INFORMATION CIRCULAR as of November 2, 2015 (unless otherwise noted)

MANAGEMENT SOLICITATION OF PROXIES

This Information Circular is furnished to you in connection with the solicitation of proxies by management of Jagercor Energy Corp. (“we”, “us” or the “Company”) for use at the Annual General and Special Meeting (the “Meeting”) of shareholders of the Company to be held on Tuesday, December 8, 2015, at 11:00 a.m. Pacific Standard Time at the Company’s registered and records office located at 700-595 Burrard Street, Vancouver, B.C., and at any adjournment of the Meeting. The Company will conduct its solicitation by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or other personal contact. We will not specifically engage employees or soliciting agents to solicit proxies. We do not reimburse shareholders, nominees or agents (including brokers holding shares on behalf of clients) for their costs of obtaining authorization from their principals to sign forms of proxy. We will pay the expenses of the Company for this solicitation.

APPOINTMENT OF PROXY HOLDER

The persons named as **proxy holders** in the enclosed form of proxy are the Company’s directors or officers. **As a shareholder, you have the right to appoint a person (who need not be a shareholder) in place of the persons named in the form of proxy to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the form of proxy and strike out the other names or complete and deliver another appropriate form of proxy.**

A proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

VOTING BY PROXY

The persons named in the accompanying form of proxy will vote or withhold from voting the shares represented by the proxy in accordance with your instructions, provided your instructions are clear. If you have specified a choice on any matter to be acted on at the Meeting, your shares will be voted or withheld from voting accordingly. If you do not specify a choice or where you specify both choices for any matter to be acted on, your shares will be voted in favour of all matters.

The enclosed form of proxy gives the persons named as proxy holders discretionary authority regarding amendments or variations to matters identified in the Notice of Meeting and any other matter that may properly come before the Meeting. As of the date of this Information Circular, our management is not aware of any such amendment, variation or other matter proposed or likely to come before the Meeting. However, if any amendment, variation or other matter properly comes before the Meeting, the persons named in the form of proxy intend to vote on such other business in accordance with their judgement.

You may indicate the manner in which the persons named in the enclosed proxy are to vote on any matter by marking an “X” in the appropriate space. If you wish to give the persons named in the proxy a discretionary authority on any matter described in the proxy, then you should leave the space blank. **In that case, the proxy holders nominated by management will vote the shares represented by your proxy in accordance with their judgment.**

RETURN OF PROXY

You must deliver the completed form of proxy to the office of the Company’s registrar and transfer agent, Computershare Investor Services Inc., Proxy Dept., 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1, FACSIMILE (within North America) 1-866-249-7775 (outside North America) (416) 263-9524, by fax, hand or by mail or to the Company’s head office at the address listed on the cover page of this Information Circular, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the scheduled time of the Meeting or any adjournment.

ADVICE TO NON-REGISTERED SHAREHOLDERS

Only shareholders whose names appear on our records or validly appointed proxy holders are permitted to vote at the Meeting. Most of our shareholders are “non-registered” shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a “**Nominee**”). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as “NOBOs”. Those non-registered Holders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as “OBOs”.

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting Materials, being the Notice of Meeting, this Information Circular, and the form of proxy directly to NOBOs and to the Nominees for onward distribution to OBOs. **The Company does not intend to pay for a Nominee to deliver to OBOs, therefore an OBO will not receive the materials unless the OBO’s Nominee assumes the costs of delivery.**

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting Materials sent to non-registered holders who have not waived the right to receive Meeting Materials are accompanied by a request for voting instructions (a “**VIF**”). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIFs, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the Shares which they beneficially own. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.** Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.

REVOCAION OF PROXY

If you are a registered shareholder who has returned a proxy, you may revoke your proxy at any time before it is exercised. In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by either:

- (a) signing a proxy bearing a later date; or
- (b) signing a written notice of revocation in the same manner as the form of proxy is required to be signed as set out in the notes to the proxy.

The later proxy or the notice of revocation must be delivered to the office of the Company's registrar and transfer agent or to the Company's head office at any time up to and including the last business day before the scheduled time of the Meeting or any adjournment, or to the Chairman of the Meeting on the day of the Meeting or any adjournment.

