### **MANAGEMENT INFORMATION CIRCULAR**

(Containing information as at May 17, 2013 unless indicated otherwise)

### **SOLICITATION OF PROXIES**

This Information Circular is furnished in connection with the solicitation of proxies by the management of **Remstar Resources Ltd.** (the “Company”) for use at the Annual General Meeting of Shareholders of the Company (and any adjournment thereof) to be held at 10:00 a.m. (Vancouver time) on Wednesday, June 26, 2013 (the “Meeting”) at the place and for the purposes set forth in the accompanying Notice of Meeting. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the regular employees of the Company at nominal cost. All costs of solicitation by management will be borne by the Company. Advance notice of the Meeting was filed on SEDAR on April 23, 2013.

The contents and the sending of this Information Circular have been approved by the directors of the Company.

### **APPOINTMENT AND REVOCATION OF PROXIES**

The individuals named in the accompanying form of Proxy are directors or officers of the Company. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAME OF THE PERSON NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed form of proxy is received by Computershare Investor Services Inc., Proxy Dept. 100 University Avenue, 9<sup>th</sup> Floor, Toronto, Ontario M5J 2Y1, on or before 10:00 a.m. (Vancouver time) on Monday, June 24, 2013, being 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the meeting or, with respect to any matters occurring after the reconvening of any adjournment of the Meeting, not less than forty-eight (48) hours prior to the time of recommencement of such adjourned meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the Company, at Suite 507 – 700 West Pender Street, Vancouver, British Columbia, Canada V6C 1G8, at any time up to and including the last business day preceding the day of the Meeting or any adjournment of it or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. **Only registered shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the proxy on their behalf.**

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

### **VOTING OF PROXIES**

The shares represented by a properly executed proxy in favour of persons designated as proxyholders in the enclosed form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be called for; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specification made in such proxy.

ON A POLL, SUCH SHARES WILL BE VOTED IN FAVOUR OF EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED OR WHERE BOTH CHOICES HAVE BEEN SPECIFIED BY THE SHAREHOLDER.

The enclosed form of proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxy thereunder to vote with respect to amendments or variations of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the meeting. In the event that amendments or variations to matters identified in the Notice of Meeting are properly brought before the meeting or any further or other business is properly brought before the meeting, it is the intention of the persons designated in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Information Circular, the management of the Company knows of no such amendment, variation or other matter that may be presented to the meeting.

#### **VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

Authorized Capital: An unlimited number of common shares without par value  
Issued and Outstanding: 48,854,999 common shares without par value

Only shareholders of record at the close of business on May 17, 2013 (the "Record Date"), who either personally attend the meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their shares voted at the meeting.

On a show of hands, every individual who is present as a shareholder or as a duly appointed representative of one or more registered corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a valid proxy, and every person who is a duly appointed representative of one or more corporate shareholders, will have one vote for each common share registered in the name of the shareholder on the list of shareholders, which is available for inspection during normal business hours at Computershare Investor Services Inc. and will be available at the meeting. Shareholders represented by proxyholders are not entitled to vote on a show of hands.

To the knowledge of the directors and senior officers of the Company, there are no persons or companies who beneficially own, directly or indirectly or exercise control or direction over shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

#### **ADVICE TO BENEFICIAL SHAREHOLDERS**

**Only registered shareholders or proxyholders duly appointed by registered shareholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the names of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their shares in their own name (referred to herein as "Beneficial Shareholders") should note that only registered shareholders are entitled to vote at the Meeting.** If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in such shareholder's name on the records of the Company. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are

registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms). Common shares held by brokers (or their agents or nominees) on behalf of a broker's client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the brokers' clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders. However, its purpose is limited to instructing the registered shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge"). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote common shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of common shares must be communicated to Broadridge) well in advance of the Meeting in order to have the common shares voted.**

This Information Circular and accompanying materials are being sent to both registered shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own ("Objecting Beneficial Owners", or "OBO's") and those who do not object to their identity being made known to the issuers of the securities they own ("Non-Objecting Beneficial Owners", or "NOBO's"). Subject to the provision of National Instrument 54-101 – Communication with Beneficial Owners of Securities of Reporting Issuers ("NI 54-101") issuers may request and obtain a list of their NOBO's from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of common shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the common shares on your behalf.

