

SENTERNET TECHNOLOGIES INC.

MANAGEMENT DISCUSSION AND ANALYSIS

JUNE 30, 2013

This management discussion and analysis ("MD&A") of results of operations and financial condition of Senternet Technologies Inc. ("the Company") describes the operating and financial results of the Company for the six month period ended June 30, 2013. The MD&A supplements, but does not form part of the financial statements of the Company and should be read in conjunction with the Company's unaudited condensed interim financial statements for the six month period ended June 30, 2013.

The Company prepares and files its financial statements in accordance with International Financial Reporting Standards ("IFRS"). All dollar amounts herein are in Canadian currency unless otherwise specified.

Forward-looking Statements

Some statements contained in this MD&A are forward-looking, and therefore involve uncertainties or risks that could cause actual results to differ materially. The Company disclaims any obligation to update forward-looking statements.

Date of MD&A

This MD&A was prepared using information that is current as of July 25, 2013, unless otherwise stated.

Results of Operations

Stock Exchange Listing

The Company has received initial approval and has been granted symbol STX from the Frankfurt Stock Exchange.

Disclosure controls and procedures

Based on continual evaluations of the Company's disclosure controls and procedures, the Company's chief executive officer and chief financial officer have concluded that, as of June 30, 2013, the design and operation of these disclosure controls and procedures are effective at the reasonable assurance level to ensure that material information relating to the Company would be known to them by others within those entities, particularly during the period in which the MD&A and the condensed interim financial statements contained in this report were being prepared.

Internal controls over financial reporting

The Company's chief executive officer and chief financial officer have designed, or have caused to be designed under their supervision, internal controls over financial reporting to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements in accordance with IFRS. The chief executive officer and chief financial officer concluded that there has been no change in the Company's internal control over financial reporting during the six month period

ended June 30, 2013, that has materially affected, or is reasonably likely to materially affect, the Company's internal controls over financial reporting.

Off-Balance Sheet Arrangements

The Company has no off-balance sheet arrangements.
