O'Flaherty and Francis Rowe, of which Patrick O'Flaherty and Francis Rowe are considered "independent" as that term is defined in applicable securities legislation. As CEO and Chairman, Elston Johnston is not independent.

All three audit committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

All of the audit Committee members are businessmen with experience in financial matters; each has an understanding of accounting principles used to prepare financial statements and varied experience as to the general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of Endeavour.

Since the commencement of the Company's most recently completed financial year ended December 31, 2020, the Board of Directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

Reliance on Certain Exemptions

The Company is not relying on:

1. the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit); or
2. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

Pre-Approval Policies and Procedures

The audit committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter attached as Schedule "A" to this Information Circular.

External Audit Service Fees

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories. The fees paid by the Company to its external auditor for services rendered to the Company in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit / Audit Related Fees	Tax Fees	All Other Fees
December 31, 2020	\$20,000	Nil	Nil
December 31, 2019	\$20,000	Nil	Nil

The Company is relying on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee (as described in 'Composition of the Audit Committee' above) and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in the Company's Annual Information Form, if any).

CORPORATE GOVERNANCE

Corporate governance relates to the activities of the Board of Directors of the Company (the “Board”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted.

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) also requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices.

Board of Directors

The Board is currently composed of four (4) directors. NP 58-201 suggests that the Board of Directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s Board of Directors be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the current directors, Brian Findlay, acts as CFO and is an “insider” or management director and accordingly is considered “non-independent”. Elston Johnston acts as the CEO and Chairman of the Board and is an “insider” or management director and accordingly is considered “non-independent”. Patrick O’Flaherty and Francis Rowe are outside directors and considered independent.

Mandate of the Board

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders’ equity interests through the optimum utilization of the Company’s capital resources. The Board also takes responsibility for identifying the principal risks of the Company’s business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company’s development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies. However, as the Company grows, the Board will move to develop a formal written mandate.

In keeping with its overall responsibility for the stewardship of the Company, the Board is also responsible for the integrity of the Company’s internal control and management information systems and for the Company’s policies respecting corporate disclosure and communications.

The Board delegates to management, through the Chief Executive Officer and the Chief Financial Officer, responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

Currently, the positions of President and Chief Executive Officer are combined. However, given the size of the Company's current operations, the Board believes that the Company is well serviced and the independence of the Board from management is not compromised by the combined role. In addition, the Board has found that the fiduciary duties placed on management by the Company's governing corporate legislation and common law and the restrictions on an individual director's participation in decisions of the Board in which the director has an interest under applicable corporate and securities legislation provide the "independent" directors with significant input and leadership in exercising their responsibilities for independent oversight of management. In addition, each member of the Board understands that he is entitled to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances and the "independent" directors have the ability to meet independently of management whenever deemed necessary.

Directorships

As of the date of this Information Circular, the directors and/or officers listed in the table that follows are currently directors and/or officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

Name of Director	Name of Other Reporting Issuer
Elston Johnston	Golden Ridge Resources Ltd.
Brian Findlay	Dajin Lithium Corp.
Patrick O'Flaherty	BMGB Capital Corp. Castlebar Capital Corp. Lido Minerals Ltd. CloudBreak Discovery Corp.

Orientation and Continuing Education

Orientation and education of new members of the Board is conducted informally by management and the Board. The orientation provides background information on the Company's history, performance and strategic plans.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However there is no formal orientation for new members of the Board and this is considered to be appropriate, given the Company's size and current operations.

Ethical Business Conduct

The Board of Directors expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

However, to date, the Board has not adopted a formal written Code of Business Conduct and Ethics. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate and securities legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company and its shareholders.

In addition, the limited size of the Company's operations and the small number of officers and employees allows the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination and Assessment

The Board of Directors will consider the size of the Board of Directors each year when it considers the number of directors to recommend for director nominees. The criteria for selecting new directors shall reflect the requirements of the listing standards of the Exchange (or such other exchange or self-regulatory organization on which the Company's shares are listed for trading) with respect to independence and the following factors:

- (a) the appropriate size of the Company's Board;

- (b) the needs of the Company with respect to the particular talents and experience of its directors;
- (c) personal and professional integrity of the candidate;
- (d) level of education and/or business experience;
- (e) broad-based business acumen;
- (f) the level of understanding of the Company's business and the industry in which it operates and other industries relevant to the Company's business;
- (g) the ability and willingness to commit adequate time to Board and committee matters;
- (h) the fit of the individual's skills and personality with those of other directors and potential directors in building a Board that is effective, collegial and responsive to the needs of the Company;
- (i) the ability to think strategically and a willingness to share ideas; and diversity of experiences, expertise and background.

