Predictmedix's Safe Entry Receives International Recognition in Major Indonesian Newspaper for its Healthcare Application

Toronto, Ontario - March 28, 2023 - Predictmedix Inc. ("Predictmedix" or the "Company") (CSE: PMED) (OTCQB: PMEDF) (FRA:3QP), a leading provider of rapid health screening solutions powered by proprietary artificial intelligence (AI), is thrilled to announce that it's AI-powered technology, powering the Safe Entry Station, was Featured in a major Indonesian newspaper published on March 27, highlighting the validation on over 2,000 individuals and confirming the effectiveness of the technology as well as the potential it has for Healthcare.

Safe Entry is a comprehensive and global risk management solution that utilizes a fully patented system to rapidly and autonomously screen for individuals' key vitals. The Company's technology is a non-invasive, contactless solution that uses AI-powered technology to assess multiple symptoms and indicators, including temperature, heart rate, and respiratory rate, to quickly identify potential health risks.

The University of Raharja conducted testing and validation on over 2,000 individuals using Safe Entry and now working with the Government to identify solutions for the healthcare sector while working towards the approval of Safe Entry as a medical device in Indonesia.

"We are incredibly honoured to receive international recognition along with an independent third-party news article for our Safe Entry solution in Indonesia, a country where our technology is uniquely positioned to make a significant impact. We have had 400 more individuals screened by our technology since our last announcement of 1600 individuals participating in third-party tech validation in Indonesia. With a staggering 2,500 hospitals across the country, there is an urgent need for a comprehensive risk management solution like Safe Entry in every triage and hospital. We are proud to be collaborating with the prestigious University of Raharja and the Indonesian government to bring Safe Entry to the forefront of healthcare innovation in Indonesia," commented Dr. Rahul Kushwah, COO at Predictmedix.