Beneficial Shareholders who are OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered shareholder and vote the common shares in that capacity. **Beneficial shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should enter their own names in the blank space on the proxy or voting instruction card provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to shareholders in this Information Circular and the accompanying form of Proxy and Notice of Meeting are to shareholders of record unless specifically stated otherwise.

**ELECTION OF DIRECTORS**

The Board of Directors presently consists of four directors and the directors have, by resolution, fixed the number of directors of the Company at three. Accordingly, it is intended to elect three directors for the ensuing year.

The term of office of each of the present directors expires at the Meeting. The persons named below will be presented for election at the meeting as management's nominees and the persons named in the accompanying form of proxy intend to vote for the election of these nominees. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next Annual General meeting of the Company or until his successor is elected or appointed, unless his office is earlier vacated in accordance with the Articles of the Company, or with the provisions of the *Business Corporations Act* (British Columbia).

In the following table and notes thereto is stated the name of each person proposed to be nominated by management for election as a director, the country in which he is ordinarily resident, all offices of the Company now held by him, his principal occupation or employment during the past five years if such nominee is not presently an elected director, the period of time for which he has been a director of the Company, and the number of common shares of the Company beneficially owned by him, directly or indirectly, or over which he exercises control or direction, as at the date hereof.

**AUDIT COMMITTEE**

Under National Instrument 52-110 – Audit Committees (“NI 52-110”), companies are required to provide certain disclosure with respect to their audit committee, including the text of the audit committee’s charter, the composition of the audit committee and the fees paid to the external auditor. This information with respect to the Company is provided in Schedule “A”.

**STATEMENT OF EXECUTIVE COMPENSATION**

The Company is required to disclose the compensation of each of its Named Executive Officers for each of the Company’s three most recently completed financial years. “Named Executive Officers” means (i) each individual who served as Chief Executive Officer (“CEO”) and the Chief Financial Officer (“CFO”) of the Company (or acted in a similar capacity) during the most recently completed financial year, regardless of the amount of compensation of such individual, (ii) each of the Company’s three most highly compensated executive officers or the three most highly compensated individuals acting in a similar capacity, other than the CEO and CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000, as determined in accordance with subsection 1.3(6) of Form 51-102F6 Statement of Executive Compensation; and (iii) any additional individuals who would have been included under (ii) except that the individual was not serving as an executive officer of the Company, nor acting in a similar capacity for that financial year.

During the fiscal year ended July 31, 2012, the Company had two Named Executive Officers, namely, Marc Levy, President and CEO, since April 16, 2008 and Nilda Rivera, CFO, since June 23, 2010.

**Compensation Discussion and Analysis**

The Company's executive compensation program is comprised of base salary, annual cash bonuses, indirect compensation (benefits) and long-term incentives in the form of stock options. The Company’s executive compensation practices are designed to attract and retain talented personnel capable of achieving the Company’s objectives. The Company also utilizes compensation programs to motivate and reward the Company’s executives

for the ultimate achievement of the Company's goals. The Company makes use of complementary short-term and long-term incentive programs intended to provide fair, competitive and motivational rewards in the short-term while ensuring that executive's long-term objectives remain aligned with those of the shareholders.

The base salaries for all executives are paid within salary ranges established for each position based on scope and level of responsibility. Individual salaries within the range are determined by that executive's competence, skill level, and experience and market influences. Annual cash bonuses may be given based on subjective criteria, including the Company's ability to pay such bonuses, individual performance, the executive's contributions to achieving the Company's objectives, and other competitive considerations.

#### Option-Based Awards

Stock options are granted pursuant to the Company's Stock Option Plan (the "Plan") to provide an incentive to the directors, officers, employees and consultants of the Company to achieve the longer-term objectives of the Company; to give suitable recognition to the ability and industry of such persons who contribute materially to the success of the Company; and to attract and retain persons of experience and ability, by providing them with the opportunity to acquire an increased proprietary interest in the Company. Previous grants of incentive stock options are taken into account when considering new grants.

Implementation of a new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Company's Board of Directors.