Compensation

The Board of Directors is responsible for determining all forms of compensation to be granted to the NEOs of the Company and the other officers, directors and/or employees of the Company (see "Executive Compensation – Termination and Change of Control Benefits").

Committees of the Board of Directors

The Board has only one committee, being the Audit Committee.

APPOINTMENT OF AUDITOR

The Company's management recommends that shareholders vote in favour of the re-appointment of Davidson & Co. LLP, Chartered Professional Accountants as the Company's auditor for the ensuing year and in favour of granting the Board of Directors the authority to determine the remuneration to be paid to the auditor.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Davidson & Co. LLP, Chartered Professional Accountants as the auditor of the Company until the close of the next annual meeting and also intend to vote FOR the proposed resolution to authorize the Board of Directors to fix the remuneration to be paid to the auditor.

PARTICULARS OF MATTERS TO BE ACTED UPON

APPROVAL AND RATIFICATION OF THE FIXED STOCK OPTION INCENTIVE PLAN

The Company's current stock option plan was ratified by the Company's shareholders in 2017. Pursuant to the terms of the current stock option plan, up to 1,020,000 common shares (post-consolidation 20:1) are reserved for issuance. At the Meeting, shareholders will be asked to consider, and if thought advisable, to approve by way of an ordinary resolution, re-approval of the 20% fixed stock option plan (the "**Fixed Option Plan**"), a copy of which is attached hereto as Schedule "B".

The aggregate number of common shares reserved for issuance under the Fixed Option Plan, may not exceed 13,184,406 common shares (65,922,033 x 20%). The exercise price of options granted under the Fixed Option Plan will be determined by the Board of Directors at the time of any grant but must not be less than the fair market value (as defined in the Fixed Option Plan) of the common shares on the date of grant, in accordance with and subject to the rules and policies of the Exchange.

Approval Requirements

As, in certain circumstances, approval of the Fixed Option Plan by Disinterested Shareholders (as hereafter defined) may be required, we believe it prudent to seek Disinterested Shareholder approval of the Fixed Option Plan at the Meeting.

Shareholders who are not Related Persons (as defined above) entitled to benefit under the Fixed Option Plan (the "**Disinterested Shareholders**") will be asked at the Meeting to approve implementation of the Fixed Option Plan. As at the date of this Circular and based on the information available to us, there are no shares held by the directors and officers of the Company eligible to vote on the resolution to approve implementation of the Fixed Option Plan.

Accordingly, at the Meeting, Shareholders are being asked to consider and, if thought advisable, approve an ordinary resolution in the following form:

“RESOLVED THAT:

1. The Fixed Option Plan of the Company, in the form attached to the Information Circular as Schedule "B", be and the same is hereby confirmed and approved subject to applicable regulatory approval;
2. The form of the Fixed Option Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Company;
3. All options outstanding under the Fixed Option Plan or any previous form of stock option plan shall remain valid and outstanding and be governed by the terms of the applicable previous form of stock option plan as it existed when they were granted;
4. Any director or officer is authorized to execute and deliver all such deeds, documents and other writings and perform such acts as may be necessary in order to give effect to the Fixed Option Plan, and the Board of Directors of the Company is authorized to grant options in the capital stock of the Company pursuant to and in accordance with the provisions of the Fixed Option Plan so adopted; and
5. Notwithstanding the approval of the shareholders of the Company as herein provided, the directors may, in its sole discretion, at any time suspend or terminate the Fixed Option Plan or revoke this resolution before it is acted upon, without further approval of the shareholders of the Company.

