NOT FOR DISTRIBUTION IN THE UNITED STATES OF AMERICA

Scryb Announces Private Placement

TORONTO, April 1, 2024 – Scryb Inc. ("Scryb" or the "Company") (CSE: SCYB, OTCQB: SCYRF, Frankfurt: EIY), is pleased to announce a non-brokered private placement financing for gross proceeds of up to \$1,500,000 through the issuance of up to 60,000,000 units in the capital of the Company (the "**Units**") at a price of \$0.025 per Unit (the "**Offering**"). Each Unit shall be comprised of one common share in the capital of the Company (each, a "**Common Share**") and one whole Common Share purchase warrant (each, a "**Warrant**"). Each Warrant entitles the holder thereof to acquire one Common Share at a price of \$0.05 per Common Share until the date that is eighteen (18) months from the date of issuance. Gross proceeds raised from the Offering will be used for working capital and general corporate purposes.

Closing of the Offering is subject to receipt of all necessary corporate and regulatory approvals, including the approval of Canadian Securities Exchange. All securities issued in connection with the Offering will be subject to a hold period of four months plus a day from the date of issuance and the resale rules of applicable securities legislation.

This press release does not constitute an offer to sell or a solicitation of an offer to buy the securities in the United States. The securities have not been and will not be registered under the United States Securities Act of 1933, as amended (the "**U.S. Securities Act**") or any state securities laws and may not be offered or sold within the United States or to U.S. Persons as defined under applicable United States securities laws unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

About Scryb Inc.

Scryb develops and productizes emerging technologies and builds disruptive, high-growth businesses. Scryb's team identifies high-potential applications and its expert operators apply its proven technology development platform to rapidly scale growth. Scryb's most recent successes include exciting early-stage companies like cybersecurity company Cybeats Technologies (CSE: CYBT) which Scryb maintains approximately 65% ownership, as well as ventures in the fields of applied AI, digital health, medical devices, and biotech. Forward-looking Information Cautionary Statement

Except for statements of historic fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking statements are based on the opinions and estimates at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking statements including, but not limited to delays or uncertainties with regulatory approvals, including that of the CSE. There are uncertainties inherent in forward-looking information, including factors beyond the Company's control. There are no assurances that the commercialization plans for the technology described in this news release will come into effect on the terms or time frame described herein. The Company undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by law. The reader is cautioned not to place undue reliance on forward-looking statements. Additional information identifying risks and uncertainties that could affect financial results is contained in the Company's filings with Canadian securities regulators, which filings are available at www.sedar.com