If you are a non-registered shareholder who wishes to revoke a VIF or to revoke a waiver of your right to receive Meeting materials and to give voting instructions, you must give written instructions to your Nominee at least seven days before the Meeting.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the adoption of the Company's stock option plan, approval of which will be sought at the Meeting. Directors and executive officers of the Company may participate in the Company's stock option plan, and accordingly have an interest in its approval. See "Particulars of Matters to be Acted Upon".

The shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at seven for the next year, subject to any increases permitted by the Company's Articles.

Unless you provide other instructions, the enclosed proxy will be voted for the nominees listed below. Management does not expect that any of the nominees will be unable to serve as a director. Reliance on Exemptions in NI 52-110 regarding Audit Committee Composition & Reporting Obligations

Since the Company is a venture issuer, it relies on the exemption contained in section 6.1 of NI 52-110 from the requirements of Part 3 Composition of the Audit Committee (as described in ‘Composition of the Audit Committee’ above) and Part 5 Reporting Obligations of NI 52-110 (which requires certain prescribed disclosure about the Audit Committee in this Information Circular).

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* of the Canadian securities administrators requires the Company to annually disclose certain information regarding its corporate governance practices. Under this heading, the Company is providing the disclosure required by Form 58-101F2.

Board of Directors

The Board has responsibility for the stewardship of the Company including responsibility for strategic planning, identification of the principal risks of the Company’s business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company’s internal control and management information systems.

The Board sets long term goals and objectives for the Company and formulates the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board delegates the responsibility for managing the day-to-day affairs of the Company to senior management but retains a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Company and its business. The Board is responsible for protecting shareholders’ interests and ensuring that the incentives of the shareholders and of management are aligned.

As part of its ongoing review of business operations, the Board reviews, as frequently as required, the principal risks inherent in the Company’s business including financial risks, through periodic reports from management of such risks, and assesses the systems established to manage those risks. Directly and through the Audit Committee, the Board also assesses the integrity of internal control over financial reporting and management information systems.

In addition to those matters that must, by law, be approved by the Board, the Board is required to approve any material dispositions, acquisitions and investments outside the ordinary course of business, long-term strategy, and organizational development plans. Management of the Company is authorized to act without board approval, on all ordinary course matters relating to the Company’s business.

The Board also monitors the Company’s compliance with timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board is responsible for selecting the President and appointing senior management and for monitoring their performance.

The Board considers that the following directors are “independent” in that they are independent and free from any interest and any business or other relationship which could or could reasonably be perceived to, materially interfere with the director’s ability to act with the best interests of the Company, other than interests and relationships arising from shareholding: Matias Bullrich, Dennis Mee and John Doherty. The Board considers that Edgardo Russo, the President and CEO of the Company and Alejandro Cheriñacov are not independent because both are members of management.

Directorships

Certain of the directors are presently a director of one or more other reporting issuers (or equivalent) in a Canadian or foreign jurisdiction, as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)
Dennis Mee	Enfield Exploration Corp. (CSE: EXP)
	Petro Basin Energy Corp. (TSXV: PBA)

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business and industry and on the responsibilities of directors. Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

To comply with its legal mandate, the Board seeks to foster a culture of ethical conduct by striving to ensure the Company carries out its business in line with high business and moral standards and applicable legal and financial requirements. In that regard, the Board:

- has adopted a written Code of Conduct for its directors, officers, employees and consultants which is intend to promote honest and ethical conduct, avoid conflict of interest, protect confidential or proprietary information and comply with the applicable government laws and securities rules and regulations;
- encourages management to consult with legal and financial advisors to ensure the Company is meeting those requirements;
- is cognizant of the Company's timely disclosure obligations and reviews material disclosure documents such as financial statements, MD&A and press releases prior to their distribution;

- actively monitors the Company's compliance with the board's directives and ensures that all material transactions are thoroughly reviewed and authorized by the board before being undertaken by management.

The Board must also comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia), as well as the relevant securities regulatory instruments, to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees to fill vacancies and for the next annual meeting the shareholders. The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the

number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives and a willingness to serve.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

Compensation

The Board periodically reviews the compensation paid to directors, management and other employees based on such factors as time commitment and level of responsibility and the Company's current position as an exploration company with limited operating revenue.

The Board does not have a compensation committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

Other Board Committees

The Board of Directors has no other committees other than the Audit Committee.

