## **INFORMATION CIRCULAR**

(all information is as at September 7, 2016, unless otherwise noted)

### **PERSONS MAKING THE SOLICITATION**

**This Information Circular is furnished in connection with the solicitation of proxies being made by the management of Datinvest International Ltd. (the "Company") for use at the Annual General and Special Meeting of the Company's shareholders (the "Meeting") to be held on Wednesday, October 12, 2016 at the time and place and for the purposes set forth in the accompanying Notice of Meeting.** While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers and employees of the Company. All costs of this solicitation will be borne by the Company.

### **COMPLETION AND VOTING OF PROXIES**

Voting at the Meeting will be by a show of hands, each registered shareholder and each Proxyholder (representing a registered or non-registered shareholder) having one vote, unless a poll is required or requested, whereupon each such shareholder and Proxyholder is entitled to one vote for each share held or represented, respectively. To approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an "ordinary resolution") unless the motion requires a "special resolution" in which case a majority of 66 $\frac{2}{3}$ % of the votes cast will be required.

#### **Appointment of Proxyholders**

**A shareholder has the right to appoint a person (who need not be a shareholder) to represent the shareholder at the Meeting other than the persons named in the Proxy as Proxyholders. To exercise this right, the shareholder must insert the name of the shareholder's nominee in the space provided or complete another Proxy.**

The persons named in the accompanying Proxy as Proxyholders are our directors or officers.

A shareholder completing the enclosed Proxy may indicate the manner in which the persons named in the Proxy are to vote with respect to any matter by marking an "X" in the appropriate space. On any poll required (for the reason described above) or requested, those persons will vote or withhold from voting the shares in respect of which they are appointed in accordance with the directions, if any, given in the Proxy, provided such directions are certain.

If a shareholder wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **In such instance, the Proxyholder, if nominated by management, intends to vote the shares represented by the Proxy in favour of the motion.**

**The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting.** At the time of printing this Information Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other matters which are not now known to the management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominees.

The Proxy must be dated and signed by the shareholder or the shareholder's attorney authorized in writing. In the case of a corporation, the Proxy must be dated and duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

**The completed Proxy, together with the power of attorney or other authority, if any, under which it was signed or a notarially certified copy thereof, must be deposited with our transfer agent in accordance with the instructions and before the time set out in the Proxy. Proxies received after such time may be accepted or rejected by the Chair of the Meeting in the Chair's discretion. Non-registered shareholders that are OBOs (as defined below under "Non-registered Shareholders") must deliver their completed Proxies in accordance with the instructions given by their financial institution or other intermediary that forwarded the Proxy to them.**

### **Registered Shareholders**

Only shareholders registered as shareholders in our shareholder registry maintained by our registrar and transfer agent or duly appointed Proxyholders (except as discussed below under "Non-registered Shareholders") will be recognized to make motions or vote at the Meeting.

### **Non-registered Shareholders**

**Many Shareholders are "non-registered" shareholders because the shares of the Company they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares.** More particularly, a person is not a registered Shareholder in respect of shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESP's, TFSA's and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

There are two kinds of Non-Registered Holders: those who object to their name being made known to the issuers of securities which they own (called 'OBOs' for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called 'NOBOs' for Non-Objecting Beneficial Owners). Subject to the provision of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers* ("NI 54-101"), issuers can request and obtain a list of their NOBOs from intermediaries via their transfer agents and use the NOBO list for distribution of proxy-related materials directly to NOBOs. We are not using the notice and access provisions of NI 54-101 this year.

Under the provisions of NI 54-101, we will be directly delivering proxy-related materials to our NOBOs who have not waived the right to receive them. As a result, NOBOs can expect to receive a Voting Instruction Form ("VIF"), together with the Notice of Meeting, this Information Circular and related documents from our transfer agent, Computershare Investor Services Inc. ("Computershare"). These VIF's are to be completed and returned to Computershare in the envelope provided, or by facsimile, or voted using the telephone or internet alternatives included on the VIF. In this regard, Computershare is required to follow the voting instructions properly received from NOBOs.

Computershare will tabulate the results of the VIF's received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIF's they receive. **NOBOs should carefully follow the instructions of Computershare, including those regarding when and where to complete the VIF's that are to be returned to Computershare.**

Should a NOBO wish to vote at the Meeting in person, the NOBO must insert the names of the NOBO (or the name of the person that the NOBO wants to attend and vote on the NOBO's behalf) in the space provided on the VIF and return it to Computershare. If Computershare or the Company receives a written request that the NOBO or its nominee be appointed as proxy holder, if management is holding a proxy with respect to common shares beneficially owned by such NOBO, we will arrange, without expense to the NOBO, to appoint the NOBO or its nominee as proxy holder in respect of those common shares.