Recommendation

The Company believes the Fixed Option Plan will enable the Company to better align the interests of its directors, executive officers and employees with those of its shareholders and will reduce the cash compensation the Company would otherwise have to pay. The Board of Directors of the Company recommend that shareholders vote in favour of the approval of the Fixed Option Plan. **Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the resolution approving implementation of the Fixed Option Plan.**

APPROVAL AND RATIFICATION OF 20% ROLLING STOCK OPTION INCENTIVE PLAN

At the Meeting, shareholders will be asked to consider, and if thought advisable, to approve by way of an ordinary resolution, approval of a 20% rolling stock option plan (the “**Rolling Option Plan**”), a copy of which is attached hereto as Schedule “C”.

On March 24, 2021, the Board of Directors has, by resolution, adopted the Rolling Option Plan to replace the existing stock option incentive plan (the “**Fixed Option Plan**”) and proposes to implement it upon receipt of approval of the Rolling Option Plan by the shareholders and the Company obtaining approval to list its common shares on the CSE. The Rolling Option Plan is substantively similar to the Fixed Option Plan except that it increases the number of common shares reserved under it. The number of common shares proposed to be granted under the Rolling Option Plan is a maximum of 20% of the issued and outstanding common shares at the time of grant. Upon the Rolling Option Plan receiving shareholder approval and the Company obtaining satisfactory approval to list its common shares on the CSE, the Rolling Option Plan will be implemented and the Fixed Option Plan will terminate.

Management believes the Rolling Option Plan will provide the Company with a sufficient number of common shares issuable under the Rolling Option Plan to fulfill the purpose of the Rolling Option Plan, namely, to secure for the Company and its shareholders the benefits of incentive inherent in share ownership by the directors, officers, key employees and consultants of the Company who, in the judgment of the Board, will be largely responsible for its future growth and success.

Approval Requirements

As, in certain circumstances, approval of the Rolling Option Plan by Disinterested Shareholders (as hereafter defined) may be required, we believe it prudent to seek Disinterested Shareholder approval of the Rolling Option Plan at the Meeting.

Shareholders who are not Related Persons (as defined above) entitled to benefit under the Rolling Option Plan (the “**Disinterested Shareholders**”) will be asked at the Meeting to approve implementation of the Rolling Option Plan. As at the date of this Circular and based on the information available to us, there are no shares held by the directors and officers of the Company eligible to vote on the resolution to approve implementation of the Rolling Option Plan.

Accordingly, at the Meeting, Shareholders are being asked to consider and, if thought advisable, approve an ordinary resolution in the following form:

“BE IT RESOLVED THAT:

- (1) the Rolling Option Plan of the Company, approved by the directors of the Company on March 24, 2021, substantially in the form attached at Schedule “C” to the Circular of the Company dated April 5, 2021, subject to the Company obtaining satisfactory approval to list its common shares on the Canadian Securities Exchange (the “CSE”), be and the same is hereby ratified, confirmed and approved;
- (2) any director or officer be and is hereby authorized to amend the Rolling Option Plan should such amendments be required by applicable regulatory authorities; and
- (3) any one director or officer of the Company be and is hereby authorized and directed to do all such things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution.”

Recommendation

Unless otherwise instructed, the persons named in the enclosed proxy or voting instruction form intend to vote such proxy or voting instruction form in favour of the approval of the Rolling Option Plan. The Board of Directors of the Company recommend that shareholders vote in favour of the approval of the Rolling Option Plan. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast at the Meeting.

Following approval of the Rolling Option Plan by the Company’s Disinterested Shareholders, further shareholder approval will not be required for option grants made under the Rolling Option Plan.

APPROVAL AND RATIFICATION OF RESTRICTED SHARE UNIT

On March 24, 2021, the Board of Directors implemented and adopted a restricted share unit plan (the “**2021 RSU Plan**”), reserving for issuance, combined with any equity securities granted under all other compensation arrangements adopted by the Company, including the Fixed Option Plan, a maximum of 20% of the issued and outstanding Shares at the time of grant.

At the Meeting, shareholders will be asked to consider, and if thought advisable, to ratify, confirm and approve by way of an ordinary resolution, a restricted share unit plan (the “**2021 RSU Plan**”), a copy of which is attached hereto as Schedule “D”.

The Board has, by resolution, adopted the 2020 RSU Plan and proposes to implement it upon receipt of approval of the shareholders.

The Company has reserved for issuance a maximum of 20% of the issued and outstanding common shares at the time of grant, combined with any equity securities granted under all other compensation arrangements adopted by the Company, including the Fixed Option Plan.

