

Glenbriar Technologies announces relocation of Calgary office

CALGARY, AB – August 2, 2011 — **Glenbriar Technologies Inc.** (CNSX: GTI) announced today the relocation of its Calgary head office to Suite 1100, 736 – 8 Avenue SW, Calgary, Alberta effective August 2, 2011.

The new location is the penthouse floor of the Petro Fina Building, an 11 storey Heritage style office building at 8th Avenue and 7th Street SW in downtown Calgary, with two way access to Calgary's elevated "Plus 15" pedestrian network and convenient connections to the C-Train, Calgary's light rail transit. The building has been recently renovated and updated to modernize the infrastructure and bring out the unique art deco elements of its original design, and includes fitness and conference facilities for tenants.

The move to larger, more interesting office space reflects Glenbriar's expanding and growing business demand as it increases its focus on the enterprise space. The new location is being built out to Glenbriar's specifications, and includes a private balcony, enhanced server room and stylish décor. Glenbriar will be operating out of Suite 1040 pending completion of renovations.

About Glenbriar

Glenbriar Technologies Inc. (CNSX:GTI) has been a leading provider of Enterprise IT Managed Services, Software and Telephony solutions to some of Canada's largest manufacturing and distribution companies for over 20 years. From its offices in Calgary, Vancouver and Waterloo, Glenbriar's staff of IT professionals manage and support the IT needs of over 250 companies. From its early roots in developing and supporting ERP systems, Glenbriar has branched out to support all things technical under a client's roof, from complete infrastructure and business applications to telephony solutions. See www.glenbriar.com for more details.