Under NI 54-101, unless corporate law does not allow it, if the NOBO or its nominee is appointed as proxy holder by the Company in this manner, the NOBO or its nominee, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. If we receive such instructions at least one business day before the deadline for submission of proxies, we are required to deposit the proxy within that deadline, in order to appoint the NOBO or its nominee as proxy holder. **If a NOBO requests that the NOBO or its nominee be appointed as proxy holder, the NOBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the NOBOs vote to be counted.**

**NOBOs that wish to change their vote must, in sufficient time in advance of the Meeting, contact Computershare to arrange to change their vote.**

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner and we (or our agent) have sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, we (and not the intermediary holding on your behalf) have assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions. We do not intend to pay the costs of intermediaries forwarding the securityholder materials to OBOs so OBOs will only receive the securityholder materials where the intermediary has assumed such costs.

In accordance with the requirements of NI 54-101, we have distributed copies of the Notice of Meeting, this Information Circular, the form of proxy and related documents (collectively, the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to OBOs. Intermediaries are required to forward the Meeting Materials to OBOs unless in the case of certain proxy-related materials the OBO has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to OBOs. With those Meeting Materials, Intermediaries or their service companies should provide OBOs of Common Shares with a “request for voting instruction form” which, when properly completed and signed by such OBO and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit OBOs of Common Shares to direct the voting of the Common Shares that they beneficially own.

Should an OBO of Common Shares wish to vote at the Meeting in person, insert the OBO’s name (or the name of the person the OBO wants to attend and vote on the OBO’s behalf) in the space provided for that purpose on the request for voting instructions form and return it to the OBO’s intermediary or send your intermediary another written request that the OBO or its nominee be appointed as proxy holder. The intermediary is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or its nominee as proxy holder in respect of the OBO’s common shares. Under NI 54-101, unless corporate law does not allow it, if the intermediary makes an appointment in this manner, the OBO or its nominee, as applicable, must be given authority to attend, vote and otherwise act for and on behalf of the intermediary (who is the registered shareholder) in respect of all matters that come before the meeting and any adjournment or postponement of the meeting. An intermediary who receives such instructions at least one business day before the deadline for submission of proxies is required to deposit the proxy within that deadline, in order to appoint the OBO or its nominee as proxy holder. **If an OBO requests that the intermediary appoint the OBO or its nominee as proxy holder, the OBO or its appointed nominee, as applicable, will need to attend the meeting in person in order for the OBOs vote to be counted.**

**OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered. Only registered Shareholders have the right to revoke a proxy. OBOs of Common Shares who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.**

Shareholders with questions respecting the voting of shares held through a stockbroker or other financial intermediary should contact that stockbroker or other intermediary for assistance.

### **REVOCATION OF PROXIES**

Shareholders have the power to revoke Proxies previously given by them. Revocation can be effected by an instrument in writing (which includes a Proxy bearing a later date) signed by a shareholder or the shareholder's attorney authorized in writing and in the case of a corporation, duly executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation, and either delivered to our registered office at Suite 409, 221 West Esplanade, North Vancouver, B.C., V7M 3J3, Canada or to Computershare Investor Services Inc., at 9<sup>th</sup> Floor, 100 University Avenue, Toronto, Canada, M5J 2Y1, or by fax at 1-866-249-7775 in Canada and the United States and 416-263-9524 outside of Canada and the US, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or deposited with the Chair of the Meeting on the day of the Meeting.

### **EXERCISE OF DISCRETION**

If the instructions in a Proxy are certain, the shares represented thereby will be voted on any poll by the persons named in the Proxy, and, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the shares represented thereby will, on a poll, be voted or withheld from voting in accordance with the specifications so made.

**Where no choice has been specified by the shareholder, such shares will, on a poll, be voted in accordance with the notes to the form of Proxy.**

The enclosed Proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the persons appointed Proxyholder thereunder to vote with respect to any amendments or variations of matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting.

### **INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

Except as disclosed herein, no Person has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors. For the purpose of this paragraph, "Person" shall include each person or company: (a) who has been a director or executive officer of the Company at any time since the commencement of the Company's last financial year; (b) who is a proposed nominee for election as a director of the Company; or (c) who is an associate or affiliate of a person or company included in subparagraphs (a) or (b).

### **RECEIPT OF DIRECTORS' REPORT AND FINANCIAL STATEMENTS**

The Directors' Report and the financial statements of the Company for the financial years ended December 31, 2014 and 2015 and accompanying auditor's report will be presented at the Meeting.

### **EXECUTIVE COMPENSATION**

The following Compensation Discussion and Analysis describes, in accordance with National Instrument 51-102 – *Statement of Executive Compensation* (“NI 51-102”), the compensation paid, payable, awarded, granted, given or otherwise provided, directly or indirectly, by the Company, or a subsidiary of the Company to each Named Executive Officer or “NEO” (as defined in NI 51 -102).

