

Prominex Resource Announces Partial Revocation Order and Proposed Private Placement

Toronto, Ontario--(Newsfile Corp. - May 14, 2019) - Prominex Resource Corp. (TSXV: PXR) ("**Prominex**" or the "**Company**") is pleased to announce that it intends to complete a non-brokered private placement of up to 290,000,000 common shares in the capital of the Company ("**Common Shares**") at a price of \$0.0005 per Common Share, for aggregate gross proceeds of up to \$145,000 (the "**Offering**"). The Offering is proposed to be completed pursuant to a partial revocation order (the "**Partial Revocation Order**") issued by the British Columbia Securities Commission ("**BCSC**") on May 13, 2019.

The Partial Revocation Order partially revoked a cease trade order that was issued by the Executive Director of the BCSC against the Company on September 10, 2015 (the "**Cease Trade Order**"). The Cease Trade Order was issued against the Company as a result of the Company's failure to file certain continuous disclosure documents.

The proceeds of the Offering will be applied towards, among other things, the following (i) accounting, audit and legal fees associated with the preparation and filing of the relevant continuous disclosure documents; (ii) filing fees associated with obtaining the partial revocation order and the full revocation order; (iii) legacy accounts payable; and (iv) working capital and general and administrative expenses. Completion of the Offering will allow the Company to prepare and file all outstanding continuous disclosure documents with the applicable regulatory authorities. Once those filings have been completed, the Company expects to apply for a full revocation of the Cease Trade Order.

Each potential investor in the Offering will receive a copy of the Cease Trade Order and the Partial Revocation Order, and will be required to provide an acknowledgement to the Company that all of the Company's securities, including the Common Shares issued in connection with the Offering, will remain subject to the Cease Trade Order until the Cease Trade Order is fully revoked, and that the granting of the Partial Revocation Order does not guarantee the issuance of a full revocation order in the future. In accordance with applicable securities legislation, all Common Shares issued pursuant to the Offering will be subject to a hold period of four months and a day from the closing date of the Offering. Further, Common Shares issued pursuant to the Offering may not be transferred until full revocation of the Cease Trade Order, of which there is no guarantee.

About Prominex

Prominex is an exploration and development company. Prominex has been exploring primarily for zinclead-copper-silver-gold mineral deposits. Currently, Prominex is evaluating one project within a base metal rich area of central Newfoundland. The Company's only significant asset is the historic Tulks Hill project, which is situated in central Newfoundland.