Approval Requirements

As, in certain circumstances, approval of the 2021 RSU Plan by Disinterested Shareholders (as hereafter defined) may be required, we believe it prudent to seek Disinterested Shareholder approval of the 2021 RSU Plan at the Meeting.

Shareholders who are not Related Persons (as defined above) entitled to benefit under the 2021 RSU Plan (the “**Disinterested Shareholders**”) will be asked at the Meeting to approve implementation of the 2021 RSU Plan. As at the date of this Circular and based on the information available to us, there are no shares held by the directors and officers of the Company entitled to benefit under the 2021 RSU Plan are not eligible to vote on the resolution to approve implementation of the 2021 RSU Plan.

Accordingly, at the Meeting, Disinterested Shareholders are being asked to consider and, if thought advisable, approve an ordinary resolution in the following form:

“BE IT RESOLVED THAT:

- (1) the 2021 RSU Plan, approved by the directors of the Company on March 24, 2021, substantially in the form attached at Schedule “D” to the Circular of the Company dated April 5, 2021, be and the same is hereby ratified, confirmed and approved;
- (2) any director or officer be and is hereby authorized to amend the 2021 RSU Plan of the Company should such amendments be required by applicable regulatory authorities; and

- (3) any one director or officer of the Company be and is hereby authorized and directed to do all such things and to execute and deliver all documents and instruments as may be necessary or desirable to carry out the terms of this resolution.”

Recommendation

Unless otherwise instructed, the persons named in the enclosed proxy or voting instruction form intend to vote such proxy or voting instruction form in favour of the approval of the 2021 RSU Plan. The Board of Directors of the Company recommend that shareholders vote in favour of the approval of the 2021 RSU Plan. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast by Disinterested Shareholders at the Meeting.

The Option Price under each Option shall be not less than the Discounted Market Price on the Grant Date. The Expiry Date for each Option shall be set by the Board at the time of issue of the Option and shall not be more than ten years after the Grant Date. Options shall not be assignable (or transferable) by the Optionee.

3.2 Limits on Shares Issuable on Exercise of Options

The maximum number of Shares which may be issuable pursuant to options granted under the Plan shall be **13,184,406 Shares**. The number of Shares reserved for issuance under the Plan and all of the Company's other previously established or proposed share compensation arrangements at any time:

- (a) to all Insiders shall not exceed 10% of the total number of issued and outstanding shares on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company); and
- (b) to any one Optionee shall not exceed 5% of the total number of issued and outstanding shares on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company).

The number of Shares which may be issuable under the Plan and all of the Company's other previously established or proposed share compensation arrangements, within a 12 month period:

- (a) to all Insiders shall not exceed 10% of the total number of issued and outstanding shares on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company);
- (b) to any one Optionee, shall not exceed 5% of the total number of issued and outstanding Shares on the Grant Date on a non-diluted basis (unless otherwise approved by the disinterested shareholders of the Company);

The Company must publicly announce by press release at the time of the grant, any Options granted to Eligible Persons who undertake Investor Relations Activities.

3.3 Eligible Charitable Organizations

Notwithstanding the foregoing limitations, Options may be granted to Eligible Charitable Organizations for up to one percent (1%) of the total issued and outstanding shares of the Company from time to time, provided that such Options must expire on the earlier of: (i) 10 years from the date of the grant, and (ii) 90 days after the date that the Eligible Charitable Organization ceases to be an Eligible Charitable Organization.

3.4 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. For stock options to Employees, Consultants, Consultant Company or Management Company Employees, each of the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan.

4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to subsections 4.3 and 4.4, an Option may be exercised to purchase any number of Shares up to the number of Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. local time on the Expiry Date and shall not be exercisable thereafter.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon notice and payment there will be binding contract for the issue of the Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. Delivery of the Optionee's certified cheque or bank draft payable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the certified cheque is not honoured upon presentation for any reason in which case the Option shall not have been validly exercised.

4.3 Vesting of Option Shares

An Option shall be granted hereunder as fully vested, unless a vesting schedule is imposed by the Board as a condition of the grant on the Grant Date; and provided that if the Option is being granted to an Eligible Person who is providing Investor Relations Activities to the Company, then the Option must vest in stages over at least a one-year period and no more than one-quarter (1/4) of such Options may be vested in any three (3) month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Unissued Option Shares at any time up to but not after the earlier of:

- (i) 365 days after the date of death or Disability; and
- (ii) the Expiry Date.

