VICTORY RESOURCES CORP. ANNOUNCES STOCK OPTION GRANT

VANCOUVER, BC, CANADA (March 20th, 2018) – Victory Resources Corp. (TSX-V: VR) ("Victory" or the "Company") is pleased to announce that pursuant to the Company's stock option plan, it has granted incentive stock options to its directors, officers, employees and consultants to purchase an aggregate of 1,230,000 common shares with an exercise price of \$0.285 per share for up to five (5) years.

About the Company

Victory is a mineral exploration company focused on creating value through the exploration and development of its British Columbia and Ontario mineral properties.

Corporate Responsibility

Victory Resources Corporation is committed to enhancing the quality of life for communities which are impacted by our mining activities. We uphold our values through policies and environmental programs that foster employee commitment to sustainable development. We encourage respect for neighboring communities, host governments and the general population. In keeping with our commitment to promote the development of the communities neighboring our properties, our recruitment initiatives focus on hiring local employees. Supported by our corporate values, we strive to create a positive work environment, a pillar for the success of our company.

On behalf of The Board of Directors of Victory Resources Corporation.

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy, use of proceeds, corporate vision, proposed acquisitions, partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.
