GLENBRIAR TECHNOLOGIES INC. ANNOUNCES CHANGES TO ITS BOARD OF DIRECTORS

VANCOUVER, BC, CANADA (December 11th, 2019) – Glenbriar Technologies Inc. (“Glenbriar” or the “Company”) (CSE: GTI.X) announces the appointment of Mr. Charlie Lamb to its Board of Directors, and the resignation of Mr. Yahoel Van Essen from the Board.

“The Company recognizes Mr. Van Essen’s commitment to building Eleos Robotics at this time and is thankful for his contributions as a Director, concurrently, we are excited to welcome Charlie Lamb and his skillset to the Board as we advance our plans,” said Mr. Doug Taylor, President of Glenbriar.

Charlie has over 10 years of experience working as a Canadian corporate and securities lawyer at a large international law firm in New York. With extensive cross-border corporate and securities law experience, Charlie has worked on numerous corporate transactions, including mergers and acquisitions, public and private offerings of securities for investment funds, private equity funds and other alternative investment vehicles in the Canadian markets. He also has significant experience advising broker dealers, advisers and investment fund managers on Canadian compliance.

About Glenbriar Technologies Inc.

Company Description: In November 2017 Glenbriar Technologies Inc. (CSE: GTI.X) sold its IT business to Uniserve Communications Corporation (TSX-V: USS), and is currently in an agreement to acquire Eleos Robotics subject to financing and product development milestones.

Forward Looking Statements

Certain information set forth in this news release may contain forward-looking statements that involve substantial known and unknown risks and uncertainties. All statements other than statements of historical fact are forward-looking statements, including, without limitation, statements regarding future financial position, business strategy,

Glenbriar Technologies Inc. Suite 734, 1055 Dunsmuir Street, Vancouver, BC, V7X 1B1

use of proceeds, corporate vision, proposed acquisitions,

partnerships, joint-ventures and strategic alliances and co-operations, budgets, cost and plans and objectives of or involving the Company. Such forward-looking information reflects management's current beliefs and is based on information currently available to management. Often, but not always, forward-looking statements can be identified by the use of words such as "plans", "expects", "is expected", "budget", "scheduled", "estimates", "forecasts", "predicts", "intends", "targets", "aims", "anticipates" or "believes" or variations (including negative variations) of such words and phrases or may be identified by statements to the effect that certain actions "may", "could", "should", "would", "might" or "will" be taken, occur or be achieved. A number of known and unknown risks, uncertainties and other factors may cause the actual results or performance to materially differ from any future results or performance expressed or implied by the forward-looking information. These forward-looking statements are subject to numerous risks and uncertainties, certain of which are beyond the control of the Company including, but not limited to, the impact of general economic conditions, industry conditions and dependence upon regulatory approvals. Readers are cautioned that the assumptions used in the preparation of such information, although considered reasonable at the time of preparation, may prove to be imprecise and, as such, undue reliance should not be placed on forward-looking statements. The Company does not assume any obligation to update or revise its forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by securities laws.

Neither the Canadian Securities Exchange nor its Regulation Service Provider (as that term is defined in the policies of the Canadian Securities Exchange) accepts responsibility for the adequacy or accuracy of this release.