#### Summary of Compensation Table

The following table is a summary of compensation paid to the Named Executive Officers during Company's financial year ended July 31, 2012, in accordance with National Instrument 51-102, Continuous Disclosure Obligations ("NI 51-102"):

#### Summary Compensation Table

The following table is a summary of compensation paid to the Named Executive Officers during the Company's financial year ended July 31, 2012:

Name and Principal Position	Year	Salary (\$)	Share-based Awards (\$)	Option-based Awards (\$)	Non-equity incentive plan compensation (\$)		Pension Value (\$)	All other compensation (\$)	Total Compensation (\$)
					Annual incentive plans	Long-term incentive plans			
MARC LEVY PRESIDENT & CEO	2012	\$64,800	Nil	\$3,514 <sup>(1)</sup>	N/A	N/A	N/A	Nil	\$68,314
	2011	\$64,800	Nil	\$21,236 <sup>(1)</sup>	N/A	N/A	N/A	Nil	\$86,036
NILDA RIVERA CFO	2012	\$16,800	Nil	\$1,802 <sup>(1)</sup>	N/A	N/A	N/A	Nil	\$18,602
	2011	\$16,800	Nil	\$6,662 <sup>(1)</sup>	N/A	N/A	N/A	Nil	\$23,462

<sup>(1)</sup> The fair value of option-based awards is calculated using a Black-Scholes option pricing model with the following assumptions:

	2012	2011
Risk-free rate	1.36%	1.88%
Expected dividend yield	0%	0%
Expected stock price volatility	106.69%	119.06%

Expected life of options

3.26 years

5.58 years

Option pricing models require the input of highly subjective assumptions, particularly as to the expected volatility of the stock. Changes in these assumptions can materially affect the fair value estimate, and therefore it is management's view that the existing models may not provide a single reliable measure of the fair value of the Company's stock option grants. The Company uses an option-pricing model because there is no market for which employee options may be freely traded. Readers are cautioned not to assume that the value derived from the model is the value that an employee might receive if the options were freely traded, nor assume that these amounts are the same as those reported for income tax purposes.

### *Incentive plan awards – value vested or earned during the year*

The following table sets out the value vested or earned in incentive plan awards held by the Named Executive Officers during the financial year ended July 31, 2012:

<b>Name</b>	<b>Option-based awards – Value vested during the year (\$)</b>	<b>Share-based awards – Value vested during the year (\$)</b>	<b>Non-equity incentive plan compensation – Value earned during the year (\$)</b>
MARC LEVY PRESIDENT & CEO	Nil <sup>(1)</sup>	N/A	N/A
NILDA RIVERA CFO	Nil <sup>(1)</sup>	N/A	N/A

(1) This value was determined by calculating the difference between the market price of the underlying common shares on the vesting dates and the exercise price of the options on the vesting dates.

See “Particulars of Matters to be Acted Upon – Annual Re-approval of Incentive Stock Option Plan” for a summary of the terms of the Company’s stock option plan.

### **Termination of Employment, Change in Responsibilities and Employment Contracts**

The Company has no plans or arrangements in respect of remuneration received or that may be received by the Named Executive Officers in the Company’s most recently completed financial year or current financial year in respect of compensating such officer in the event of termination of employment (as a result of resignation, retirement, change of control, etc.) or a change in responsibilities following a change of control.

### **Compensation of Directors**

The Company has no arrangements, standard or otherwise, pursuant to which Directors are compensated by the Company for their services in their capacity as Directors, or for committee participation, involvement in special assignments or for services as a consultant or expert during the financial year ended July 31, 2012 or subsequently, up to and including the date of this Information Circular:

The following table sets forth the details of compensation provided to the directors of the Company, other than the Named Executive Officers, during the Company’s most recently completed financial year ended July 31, 2012:

#### *Director compensation table*

The following table sets out the compensation provided to all directors of the Company, who are not Named Executive Officers, for the Company’s financial year ended July 31, 2012:

(1) The fair value of option-based awards is calculated using a Black-Scholes option pricing model with the following assumptions:

	<b>2012</b>	<b>2011</b>
Risk-free rate	1.36%	1.69%
Expected dividend yield	0%	0%
Expected stock price volatility	107%	121%
Expected life of options	3.26 years	5 years

Option pricing models require the input of highly subjective assumptions, particularly as to the expected volatility of the stock. Changes in these assumptions can materially affect the fair value estimate, and therefore it is management's view that the existing models may not provide a single reliable measure of the fair value of the Company's stock option grants. The Company uses an option-pricing model because there is no market for which employee options may be freely traded. Readers are cautioned not to assume that the value derived from the model is the value that an employee might receive if the options were freely traded, nor assume that these amounts are the same as those reported for income tax purposes.

- (2) Roop Mundi resigned as a director on March 22, 2012.

Directors and executive officers may, however, be interested in the approval of the Company's Incentive Stock Option Plan as detailed below.

