

Acquisition of Common Shares of Planet Ventures Inc.

Cochrane, Alberta, March 20, 2019 – This news release is issued by Craig Williams (“Williams”) pursuant to the early warning requirements of National Instrument 62-104 and National Instrument 62-103 with respect to securities of Planet Ventures (the “Issuer”) of Suite 303, 750 West Pender Street, Vancouver, B.C., V6C 2T7.

On March 15, 2019, Williams acquired 3,000,000 shares and 3,000,000 warrants of the Issuer through the purchase of units (“Units”) at a price of \$0.05 per Unit for a total of \$150,000.

Following issuance of the Units, Williams directly owns and has control over 9,000,000 shares of the Issuer representing 7.89% of the Issuer’s issued and outstanding common shares. If Williams exercises all of his 3,000,000 warrants, Williams would then own and have control over 12,000,000 common shares of the Issuer, representing 10.25% of the Issuer’s issued and outstanding common shares, on a partially-diluted basis.
