PART 1 – GENERAL PROXY INFORMATION

HOW A VOTE IS PASSED

Voting at the Meeting will be by a show of hands, each shareholder having one vote, unless a poll is requested or required (if the number of shares represented by proxies that are to be voted against a motion are greater than 5% of the votes that could be cast at the Meeting), in which case each shareholder is entitled to one vote for each share held. In order to approve a motion proposed at the Meeting a majority of greater than 50% of the votes cast will be required (an "ordinary resolution") unless the motion requires a special resolution in which case a majority of 66 2/3% of the votes cast will be required (a "special resolution").

WHO CAN VOTE

Registered shareholders of the Company as at July 15, 2019 are entitled to attend at the Meeting and cast a vote for each share registered in their name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer's authority should be presented at the Meeting. Registered shareholders who do not wish to, or cannot, attend the Meeting in person may appoint someone else to attend the Meeting and act as their proxyholder to vote in accordance with their instructions (see "Voting by Proxy"). If your shares are registered in the name of a "nominee" (usually a bank, trust company, securities dealer or other financial institution) you should refer to the section entitled "Beneficial Shareholders" set out

below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, the Company invites you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

APPOINTMENT OF PROXYHOLDERS

The individual(s) named in the accompanying form of proxy are management's representatives.

If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or corporation other than the person(s) designated in the Proxy, who need not be a shareholder of the Company, to attend and act for you and on your behalf at the Meeting. To do so you must strike out the names of the persons named in the proxy as proxyholders and insert the name of that other person in the space provided in the Proxy or by completing and delivering another proper proxy and, in either case, delivering the completed Proxy to the office of the Company's Registrar and Transfer Agent, Odyssey Trust Company 323-409 Granville Street, V6C 1T2 at least 48 hours (excluding Saturdays and Sundays and Holidays) before the time of the meeting or adjournment thereof. Unregistered shareholders who receive a proxy or voter information form through an intermediary must deliver it in accordance with the instructions given by the intermediary.

VOTING BY PROXYHOLDER

The person(s) named in the Proxy will vote or withhold from voting the Grand Peak shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Grand Peak shares will be voted accordingly. The Proxy confers discretionary authority on the person(s) named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

As at the date hereof, the Board knows of no such amendments, variations or other matters to come before the Meeting, other than the matters referred to in the Notice of Meeting. However, if other matters should properly come before the Meeting, the share will be voted on such matters in accordance with the best judgment of the person(s) voting the Proxy.

In respect of a matter for which a choice is not specified in the Proxy, the person(s) named in the Proxy will vote the Grand Peak shares represented by the Proxy for the approval of such matter.

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Odyssey Trust Company 323-409 Granville Street, V6C 1T2 not less than 48 hours (excluding weekends and holidays) before the time fixed for the Meeting or any adjournment(s) or postponement(s) thereof.

BENEFICIAL SHAREHOLDERS

The following information is of significant importance to shareholders who do not hold Common Shares in their own name.

Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary"). In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for Non-Objecting Beneficial Owners).

The Company is taking advantage of the provisions of National Instrument 54-101 "Communication with Beneficial Owners of Securities of a Reporting Issuer" that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form ("VIF"). These VIFs are to be completed and returned to Odyssey Trust Company ("Odyssey") in the manner described on the VIF which contains complete instructions. Odyssey will tabulate the results of the VIFs received from NOBOs and will provide tabulated reports with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered and non-objecting owner, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to you by your broker will be similar to the proxy provided to registered shareholders. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada. Broadridge mails a VIF. The VIF will name the same persons as the Company's Proxy to represent your Common shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your shares at the Meeting and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative.

If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting, in order to have your shares voted or to have an alternate representative duly appointed to attend and to vote your shares at the Meeting.

Notice to Shareholders in the United States

The solicitation of proxies involve securities of an issuer located in Canada and are being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

REVOCATION OF PROXIES

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or if the Registered Shareholder is a Corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Odyssey or at the registered office of the Company at 4770-72nd Street, Delta, BC, V4K 3N3, at any time up to and including the last Business Day that precedes the date of the Meeting or, if the Meeting is adjourned or postponed, the last Business Day that precedes any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the Registered Shareholder's Grand Peak Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

PART 4—COMPENSATION DISCUSSION AND ANALYSIS

The Board's compensation philosophy is aimed at attracting and retaining quality and experienced people with established records in managing and maintaining public companies which is critical to the success of the Company. These key persons create the framework for future success and later will share in any success of the Company. Such a reward system supports the Company's commitment to delivering strong performance for the Shareholders.

At the present time the Company does not have a compensation program in place for its Named Executive Officers or directors, as is evidenced by the Summary Compensation Table and the Company does not have any arrangement with its directors for payment of compensation either pursuant to a contract or on a fee for service basis.

Grand Peak has a formalized stock option plan for the granting of incentive stock options to the officers, employees, consultants and Directors. Directors are entitled to participate in the Stock Option Plan, which is designed to give each option holder an interest in preserving and maximizing shareholder value in the longer term. Individual grants are determined by an assessment of each individual director's current and expected future performance, level of responsibilities and the importance of his/her position and contribution to the Company.

During the most recently completed financial year no stock options were cancelled. In the year ended September 30, 2017 no compensation was paid to the directors of the Company.