## **PARTICULARS OF MATTERS TO BE ACTED UPON**

### **I. Annual Re-Approval of Stock Option Plan:**

Pursuant to Policy 4.4 of the TSX Venture Exchange ("TSXV"), all TSXV listed companies are required to adopt a stock option plan prior to granting incentive stock options. On December 18, 2003, the Board of Directors of the Company established such a plan (the "Plan"). The purpose of the Plan is to attract and motivate directors, senior officers, employees, consultants and others providing services to the Company and its subsidiaries, and

thereby advance the Company's interests, by affording such persons with an opportunity to acquire an equity interest in the Company through the issuance of stock options. The Company is currently listed on Tier 2 of the TSXV and has adopted a "rolling" stock option plan reserving a maximum of 10% of the issued shares of the Company at the time of the stock option grant. As a "rolling" stock option plan, the Plan is required to be re-approved by the Shareholders each year at the Company's Annual General Meeting.

The TSXV's Policy 4.4 and the terms of the Plan authorize the Board of Directors to grant stock options to optionees on the following terms:

1. The aggregate number of shares that may be issued pursuant to options granted under the Plan, unless otherwise approved by shareholders, may not exceed that number which is equal to 10% of the issued and outstanding shares of the Company at the time of the grant.
2. The number of shares subject to each option will be determined by the Board of Directors, provided that the aggregate number of shares reserved for issuance pursuant to options granted to:
  - (a) insiders may not exceed 10% of the issued shares of the Company in any 12 month period;
  - (b) any one individual within a 12 month period may not exceed 5% of the number of issued and outstanding shares of the Company (unless the Company is a Tier 1 Issuer and disinterested shareholder approval has been obtained);
  - (c) any one consultant during any 12 month period may not exceed 2% of the issued shares of the Company;
  - (d) all persons employed to provide investor relations activities (as a group) may not exceed 2% of the issued shares of the Company during any 12 month period;

in each case calculated as at the date of grant of the option, including all other shares under option to such person at that time.

3. The exercise price of an option may not be set at less than the minimum price permitted by the TSXV.
4. Options may be exercisable for a period of up to ten years from the date of grant.
5. The options are non-assignable and non-transferable. The options can only be exercised by the optionee, including an optionee who is engaged in investor relations activities, as long as the optionee remains an eligible optionee pursuant to the Plan or within a period of not more than 30 days after ceasing to be an eligible optionee or, if the optionee dies, within one year from the date of the optionee's death.
6. Options granted to consultants engaged to perform investor relations activities must be subject to a vesting requirement, whereby such options will vest over a period of not less than 12 months, with a maximum of 25% vesting in any 3 month period.
7. On the occurrence of a takeover bid, issuer bid or going private transaction, the Board of Directors will have the right to accelerate the date on which any option becomes exercisable.

A copy of the Plan may be inspected at the offices of the Company, Suite 500, 700 West Pender Street, Vancouver, B.C., V6C 1G8 during normal business hours at any time up to the Meeting and at the Meeting. In addition, a copy of the plan will be mailed, free of charge, to any holder of common shares who requests a copy, in writing, from the Company at the address above.

Notice of options granted under the Plan must be given to the TSXV on a monthly basis. Any amendments to the Plan must also be approved by the TSXV and, if necessary, by the shareholders of the Company prior to becoming effective.

Accordingly, Shareholders will be asked to pass an ordinary resolution, in substantially the following form, to re-approve the Plan:

“RESOLVED, as an ordinary resolution, that the Company’s Incentive Stock Option Plan, as described in the Company’s Information Circular dated May 17, 2013 and the grant of options thereunder in accordance therewith, be approved.”

## **II. Ratify Adoption of Advance Notice Policy**

On March 31, 2013, the Board of Directors adopted a new policy that requires advance notice to the Company for nominations of directors other than by management, through a requisition for a meeting or by way of a shareholder proposal. The policy is attached to this Information Circular as Schedule “D”.

The new policy is intended to: (i) facilitate an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensure that all shareholders receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allow shareholders to register an informed vote.

Among other things, the policy fixes a deadline by which holders of record of common shares of the Company must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Company for the notice to be in proper written form.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 nor more than 65 days prior to the date of the annual meeting, provided that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the tenth day following such public announcement.