Disclosure is required to be made in relation to each Named Executive Officer, being individuals who served as the Company's Chief Executive Officer or Chief Financial Officer and each of the Company's most highly compensated executive officers or those acting in a similar capacity whose total compensation exceeded \$150,000 at the end of the most recently completed financial year.

For the purposes of this Information Circular, “executive officer” of the Company means an individual who at any time during the year was the Chair or a Vice-Chair of the Company; the President; any Vice-President in charge of a principal business unit, division or function including sales, finance or production; and any officer of the Company or of a subsidiary of the Company or any other individual who performed a policy-making function in respect of the Company. The summary compensation table below discloses compensation paid to the following individuals:

- (a) each chief executive officer (“CEO”) of the Company;
- (b) each chief financial officer (“CFO”) of the Company;
- (c) each of the Company's three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed financial year and whose total salary and bonus exceeds \$150,000 per year; and
- (d) any additional individuals for whom disclosure would have been provided under (c) except that the individual was not serving as an officer of the Company at the end of the most recently completed financial year,

(each, a “Named Executive Officer” or “NEO”).

As at December 31, 2015, the end of the most recently completed financial year of the Company, the Company had one Named Executive Officer, namely, Balraj Mann, the President, Chief Executive Officer and Chief Financial Officer of the Company.

### Compensation Discussion and Analysis

The Company's compensation policies and programs are designed to be competitive with similar companies and to recognize and reward executive performance consistent with the success of the Company. The Company does not have a compensation committee at this time and the compensation being paid to the Company's directors and officers is determined by the Board of Directors.

As the Company is a junior company and trading on the NEX board of the TSX Venture Exchange (the "Exchange"), its resources and capital are limited and as such, compensation of the Company's executive officers is comprised solely of stock options granted to purchase Common Shares under the Company's Stock Option Plan. Stock options are issued to provide an incentive to participate in the long-term development of the Company and to increase Shareholder value. Executive officers and directors are not paid a salary and are reimbursed for rent or expenses incurred in carrying out the business of the Company.

### **Summary Compensation Table**

For each NEO in the most recently completed financial year, the following table is a summary of the compensation paid in each of the Company's three most recently completely fiscal years.

The Company is currently listed on the NEX, a separate board of the TSX Venture Exchange for listed companies that fall below ongoing listing standards and as such, it has limited resources and capital. The Company does not have any contracts or employment agreements in place with any of its directors or officers.

### Incentive Plan Awards

Stock options are issued to provide an incentive to participate in the long-term development of the Company and to increase Shareholder value. The Company has a stock option plan (the “Stock Option Plan”) in place for the granting of incentive stock options to the officers, employees and Directors. The purpose of granting options is to assist the Company in compensating, attracting, retaining and motivating the Directors of the Company and to closely align the personal interests of such persons to that of the shareholders. The policies of the NEX board of the TSX Venture Exchange (the "Exchange") do not require a listed company to adopt an incentive stock option plan however the Company proposes to re-approve its "rolling" stock option plan (the "2014 Plan") for insiders, employees, and other service providers to the Company which was approved by the Company's shareholders on July 21, 2014.

The 2014 Plan reserves 10% of the issued and outstanding common shares of the Company for incentive stock option grants under the plan to qualifying persons. In addition, the 2014 Plan limits the number of stock options which may be granted to any one individual to not more than 5% of the total issued shares of the Company in any 12 month period. The persons named in the accompanying form of proxy intend to vote FOR the resolution, unless otherwise instructed on a properly executed and validly deposited proxy.**

### **5. Amendment to Articles**

At the Meeting, shareholders will be asked to consider a special resolution to approve an amendment to the Company's Articles (the "Amendment"). Management of the Company believes it to be in the best interests of the Company to give the Board of Directors the authority to consolidate or subdivide the Company's unissued, or fully paid issued shares at the discretion of the Board and therefore proposes that the Articles of the Company be altered.

A complete copy of the proposed amended Articles, including all deletions and additions, will be available for review at the Meeting.

At the Meeting, or any adjournment thereof, Shareholders will be asked to consider and, if though fit, pass, with or without variation, the following special resolution approving the altering of the Company's Articles in the manner set forth in Schedule "C" to this Information Circular.

**The Board recommends that shareholders vote FOR the Amendment. The persons named in the accompanying form of proxy intend to vote FOR the resolution, unless otherwise instructed on a properly executed and validly deposited proxy.**

**Other Matters to Be Acted Upon**

As of the date of this Information Circular, management knows of no matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **Mandate:** The primary function of the audit committee (the "Committee") is to assist the Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. The Committee's primary duties and responsibilities are to serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements, review and appraise the performance of the Company's external auditor; and provide an open avenue of communication among the Company's auditor, financial and senior management and the Board of Directors.

If the Company ceases to be a "venture issuer" (as that term is defined in NI 52-110), then all of the members of the Committee shall be free from any material relationship with the Company that, in the opinion of the Board of Directors, would interfere with the exercise of their independent judgment as a member of the Committee.
