On April 27, 2021, Glow reported on submitting an application to Health Canada to obtain produce licenses for its Natural Health Product (NHP), ArtemiC™, which reported successful results from a COVID-19 Phase II clinical trial.¹

Glow is a biotech company focused on producing next-generation, science-backed natural products. ArtemiC™ was submitted to Health Canada's Natural and Non-prescription Health Products Directorate (NNHPD) on Mar 11, 2021. The application, which is currently under review by Health Canada, included ArtemiC™, which Glow receive exclusive rights to in early February.²

"Canada has the potential to set the world stage for COVID-19 Natural Health Products. With Health Canada approval and favorable clinical results, ArtemiC™ could become an evidence backed all-natural solution to aid patient recovery," stated Yoav Raiter, CEO, Relay Medical Corp. "Glow has exclusive rights to market, sell, and distribute ArtemiC™ in Canada, the United States, Mexico, and all Caribbean countries as a food supplement (nutraceutical, dietary supplement, and natural health product)."