(b) Termination For Cause

If the Optionee, or in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, as that term is

interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 30 days after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "**Offer**") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the *Securities Act*, subject to the consent of the Exchange, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon the Option Shares subject to such Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised. If any Option Shares are returned to the Company under this subsection 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Directors may, upon notifying each Optionee of full particulars of the Offer, declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Directors shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days and not more than 35 days notice is required.

4.7 Effect of a Change of Control

If a Change of Control occurs, any Option may be exercised in whole or in part by the Optionee.

4.8 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the

Company, the loss or limitation, if any, under the Option Agreement with respect to the right to purchase Option Shares which was cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.9 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has expired may be made the subject of a further Option pursuant to the provisions of the Plan.

4.10 Extension of Term During Trading Black Out

In the event the Expiry Date of an Option falls on a date during a trading black out period that has been self imposed by the Company, the Expiry Date of the Option will be extended to the 10th business day following the date that the self imposed trading black out period is lifted by the Company. For greater certainty, the Expiry Date of an Option will not be extended in the event a cease trade order is issued by a securities regulatory authority against the Company or an Optionee.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subparagraph (a)(ii).

5.2 Special Distribution

Subject to the prior approval of the Exchange, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares:

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board of Directors of the Company has determined to be outside the normal course); or
- (d) rights, options or warrants,

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in subsections 5.1 or 5.2;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Directors.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Directors may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of subsection 5.1, 5.2 or 5.3 is subject to the approval of the Exchange where required pursuant to their policies, and compliance with the applicable securities rules or regulations of any other governmental authority having jurisdiction.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective immediately upon the approval of the Board of directors of the Company, where the Company is a non-reporting issuer. If the Company is a reporting issuer whose Shares are listed on any Exchange, then the Plan shall be effective only upon the approval of the shareholders of the Company given by way of an ordinary resolution of the disinterested shareholders of the Company, where required by the policies of the Exchange and the written acceptance of the Plan by the Exchange. Any Options granted under this Plan before such prior approval shall only be exercised upon the receipt of such approval, where required by the policies of the Exchange. Disinterested shareholder approval (as required by the Exchange) will also be obtained for any reduction in the exercise price of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to compliance with the policies of the Exchange and applicable securities rules or regulations of any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to comply with such policies, rules or regulations, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Directors shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in subsection 5.4, the interpretation and construction of any provision of the Plan by the Directors shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Income Taxes

As a condition of and prior to participation of the Plan any Optionee shall on request authorize the Company in writing to withhold from any remuneration otherwise payable to him or her any amounts required by any taxing authority to be withheld for taxes of any kind as a consequence of his or her participation in the Plan.

6.5 Amendments to the Plan

The Directors may from time to time, subject to applicable law and to the prior approval, if required, of the Exchange or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any option previously granted to an Optionee under the Plan without the consent of that Optionee. Any amendments to the Plan or options granted thereunder will be subject to the approval of the shareholders, where such approval is required by the policies of the Exchange.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment

No Optionee may assign any of his or her rights under the Plan or any Option granted thereunder.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.12 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the Province of British Columbia.

6.13 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.14 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.

3.04 TERMINATION OF OPTION

An Option Holder may exercise an Option in whole or in part at any time or from time to time during the Exercise Period provided that, with respect to the exercise of part of an Option, the Board may at any time and from time to time fix a minimum or maximum number of Shares in respect of which an Option Holder may exercise part of any Option held by such Option Holder. Any Option or part thereof not exercised within the Exercise Period shall terminate and become void as of 5:00 p.m. (Vancouver time) on the first to occur of the Expiry Date or the Earlier Termination Date. The Earlier Termination Date shall be the date established, if applicable, in subsections (a) or (b) below.

3.06 REDUCTION IN EXERCISE PRICE

Disinterested shareholder approval will be obtained for any reduction in the exercise price of an Option if the Option Holder is an insider of the Company at the time of the proposed amendment.

