

Predictmedix AI Executives Departing This Weekend for Strategic Collaborations in India

Toronto, Ontario – September 20, 2023– Predictmedix AI Inc. (CSE: PMED) (OTCQB: PMEDF) (FRA:3QP) (the “Company” or “Predictmedix”) today announced that visas have been granted for a strategic visit to India. The primary purpose of the company’s executives’ visit is to engage with institutional partners and government officials in India, with a keen focus on ensuring seamless integration and scalable deployment of Predictmedix's cutting-edge contactless AI solutions. This strategic move underscores the company's commitment to revolutionizing healthcare and enhancing various industry sectors through the power of AI.

India, with its dynamic and rapidly evolving market, offers a unique opportunity for Predictmedix AI to make a significant impact. By collaborating with local partners and government authorities, we aim to usher in a future where AI-driven technologies enhance efficiency, safety, and the overall well-being of the nation.

“Our visit to India holds immense importance for us, as we look forward to collaborating with institutional partners and government officials to bring our transformative AI solutions to a wider audience. By ensuring seamless integration and scalable deployment, we aim to make a significant positive impact on healthcare and various other sectors in India. We believe that this collaboration will pave the way for a future where AI-driven technologies enhance efficiency, safety, and the overall well-being of the nation,” commented Dr. Rahul Kushwah, COO of Predictmedix AI.

About Predictmedix AI Inc.

Predictmedix AI Inc. (CSE: PMED) (OTCQB: PMEDF) (FRA:3QP) is an emerging provider of rapid health screening and remote patient care solutions globally. The Company’s Safe Entry Stations – powered by a proprietary artificial intelligence (AI) – use multispectral cameras to analyze physiological data patterns and predict a variety of health issues including infectious diseases such as COVID-19, impairment by drugs or alcohol, fatigue, or various mental illnesses. Predictmedix AI’s proprietary remote patient care platform empowers medical professionals with a suite of AI-powered tools to improve patient health outcomes. To learn
