JAGERCOR ENERGY CORP. ANNOUNCES
THIRD TRANCHE CLOSING OF \$503,772

Vancouver, British Columbia, November 24, 2014 – Jagercor Energy Corp. (CSE: JEM) (“Jagercor” or the “Company”) is pleased to announce the closing of the third tranche of its previously announced non-brokered private placement of up to \$2,000,000 (the “Private Placement”). Total gross proceeds of \$503,772 were raised in the third tranche from the sale of 8,396,192 units (“Units”) at a price of \$0.06 per Unit. Each Unit is comprised of one common share of Jagercor and one-half of one common share purchase warrant (each whole warrant, a “Warrant”). Each Warrant is exercisable to acquire one additional common share of Jagercor at any time for a two year period following issuance, at an exercise price of \$0.12 per common share.

Subscribers under the third tranche closing included a large, prominent Boston based institutional investor, other accredited investors and friends, family and business associates of the Company. All securities issued under the third tranche closing will be subject to a four month hold period until March 24, 2015, pursuant to applicable securities laws.

The Company intends to allocate the net proceeds raised from the Private Placement, including the net proceeds from the third tranche closing, as follows: (1) approximately CDN\$1,500,000 to pay the remaining balance due to Central International Corporation Sucursal Argentina (“Central”) under a previously announced Development Agreement entered into by the Company with Central to fund the drilling of three wells at Catriel Oeste Oil Concession, located in Rio Negro Province, Argentina; and (2) the balance for general working capital purposes.

Although the Company intends to use the proceeds of the Private Placement as described above, the actual allocation of net proceeds may vary from the uses set forth above, depending on future operations or unforeseen events or opportunities. If the Private Placement is not fully subscribed, the Company will apply the proceeds to the above uses in priority and in such proportions as the Board of Directors and management of Jagercor determine is in the best interests of the Company.

Edgardo Russo, CEO of Jagercor stated, "We are pleased to announce the close of the third tranche of our private placement. This last tranche proved to be a success as we were able to continue broadening our investor base, adding a combination of large US institutional investors and individuals, creating new business relationships that will be fruitful for our immediate future."