Assessments

The Board of Directors conducts periodic assessments of its members including individual assessments to determine if the board and the individual directors are performing efficiently. Based on the Company's size, stage of development and the limited number of individuals on the Board of Directors, the Board considers a formal assessment process to be unnecessary at this time. As the activities of the Company develop, it will consider the establishment of more formal evaluation procedures, including more quantitative measures of performance.

PARTICULARS OF MATTERS TO BE ACTED ON

Shareholder Approval of Stock Option Plan

The only equity compensation plan which the Company currently has in place is the 2014 plan (the "**2014 Plan**") which was previously approved by shareholders on October 21, 2014. The 2014 Plan was established to provide incentive to employees, officers, directors and consultants who provide services to the Company. The Company seeks shareholder approval of its stock option plan for both shareholder engagement and also to ensure appropriate securities law exemptions are available for the grant of options.

Management seeks shareholder approval for renewal of the 2014 Plan, as the Company's 2015 plan (the "**2015 Plan**"). The intention of management in proposing the 2015 Plan is to increase the proprietary interest of employees, officers, directors and consultants in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company. It is proposed that under the 2015 Plan, the total number of common shares that may be reserved for issuance will be 30% of the issued and outstanding common shares of the Company at the time of grant, less any common shares reserved for issuance pursuant to the grant of stock options under any other share compensation arrangements. The 2015 Plan complies with the current policies of the CSE.

Terms of the 2015 Plan

A full copy of the 2015 Plan will be available at the Meeting for review by shareholders. Shareholders may also obtain copies of the 2015 Plan from the Company prior to the Meeting on written request. The following is a summary of the material terms of 2015 Plan:

1. The options are non-assignable and non-transferable (except that the Optionee's heirs or administrators can exercise any portion of the outstanding option, up to one year from the Optionee's death).
2. The number of shares subject to each option is determined by the Board of Directors provided that the 2015 Plan, together with all other previously established or proposed share compensation arrangements may not, during any 12 month period, result in:
 - (a) the number of options granted to any one Person exceeding 10% of the issued shares of the Company; or
 - (b) the number of options granted to any one Consultant exceeding 10% of the issued shares of the Company; or

- (c) the number of options granted to all Persons retained to provide Investor Relations Activities of a number shares exceeding 5% of the issued shares of the Company.
- 3. The exercise price of an option may not be set at less than the greater of the closing market price of the underlying securities on (a) the trading day prior to the date of grant of the stock options; and (b) the date of grant of the stock options.
- 4. The options may be exercisable for a period of up to 5 years.
- 5. For stock options granted to Employees, Consultants or Management Company Employees, the Company and the Optionee are responsible for ensuring and confirming that the Optionee is a bona fide Employee, Consultant or Management Company Employee, as the case may be.
- 6. Any options granted to any Optionee who is a Director, Employee, Consultant or Management Company Employee must expire within 90 days following the date the Optionee ceases to be in that role (or 30 days in the case of a person engaged in Investor Relations Activities).

Disinterested shareholders will be asked to pass the following ordinary resolution (the “**Stock Option Plan Resolution**”), approving the Company’s 2015 Plan:

“IT IS RESOLVED, AS AN ORDINARY RESOLUTION OF DISINTERESTED SHAREHOLDERS THAT:

- 1. The Company adopt a 2015 Stock Option Plan (the “**Plan**”), including the reserving for issuance under the Plan at any time of a maximum of 30% of the issued common shares of the Company;
- 2. The Board of Directors be authorized on behalf of the Company to make any further amendments to the Plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the Plan;
- 3. The Company file the Plan with the Canadian Securities Exchange for acceptance, if required; and
- 4. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution.”

Recommendation of the Company’s Directors

The directors have reviewed and considered all facts respecting the approval of the 2015 Plan. The Company’s directors unanimously recommend that the shareholders vote in favour of ratifying and approving the 2015 Plan.

An ordinary resolution requires the approval of a simple majority (50% + one vote) of the votes cast at the Meeting, in person or by proxy. In order to be effected as a “disinterested” resolution, the Stock Option Plan Resolution must be approved by a simple majority of the votes cast by disinterested shareholders. The Company estimates that a total of 14,995,318 common shares of the Company held by the directors and officers of the Company (and their associates) will be excluded from voting on the Stock Option Plan Resolution.

Unless otherwise instructed, the proxies solicited by management will be voted for the approval of the 2015 Plan.
