## **AVARONE ANNOUNCES APPOINTMENT OF DIRECTOR**

**February 6, 2014**

**TSX-V: AVM**

---

**Vancouver, B.C., February 6, 2014 – Avarone Metals Inc. (TSX-V: AVM; Frankfurt: W2U; WKN: A1XDSF)** (“the Company” or “Avarone”) is pleased to announce the appointment of Dr. Peter Born, P.Geo., to the Board of Directors of the Company, effective February 6, 2014. To accommodate the appointment of Dr. Born, Mr. Lawrence Talbot has resigned from the Board of Directors but will continue to provide support as a member of the Company’s Advisory Board.

Dr. Born is a registered and professional geologist with the Association of Professional GeoScientists of Ontario and is a Fellow of the Geological Association of Canada. He brings over 30 years of exploration/mining experience to the Company including project evaluation/feasibility studies for senior and junior companies in Canada. This includes several years of uranium exploration in the Athabasca Basin of Saskatchewan and the Thelon Basin of the Northwest Territories, Canada. He worked previously as senior geologist with Western Mining Corporation (WMC) as well as a consultant/senior geologist, modeling the Aquarius ore body with Echo Bay Mines Ltd. He is currently working with RPS Energy Canada Ltd. on natural gas plays related to high temperature dolomites and sedimentary zinc deposits (MVT) within the Appalachian Basin (USA). Dr. Born holds a Ph.D. in Earth Sciences with expertise in Precambrian Sedimentary Geology, Basin Analysis, Sedimentology, Stratigraphy and Sedimentary Ore Deposits.

Marc Levy, President & CEO commented, “We are very pleased to welcome Dr. Born to our board of directors. Peter is a high caliber geologist and his extensive geological and technical experience will play a significant role in the success of our future exploration programs. I would like to personally thank Mr. Lawrence Talbot for his many years of dedication and significant contributions to Avarone as a past CEO and director and I look forward to his continued guidance as member of our Advisory Board.”

On behalf of the Board of Directors,  
**AVARONE METALS INC.**