PART 6 – AUDIT COMMITTEE

National Instrument 52-110 *Audit Committees* of the Canadian Securities Administrators ("NI 52-110") requires the Company to disclose annually in its information circular certain information concerning the constitution of its audit committee and its relationship with its external auditor as set forth below.

THE AUDIT COMMITTEE CHARTER

The Company's audit committee is governed by an audit committee charter, the text of which is attached as Exhibit "A" to this Information Circular

COMPOSITION OF AUDIT COMMITTEE

As at the date hereof, the Company's Audit Committee members are Tajinder Johal, Santokh Sahota and Jatinder Bains, of which Jatinder Bains and Santokh Sahota are considered "independent" as that term is defined in applicable securities legislation.

All three audit committee members have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements and are therefore considered "financially literate".

RELEVANT EDUCATION AND EXPERIENCE

All of the audit Committee members have experience in financial matters; each has varied understandings and experience as to the general application of general accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavor.

AUDIT COMMITTEE OVERSIGHT

Since the commencement of the Company's most recently completed financial year ended September 30, 2018, the board of directors has not failed to adopt a recommendation of the audit committee to nominate or compensate an external auditor.

RELIANCE ON CERTAIN EXEMPTIONS

The Company is not relying on the exemptions contained in sections 2.4 or 8 of NI 52-110.

PRE-APPROVAL POLICIES AND PROCEDURES

The audit committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Audit Committee Charter attached as Schedule "A" to this Information Circular.

EXTERNAL AUDIT SERVICE FEES (BY CATEGORY)

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its external auditor for services rendered to the Company in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees
2018	\$19,000	Nil	\$2,000	Nil
2017	\$25,704	Nil	\$1,300	Nil

EXEMPTION

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company is not required to comply with Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

Corporate governance relates to the activities of the board of directors of the Company (the “**Board**”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day to day management of the Company. The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company.

National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”) establishes corporate governance guidelines, which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) also requires the Company to disclose annually in its Information Circular certain information concerning its corporate governance practices. The Company is required to make such disclosure with reference to the requirements of Form 58-101F2, which disclosure is set forth below.

BOARD OF DIRECTORS

NP 58-201 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the company. “Material relationship” is defined as a relationship which could, in the view of the Company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the current directors, Tajnder Johal, as CEO and Interim CFO of the Company, is an “inside” or management director and accordingly is considered “non-independent”. On the other hand, Jatinder Bains and Santokh Sahota are outside directors, and as such are considered independent.

MANDATE OF THE BOARD

The mandate of the Board is to manage or supervise the management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees (see “Committees of the Board of Directors” below). In fulfilling its mandate, the Board, among other matters, is responsible for reviewing and approving the Company’s overall business strategies; reviewing major strategic initiatives to ensure that the Company’s proposed actions accord with shareholder objectives; reviewing succession planning; assessing management’s performance; reviewing and approving the reports and other disclosure issued to shareholders; ensuring the effective operation of the Board; and safeguarding shareholders’ equity interests through the optimum utilization of the Company’s capital resources. The Board also takes responsibility for identifying the principal risks of the Company’s business and for ensuring these risks are effectively monitored and mitigated to the extent reasonably practicable. At this stage of the Company’s development, the Board does not believe it is necessary to adopt a written mandate, as sufficient guidance is found in the applicable corporate and securities legislation and regulatory policies.

In keeping with its overall responsibility for the stewardship of the Company, the Board is also responsible for the integrity of the Company’s internal control and management information systems and for the Company’s policies respecting corporate disclosure and communications.

The Chief Executive Officer has responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Chief Executive Officer also furnishes recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

ETHICAL BUSINESS CONDUCT

The Board of Directors operates the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity. Management is expected to execute the Company's business plan and to meet performance goals and objectives.

To date the Board has not adopted a formal written Code of Business Conduct and Ethics. The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate and securities legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates in the best interests of the Company and its shareholders.

NOMINATION AND ASSESSMENT

Given its current size, the Board has not appointed a nominating committee; these functions are currently performed by the Board as a whole. Nominees are generally the result of recruitment efforts by Board members, including both formal and informal discussions among Board members and the Chief Executive Officer and proposed directors' credentials are reviewed in advance of a Board meeting with one or more members of the Board prior to the proposed director's nomination.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current operations.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing businesses and companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records.

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's current size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness and the effectiveness and contribution of its committees or individual directors on an ad hoc basis.

COMMITTEES OF THE BOARD OF DIRECTORS

At the present time, the Board of Directors of the Company has only an audit committee. The Company's Audit Committee members are Tajinder Johal, Jatinder Bains and Santokh Sahota, and is ultimately responsible for the policies and practices relating to integrity of financial and regulatory reporting of the Company, as well as internal controls to achieve the objectives of safeguarding the Company's assets; reliability of information; and compliance with policies and laws.

As the Company grows, and its operations and management structure become more complex, the Board will likely find it appropriate to constitute additional standing committees, such as a Governance and Ethics Committee, a Compensation Committee and a Nominating Committee, and to ensure that such committees are governed by written charters and are composed of at least a majority of independent directors.

The board of directors not adopted standard fees to be paid to the Company's non-management directors for their services, but may grant incentive stock options from time to time.
