### **Uniserve to Sell Glenbriar Shares**

**VANCOUVER, BC, March 1, 2018** – Uniserve Communications Corporation (“Uniserve”) announces that it has entered into agreements to sell all of its 112,366,804 common shares of Glenbriar Technologies Inc. (“Glenbriar”) (representing approximately 86% of Glenbriar’s outstanding common shares), to several arm’s length purchasers, for cash consideration in a private, off-market transaction. The transaction is expected to close on or before March 9, 2018.

Mr. Walter Schultz will be stepping down from the board of Glenbriar after the closing of the sale. Uniserve intends to rely on the “sale from a control block” or “accredited investor” exemption to complete the sales.

Uniserve’s decision to sell their shares of Glenbriar was based on the now completed reorganization of the company, its shift in the core business, and its plan to focus on new business opportunities.

#### **About Uniserve**

Uniserve (TSX- USS.V) is a unified communications company delivering integrated voice, data and media services to over 13,000 customers within the residential, business-to-business and enterprise IT markets, currently focusing on Western Canada.

The Company has been in existence for almost 30 years and has a client base across three sectors selling directly and through the wholesale channel.

Recently, the Uniserve board hired Nicholas Jeffery as the new CEO, who has a wealth of internet service provider and managed service company experience.

Uniserve prides itself on delivering world class customer services. It believes that when all else is equal you can trust the company to offer highly competitive pricing and cutting-edge technology bundles, all underpinned by an exemplary customer service team based in Canada.

This news release was prepared on behalf of the Board of Directors, which accepts full responsibility for its contents.
