- 2.2 Article 4.1 of the Loan Agreement is deleted in its entirety and replaced with the following new Article 4.1:

*“The Loan and the Amendment Fee shall be repayable by MindBio to Blackhawk on March 31, 2024.”*

- 2.3 Article 4.3 of the Loan Agreement is deleted in its entirety and replaced with the following new Article 4.3:

*“At any time prior to the expiry of the Term, and provided an Event of Default has not occurred, MindBio shall have the option to repay all, or any portion, of the outstanding principal amount of the Loan and the Amendment Fee without penalty. While any amount remains outstanding under the Loan, Blackhawk shall have the option to convert all or any portion of the Loan into common share equity of MindBio (the “Conversion Feature”). Any common share equity of MindBio issued in satisfaction of the Conversion Feature will be issued at a deemed price equivalent to, in the event the common share equity of MindBio is publicly listed on a stock exchange, the volume-weighted average closing price of the common share equity of MindBio on the senior stock exchange in which MindBio is listed in the preceding twenty trading dates or, in the event the common share equity of MindBio is not publicly listed on a stock exchange, the most recent equity financing completed by MindBio for gross proceeds in excess of \$250,000. *In the event that Blackhawk does not give such notice upon an Event of Default, this shall in no way constitute acquiescence in, waiver of, or approval of the default, and Blackhawk shall not be precluded from subsequently giving such notice upon the continuing default or upon any further occurrence of an Event of Default.*

*Upon the occurrence of an Event of Default, MindBio agrees to pay all costs incurred by or on behalf of Blackhawk in respect of efforts to receive payment of all principal, interest, the Amendment Fee, and other amounts which may remain outstanding, including legal costs on a solicitor and own client basis.”*