3.07 ASSIGNMENT OF OPTIONS

Options may not be assigned or transferred, provided however that the Personal Representative of an Option Holder may, to the extent permitted by section 4.1, exercise the Option within the Exercise Period.

3.08 ADJUSTMENTS

If prior to the complete exercise of any Option the Shares are consolidated, subdivided, converted, exchanged or reclassified or in any way substituted for (collectively the "Event"), an Option, to the extent that it has not been exercised, shall be adjusted by the Board in accordance with such Event in the manner the Board deems appropriate. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of the Event an Option Holder would become entitled to a fractional share, such Option Holder shall have the right to purchase only the next lowest whole number of shares and no payment or other adjustment will be made with respect to the fractional interest so disregarded.

3.09 VESTING

The following provisions regarding vesting shall apply to the Options:

- (a) For so long as the Company is not classified as a Tier 1 Issuer or equivalent designation on the Exchange, all Options awarded pursuant to the Plan, except in exceptional circumstances as determined by the Board, must contain conditions relating to the vesting of the right to exercise an Option awarded to any Option Holder, which will provide that the right to purchase the Shares under the Option may not be exercised any earlier than six equal quarterly releases over a period of 18 months from the Award Date.

In the event that the classification of the Company on the Exchange is upgraded to that of a Tier 1 Issuer or equivalent designation, or the Shares are no longer listed on the Exchange, the Board may, in its sole discretion at the time the Option is awarded, but will not be required to, impose conditions relating to the vesting of the right to exercise an Option awarded to any Option Holder. - (c) Option Certificates will disclose vesting conditions which are as specified by the Board.
- (d) The vesting schedule in subsection 3.9(a) shall be automatically and immediately accelerated such that all remaining Options will then be available for exercise upon the occurrence of a *take over bid* which is a *formal bid*, as those terms are defined under the Securities Act.

3.10 HOLD PERIODS

- (c) If required by Applicable Laws, any Options will be subject to a hold period expiring on the date that is four months and a day after the Date of Grant, and the Option Agreements and the certificates representing any Shares issued prior to the expiry of such hold period will bear a legend in substantially the following form:

Notwithstanding the foregoing, the Board, in its discretion, may resolve that up to all of the Restricted Share Units held by a Participant on the date the Participant ceased to be an Eligible Person which have not yet vested shall vest immediately upon such date.

Tax Matters and Applicable Withholding Tax

The Company does not assume any responsibility for or in respect of the tax consequences of the grant to Participants of Restricted Share Units, or payments received by Participants pursuant to this Plan. The Company or relevant Related Entity, as applicable, is authorized to deduct any Applicable Withholding Tax, in such manner (including, without limitation, by selling Shares otherwise issuable to Participants, on such terms as the Company determines) as it determines so as to ensure that it will be able to comply with the applicable provisions of any federal, provincial, state or local law relating to the withholding of tax or other required deductions, or the remittance of tax or other obligations. The Company or relevant Related Entity, as applicable, may require Participants, as a condition of receiving amounts to be paid to them under this Plan, to deliver undertakings to, or indemnities in favour of, the Company or Related Entity, as applicable, respecting the payment by such Participant's applicable income or other taxes.

To the extent required by law, the Company shall make adjustments to, and interpret, the Restricted Share Units as required by the U.S. Uniformed Services Employment and Reemployment Rights Act.

PART 5 MISCELLANEOUS

Compliance with Applicable Laws

5.1 The issuance by the Company of any Restricted Share Units and its obligation to make any payments hereunder is subject to compliance with all applicable laws. As a condition of participating in this Plan, each Participant agrees to comply with all such applicable laws and agrees to furnish to the Company all information and

undertakings as may be required to permit compliance with such applicable laws. The Company will have no obligation under this Plan, or otherwise, to grant any Restricted Share Unit or make any payment under this Plan in violation of any applicable laws.