In the case of a special meeting of shareholders (whether or not called for other purposes), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

If the Advance Notice Policy is not approved at the Meeting, the Advance Notice Policy will terminate and be of no further force or effect from and after termination of the Meeting.

Management of the Company recommends that shareholders vote in favour and unless you give other instructions, the persons named in the enclosed form of proxy intend to vote **FOR** the ordinary resolution approving adoption of the Advance Notice Policy.

“**BE IT RESOLVED** that:

1. The Company’s Advance Notice Policy as disclosed in the Company’s Information Circular and in the form attached as Schedule “D” to the Information Circular be and it is hereby approved, ratified and confirmed;

2. The Board be authorized on behalf of the Company to make any amendments to the Advance Notice Policy as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure regulatory approval of the Advance Notice Policy;
3. The Articles of the Company be and are hereby amended by the addition of Section 14.1A following Section 14.1, in the form attached as Schedule “E”;
4. The Board reserves the right to abandon the Advance Notice Policy should they deem it appropriate and in the best interest of the Company to do so; and
5. Any director or officer of the Company be and is hereby authorized to do all acts and things, to execute and to deliver all agreements, documents and instruments, to give all notices and to deliver, file and distribute all documents and information which such person determines to be necessary or desirable in connection with or to give effect to and carry out the foregoing resolutions.”

#### **ANY OTHER MATTERS**

Management of the Company knows of no matters to come before the meeting other than those referred to in the Notice of Meeting accompanying this Information Circular. However, if any other matters properly come before the meeting, it is the intention of the persons named in the form of proxy accompanying this Information Circular to vote the same in accordance with their best judgment of such matters.

## Exemption

The Company is relying upon the exemption in section 6.1 of the National Instrument 52-110 – *Audit Committees*.

## **SCHEDULE “B”**

### **STATEMENT OF CORPORATE GOVERNANCE PRACTICES**

Corporate governance relates to the activities of the board of directors of the Company (the “Board”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its shareholders and contribute to effective and efficient decision making. National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

#### **Board of Directors**

##### *Structure and Compensation*

All of the proposed nominees for election as a director at the 2013 Annual General Meeting are current directors of the Company. Form 58-101F1 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under National Instrument 52-110 (“NI 52-110”), which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship that could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment. Of the proposed nominees, one (1), being Marc Levy, the President and CEO, is “inside” or a management director and is considered not to be “independent”. The two (2) remaining proposed nominees are considered by the Board to be “independent”, within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors. It is the objective of the Company to continue the search for additional qualified individuals who would be willing to serve as directors and who would be considered as “independent”, so as to strive to have a majority of independent Board members and enhance the quality of the Company’s corporate governance.

The Company does not currently have a Chairman of the Board and, given the current size of the Board, does not consider that a Chairman is necessary. The independent directors exercise their responsibilities for independent oversight of management, and are provided with leadership through their position on the Board and ability to meet independently of management whenever deemed necessary. The Board will give consideration to appointing an “independent” member as Chairman at such time as it believes that such a position is required but will not be able to do so until additional “independent” directors are recruited and appointed.

The Company does not currently pay its directors any remuneration for acting as directors and the only compensation for acting as directors received by non-management directors is through the grant of incentive stock options. The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current Board compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. Options to be granted to “management” directors are required, as a matter of board practice, to be reviewed and approved by the “non-management” directors. Given the current size and limited scope of operations of the Company, the

Board does not believe that a formal compensation committee is required. At such time as, in the opinion of the Board, the size and activities of the Company and the number of management employees warrants it, the Board will consider it necessary to appoint a formal compensation committee.

The following directors of the Company are directors of other reporting issuers:

<u>Name of Director</u>	<u>Other Reporting Issuers</u>	<u>Exchange</u>
Marc Levy	Prescient Mining Corp.	TSXV
	Sparrow Ventures Corp.	TSXV
	Lornex Capital Inc.	TSXV
	Metropolitan Energy Corp.	TSXV
Lawrence W. Talbot	Cardero Resource Corp.	TSX
	International Tower Hill Mines Ltd.	TSX
	Corvus Gold Inc.	TSX
	Balmoral Resources Ltd.	TSXV

#### *Mandate of the Board*

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia), is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through the Audit Committee. In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company's overall business strategies and its annual business plan, reviewing and approving the annual corporate budget and forecast, reviewing and approving significant capital investments outside the approved budget; reviewing major strategic initiatives to ensure that the Company's proposed actions accord with shareholder objectives; reviewing succession planning; assessing management's performance against approved business plans and industry standards; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders' equity interests through the optimum utilization of the Company's capital resources. The Board also takes responsibility for identifying the principal risks of the Company's business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company's development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate legislation and regulatory policies. However, as the Company grows, the Board will likely move to develop a formal written mandate.

