February 14, 2024 Victoria, Canada /ACCESSWIRE/

AI/ML Innovations Inc. (the "Company") [CSE - AIML; OTCQB - AIMLF; FWB - 42FB], a leading company committed to acquiring and advancing Artificial Intelligence/Machine Learning technologies that address urgent societal needs, proudly announces the strategic appointment of Dr. David Cramb, Dean of the Faculty of Science at Toronto Metropolitan University, as the Chair of the Company's inaugural Science and Product Advisory Board. This impactful decision reflects AI/ML Innovations Inc.'s unwavering commitment to driving innovation in healthcare through the convergence of artificial intelligence and machine learning with the Company's proprietary and patented technologies.

Dr. Cramb, a distinguished academic leader, brings a wealth of expertise and experience to AI/ML Innovations Inc. In his position as Chair of the Company's Science and Product Advisory Board, Dr. Cramb will play a pivotal role in guiding AI/ML Innovations Inc.'s scientific vision, in close collaboration with Paul Duffy, CEO of the Company.

The Science and Product Advisory Board is tasked with securing the scientific foundations of the various health tech products the Company invests in, develops, and operates, by contributing impactful guidance that ensures the integration of the latest advancements in science and technology.

Dr. Cramb stated, "As Chair of the Science and Product Advisory Board, I am honored to join AI/ML Innovations Inc. in its quest to improve healthcare through technological innovation. Collaborating closely with Paul Duffy, we aim to build a dynamic advisory board that will be at the forefront of advising the science behind AI/ML's products. Together, we look forward to charting new frontiers in health tech."

Paul Duffy, CEO of AI/ML Innovations Inc., added, "We are thrilled to welcome Dr. David Cramb to lead our inaugural Science and Product Advisory Board. His esteemed leadership and wealth of knowledge will be instrumental in shaping the scientific direction of AI/ML Innovations Inc. Dr. Cramb's expertise aligns seamlessly with our commitment to pushing the boundaries of health tech, and together we aim to build an exceptional advisory board that will drive innovation and excellence in our products."