The Company intends that the Awards and payments provided for in this Plan either be exempt from Section 409A of the Code, or be provided in a manner that complies with Section 409A of the Code, and any ambiguity herein shall be interpreted so as to be consistent with the intent of this Section 5.1. In no event whatsoever shall the Company be liable for any additional tax, interest or penalty that may be imposed on the any person by Section 409A of the Code or damages for failing to comply with Section 409A. Notwithstanding anything contained herein to the contrary, all payments under this Plan to paid or provided at the time of a termination of employment or service will be paid at a termination of employment or service that constitutes a “separation from service” from the Company within the meaning of Section 409A of the Code and the regulations and guidance promulgated thereunder (determined after applying the presumptions set forth in Treas. Reg. Section 1.409A-1(h)(1)). Further, if at the time of a Participant’s termination of employment with the Company, the Participant is a “specified employee” as defined in Section 409A of the Code as determined by the Company in accordance with Section 409A of the Code, and the deferral of the commencement of any payments or benefits otherwise payable hereunder as a result of such termination of employment is necessary in order to prevent any accelerated or additional tax under Section 409A of the Code, then the Company will defer the payment hereunder until the date that is at least six (6) months following the Participant’s termination of employment with the Company (or the earliest date permitted under Section 409A of the Code).

Non-Transferability

5.2 Restricted Share Units and all other rights, benefits or interests in this Plan are non-transferable and may not be pledged or assigned or encumbered in any way and are not subject to attachment or garnishment, except that if a Participant dies the legal representatives of the Participant will be entitled to receive the amount of any payment otherwise payable to the Participant hereunder in accordance with the provisions hereof.

No Right to Service

5.3 Neither participation in this Plan nor any action under this Plan will be construed to give any Eligible Person or Participant a right to be retained in the service or to continue in the employment of the Company or any Related Entity, or affect in any way the right of the Company or any Related Entity to terminate his or her employment at any time.

Applicable Trading Policies

5.4 The Board and each Participant will ensure that all actions taken and decisions made by the Board or the Participant, as the case may be, pursuant to this Plan comply with any applicable securities laws and policies of the Company relating to insider trading or “blackout” periods.

Successors and Assigns

5.5 This Plan will enure to the benefit of and be binding upon the respective legal representatives of the Eligible Person or Participants.

Plan Amendment

5.6 The Board may amend this Plan as it deems necessary or appropriate, subject to the requirements of applicable laws, but no amendment will, without the consent of any Eligible Person or unless required by law (or for compliance with applicable corporate, securities or tax law requirements or related industry practice), adversely affect the rights of an Eligible Person or Participant with respect to Restricted Share Units to which the Eligible Person or Participant is then entitled under this Plan.

Plan Termination

5.7 The Board may terminate this Plan at any time, but no termination will, without the consent of the Participant or unless required by law, adversely affect the rights of a Participant respect to Restricted Share Units to which the Participant is then entitled under this Plan. In no event will a termination of this Plan accelerate the vesting of Restricted Share Units or the time at which a Participant would otherwise be entitled to receive any payment in respect of Restricted Share Units hereunder.

Governing Law

5.8 This Plan and all matters to which reference is made in this Plan will be governed by and construed in accordance with the laws of Ontario and the federal laws of Canada applicable therein.

Reorganization of the Company

5.9 The existence of this Plan or Restricted Share Units will not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or to create or issue any bonds, debentures, Shares or other securities of the Company or to amend or modify the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company, or any amalgamation, combination, merger or consolidation involving the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

No Shareholder Rights

5.10 Restricted Share Units are not considered to be Shares or securities of the Company, and a Participant who is granted Restricted Share Units will not, as such, be entitled to receive notice of or to attend any shareholders' meeting of the Company, nor entitled to exercise voting rights or any other rights attaching to the ownership of Shares or other securities of the Company, and will not be considered the owner of Shares by virtue of such issuance of Restricted Share Units.

No Other Benefit

5.11 No amount will be paid to, or in respect of, an Eligible Person under this Plan to compensate for a downward fluctuation in the fair market value or price of a Share, nor will any other form of benefit be conferred upon, or in respect of, an Eligible Person for such purpose.

Unfunded Plan

5.12 For greater certainty, the crediting of any Award to the notional accounts set out in this Plan for any Participant does not confer any entitlement, benefits, or any rights of a similar nature or otherwise, aside from the rights expressly set out in this Plan, and this Plan will be an unfunded plan, including for tax purposes and for purposes of the *Employee Retirement Income Security Act* (United States). Any Participant to which Restricted Share Units are credited to his or her account or holding Restricted Share Units or related accruals under this Plan will have the status of a general unsecured creditor of the Company with respect to any relevant rights that may arise thereunder.