In keeping with its overall responsibility for the stewardship of the Company, the Board is responsible for the integrity of the Company's internal control and management information systems and for the Company's policies respecting corporate disclosure and communications.

Each member of the Board understands that he is entitled, at the cost of the Company, to seek the advice of an independent expert if he reasonably considers it warranted under the circumstances.

The positions of President and CEO are combined. The Board believes the Company is well serviced and the independence of the Board from management is not compromised by the combined role. The Board does not, and does not consider it necessary to, have any formal structures or procedures in place to ensure that the Board can function independently of management. The Board believes that its current composition, in which two of three members is independent, is sufficient to ensure that the Board can function independently of management.

### *Nomination and Assessment*

The Board as a whole determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual Board members, including both formal and informal discussions among Board members and the President and CEO. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed in advance of a Board meeting with one or more members of the Board prior to the proposed director's nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an *ad hoc* basis.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations. However, if the growth of the Company's operations warrants it, it is likely that a formal orientation process will be implemented.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies in the natural resource sector. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading "Election of Directors" for a description of the current principal occupations of the members of the Company's Board.

### *Expectations of Management and Ethical Business Conduct*

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives. To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. However, the current limited size of the Company's operations and the small number of officers and employees allow the independent members of the Board to monitor on an ongoing basis the activities of management and to ensure that the highest standard of ethical conduct is maintained. Should the Company operations grow in size and scope, the Board anticipates that it would then formulate and implement a formal Code of Business Conduct and Ethics.

### **Committee Responsibilities and Activities**

Committees of the Board are an integral part of the Company's governance structure. At the present time, the only standing committee is the Audit Committee. Disclosure with respect to the Audit Committee, as required by NI 52-110 – Audit Committee, is contained in Schedule "A" to this Information Circular. As the Company grows, and its operations and management structure became more complex, the Board will likely find it appropriate to constitute formal standing committees, such as a Corporate Governance Committee, Compensation Committee and Nominating Committee, and to ensure that such committees are governed by written charters and are composed of at least a majority of "independent" directors.

The purpose of this Advance Notice Policy (the “**Policy**”) is to provide shareholders, directors and management of the Corporation with direction on the nomination of directors. This Policy is the framework by which the Corporation seeks to fix a deadline by which holders of record of common shares of the Corporation must submit director nominations to the Corporation prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in the notice to the Corporation for the notice to be in proper written form.

It is the position of the Corporation that this Policy is beneficial to shareholders and other stakeholders. This policy will be subject to an annual review, and will reflect changes as required by securities regulatory agencies or stock exchanges, or so as to meet industry standards.

##### NOMINATIONS OF DIRECTORS

1. Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation. Nominations of persons for election to the board of directors of the Corporation (the “**Board**”) may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors:

- (a) by or at the direction of the Board, including pursuant to a notice of meeting;
- (b) by or at the direction or request of one or more shareholders pursuant to a proposal made in accordance with the provisions of the British Columbia *Business Corporations Act* (the “**Act**”), or a requisition of the shareholders made in accordance with the provisions of the Act; or
- (c) by any person (a “**Nominating Shareholder**”):
  - (i) who, at the close of business on the date of the giving of the notice provided for below in this Policy and on the record date for notice of such meeting, is entered in the securities register as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and
  - (ii) who complies with the notice procedures set forth below in this Policy.

2. In addition to any other applicable requirements, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given timely notice thereof in proper written form to the Secretary of the Corporation at the principal executive offices of the Corporation.

3. To be timely, a Nominating Shareholder's notice to the Secretary of the Corporation must be made:

(a) in the case of an annual meeting of shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and

(b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of shareholders was made. In no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder's notice as described above.

4. To be in proper written form, a Nominating Shareholder's notice to the Secretary of the Corporation must set forth:

(a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director:

The Corporation may require any proposed nominee to furnish such other information as may reasonably be required by the Corporation to determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such proposed nominee.

5. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of this Policy; provided, however, that nothing in this Policy shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter in respect of which it would have been entitled to submit a proposal pursuant to the provisions of the Act.
