

FIREBIRD RESOURCES INC.

MATERIAL CHANGE REPORT

Item 1: Name and Address of Company

Firebird Resources Inc.
6012 85 Avenue
Edmonton, Alberta
T6B 0J5

Item 2: Date of Material Change

February 17, 2011

Item 3: News Release

On February 17, 2011, Firebird Resources Inc. ("**Firebird**" or the "**Company**") issued a news release through the facilities of Stockwatch. A copy of the news release announcing the material change is set out at Schedule "A" to this report.

Item 4: Summary of Material Change

The Company announced that pursuant to its previously announced option agreement with Pageland Minerals Ltd. ("**Pageland**") dated June 24, 2010 (the "**Option Agreement**"), as amended, Firebird has completed the share issuance portion of its first option (the "**First Option**") to acquire a 70% interest in certain mineral leases covering the Buzzard-Jefferson-Belk properties (the "**Property**") located in South Carolina. Pursuant to the partial exercise, Firebird issued to Pageland 9,056,603 common shares (the "**Shares**") at an issue price of \$0.53 per Issued Share, representing approximately 19% of the outstanding shares of Firebird.

In accordance with the terms of the Option Agreement, the Shares issued to Pageland will be held in escrow until such time as Firebird exercises the First Option in full by making cash payments to Pageland totaling \$700,000 in the times specified in the Option Agreement and incurring expenditures on or in respect of the Property totaling \$495,000 on or before July 31, 2011. Pursuant to the terms of escrow, Pageland is prohibited from dealing with the Shares in any manner, including the exercise of any voting and dividend rights attached thereto, during the period of escrow.

Item 5: Full Description of Material Change

See attached news release at Schedule "A" to this report.

Item 6: Reliance on Subsection 7.1(2) or (3) of National Instrument 51-102

**FIREBIRD RESOURCES INC. EXERCISES OPTION
ON SOUTH CAROLINA GOLD PROJECT**

VANCOUVER, British Columbia/February 17, 2011/ -- Firebird Resources Inc. ("**Firebird**" or the "**Company**") is pleased to announce today that pursuant to its previously announced option agreement with Pageland Minerals Ltd. ("**Pageland**") dated June 24, 2010 (the "**Option Agreement**"), as amended, Firebird has completed the share issuance portion of its first option (the "**First Option**") to acquire a 70% interest in certain mineral leases covering the Buzzard-Jefferson-Belk properties (the "**Property**") located in South Carolina. Pursuant to the partial exercise, Firebird issued to Pageland 9,056,603 common shares (the "**Shares**") at an issue price of \$0.53 per Issued Share, representing approximately 19% of the outstanding shares of Firebird.

"Firebird has focused primarily on the acquisition of key tracts of land along the Haile/Brewer Gold Trend in South Carolina and we are pleased to move forward with our acquisition of Pageland's Carolina slate belt properties", said Thomas R. Tough, President of Firebird Resources Inc. Romarco's recent success at the Haile mine has underscored the fact that the area has not been extensively explored compared to other major gold belts and represents a significant opportunity to us".

In accordance with the terms of the Option Agreement, the Shares issued to Pageland will be held in escrow until such time as Firebird exercises the First Option in full by making cash payments to Pageland totaling \$700,000 in the times specified in the Option Agreement and incurring expenditures on or in respect of the Property totaling \$495,000 on or before July 31, 2011. Pursuant to the terms of escrow, Pageland is prohibited from dealing with the Shares in any manner, including the exercise of any voting and dividend rights attached thereto, during the period of escrow.

The Shares are subject to a four month hold period in accordance with applicable securities law and the rules and policies of the TSX Venture Exchange.

Telephone: 604-946-0787

About Firebird

Firebird is a mineral exploration company whose long term objective is to build a diversified company focused on the acquisition, exploration and development of mineral properties.

Forward-looking Statements

This news release contains certain forward-looking statements that reflect the current views and/or expectations of management with respect to performance, business and future events, including, but not limited to, express or implied statements and assumptions regarding the Company's intention to exercise the option referred to herein. Forward-looking statements are based on the then-current expectations, beliefs, assumptions, estimates and forecasts about the business and the industry and markets in which the Company operates. Forward-looking statements are not guarantees of future performance and involve risks, uncertainties and assumptions which are difficult to predict. Investors are cautioned that all forward-looking statements involve risks and uncertainties including, without limitation, that the Company will choose not to exercise the option and those risks relating to changes in the market, potential downturns in economic conditions, fluctuations in the price and supply of raw materials, equipment and skilled labour, fluctuations in the market price of minerals, foreign exchange fluctuations, regulatory requirements and changes thereto, competition, and other risk factors listed from time to time in the Company's public filings. These risks, as well as others, could cause actual results and events to vary significantly. Accordingly, readers should not place undue reliance on forward-looking statements and information, which are qualified in their entirety by this cautionary statement. The Company does not undertake any obligations to release publicly any revisions for updating any voluntary forward-looking statements, except as required by applicable securities law.
