

# Predictmedix Launches Comprehensive Triage Solution Revolutionizing Healthcare Assessments in Key Hospitals

Toronto, Ontario - May 10, 2023 - Predictmedix Inc. ("Predictmedix" or the "Company") (CSE: PMED) (OTCQB: PMEDF) (FRA:3QP), a leading provider of rapid health screening solutions powered by proprietary artificial intelligence (AI), is proud to announce the launch of its ground-breaking complete triage solution. Predictmedix's cutting-edge system encompasses a wide range of parameters, providing an unparalleled level of accuracy and efficiency in healthcare assessments.

Predictmedix's Triage Solution incorporates the measurement and analysis of the following vital parameters: temperature, eye redness, heart rate, respiration rate, fatigue, weight, height, BMI, BMR, blood pressure, heart rate variability, skeletal muscle, resting metabolism, visceral fat, body fat percentage, bone mass, and alcohol impairment. By gathering and analyzing this extensive data, healthcare professionals gain valuable insights into a patient's overall health and can make well-informed decisions regarding their care.

Recognizing the urgent need for efficient triage solutions, Predictmedix has initiated deployments of its comprehensive system in major hospitals, where the number of patients coming in a day often exceeds 1000. The company's triage solution has been seamlessly integrated into certain hospitals' existing healthcare infrastructure, ensuring a smooth transition and minimal disruption.

Since its deployment, Predictmedix's Triage Solution has received an overwhelmingly positive response from patients, doctors, and healthcare professionals. Its accuracy, efficiency, and ability to streamline the triage process have is proving to save valuable time and resources. Patients have expressed their satisfaction with the speed and thoroughness of the assessments, while doctors and healthcare professionals have praised the system for its effectiveness and potential to enhance patient care.

"We are witnessing a remarkable response following the launch of the Predictmedix Triage Solution. The overwhelming acceptance and positive feedback we have received validate the effectiveness of our advanced healthcare technology. This successful introduction serves as a precursor to our larger vision of implementing our triage solution in hospitals worldwide. Our

aim is to elevate patient care and outcomes on a global scale, as we endeavor to revolutionize healthcare delivery across borders," commented Dr. Rahul Kushwah, COO of Predictmedix.

### **About Predictmedix Inc.**

Predictmedix (CSE: PMED) (OTCQB: PMEDF) (FRA:3QP) is an emerging provider of rapid health screening and remote patient care solutions globally. The Company's Safe Entry Stations – powered by a proprietary artificial intelligence (AI) – use multispectral cameras to analyze physiological data patterns and predict a variety of health issues including infectious diseases such as COVID-19, impairment by drugs or alcohol, fatigue or various mental illnesses. Predictmedix's proprietary remote patient care platform empowers medical professionals with a suite of AI-powered tools to improve patient health outcomes.
