Forward Looking Statements

This MD&A may contain forward-looking statements. These forward-looking statements do not guarantee future events or performance and should not be relied upon. Actual outcomes may differ materially due to any number of factors and uncertainties, many of which are beyond Glenbriar's control. Some of these risks and uncertainties may be described in Glenbriar's corporate filings (posted at www.sedar.com). Glenbriar has no intention or obligation to update or revise any forward looking statements due to new information or events, except as required by securities legislation.

**Risk Factors**

Glenbriar filed a statement of claim in Alberta Court of Queen's Bench in September 2015 against IT service providers and former senior managers and employees for breach of contract, fiduciary and various common law duties in connection with certain activities in 2014 and 2015. As of December 31, 2016, Glenbriar had settled the claim with eight individual defendants. In January 2018, Glenbriar settled with the final defendant.

Critical Accounting Estimates

IFRS requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting periods presented. Significant estimates include the assessment of recoverability of carrying values of Glenbriar's accounts receivable, software and other capital assets. Actual results will differ from the estimates.

Related Party Transactions

There are no related party transactions.
