

## ACME RESOURCES INC.

### INFORMATION CIRCULAR (as at November 14, 2016, unless indicated otherwise)

#### SOLICITATION OF PROXIES

This Information Circular is provided in connection with the solicitation of proxies by the management of Acme Resources Inc. (the “Company”) for use at the annual general meeting of the shareholders of the Company to be held on January 4, 2017 (the “Meeting”), at the time and place and for the purposes set out in the accompanying notice of meeting and at any adjournment thereof. The solicitation will be made by mail and may also be supplemented by telephone or other personal contact to be made without special compensation by directors, officers and employees of the Company. The Company will bear the cost of this solicitation. The Company will not reimburse shareholders, nominees or agents for the cost incurred in obtaining from their principals authorization to execute forms of proxy.

#### APPOINTMENT AND REVOCATION OF PROXY

##### Registered Shareholders

**Registered shareholders may vote their common shares by attending the Meeting in person or by completing the enclosed proxy.** Registered shareholders should deliver their completed proxies to Computershare Investor Services Inc., of 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1 (by mail, telephone or internet according to the instructions on the proxy), not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting, otherwise the shareholder will not be entitled to vote at the Meeting by proxy.

The persons named in the proxy are directors and officers of the Company and are proxyholders nominated by management. **A shareholder has the right to appoint a person other than the nominees of management named in the enclosed instrument of proxy to represent the shareholder at the Meeting. To exercise this right, a shareholder must insert the name of its nominee in the blank space provided. A person appointed as a proxyholder need not be a shareholder of the Company.**

A registered shareholder may revoke a proxy by:

- (a) signing a proxy with a later date and delivering it at the place and within the time noted above;
- (b) signing and dating a written notice of revocation (in the same manner as the proxy is required to be executed, as set out in the notes to the proxy) and delivering it to the head office of the Company, Suite 910 – 1050 West Pender Street, Vancouver, BC, V6E 3S7, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof,
- (c) attending the Meeting or any adjournment thereof and registering with the scrutineer as a shareholder present in person, whereupon such proxy shall be deemed to have been revoked; or
- (d) in any other manner provided by law.

##### Beneficial Shareholders

**The information set forth in this section is of significant importance to many shareholders, as many shareholders do not hold their shares in the Company in their own name.** Shareholders holding their shares through banks, trust companies, securities dealers or brokers, trustees or administrators of self-administered RRSP’s, RRIF’s, RESP’s and similar plans or other persons (any one of which is herein referred to as an “Intermediary”) or otherwise not in their own name (such shareholders herein referred to as “Beneficial Shareholders”) should note that only proxies deposited by shareholders appearing on the records maintained by the Company’s transfer agent as registered shareholders will be recognized and allowed to vote at the Meeting. If a shareholder’s shares are listed in an account statement provided to the shareholder by a broker, in all likelihood those shares are **not** registered in the shareholder’s name and that shareholder is a Beneficial Shareholder. Such shares are most likely registered in the name of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such shares are registered under the name of Cede and Co. as nominee for the Depository Trust Company (which acts as depository for many US brokerage firms and custodian banks), and in Canada the vast majority of such shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms. Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted at the Meeting at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Regulatory polices require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or “NOBOs”) or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or “OBOs”).

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, the Company has elected to send the notice of meeting, this Information Circular and a request for voting instructions (a “VIF”), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the “Meeting Materials”) directly to the NOBOs and indirectly through Intermediaries to the OBOs. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to OBOs.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered shareholder) how to vote the Beneficial Shareholder’s shares on the Beneficial Shareholder’s behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions Inc. (“Broadridge”) in Canada. Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the shares voted. If you have any questions respecting the voting of shares held through an Intermediary, please contact that Intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the shares which they beneficially own. **A Beneficial Shareholder receiving a VIF cannot use that form to vote common shares directly at the Meeting – Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered.** Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder may request a legal proxy as set forth in the VIF, which will grant the Beneficial Shareholder or their nominee the right to attend and vote at the Meeting.

Only registered shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

All references to shareholders in this Information Circular and the accompanying instrument of proxy and notice of Meeting are to registered shareholders unless specifically stated otherwise.

The Meeting Materials are being sent to both registered and non-registered owners of the Company’s shares. If you are a Beneficial Shareholder and the Company or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of the Company’s securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send the Meeting Materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering the Meeting Materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

## **VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES**

If a shareholder specifies a choice with respect to any matter to be acted upon, the shares represented by proxy will be voted or withheld from voting by the proxy holder in accordance with those instructions on any ballot that may be called for. In the enclosed form of proxy, in the absence of any instructions in the proxy, it is intended that such shares will be voted by the proxyholder, if a nominee of management, in favour of the motions proposed to be made at the meeting as stated under the headings in the notice of meeting accompanying this Information Circular. If any amendments or variations to such matters, or any other matters, are properly brought before the Meeting, the proxyholder, if a nominee of management, will exercise its discretion and vote on such matters in accordance with its best judgment.

The instrument of proxy enclosed, in the absence of any instructions in the proxy, also confers discretionary authority on any proxyholder other than the nominees of management named in the instrument of proxy with respect to the matters identified herein, amendments or variations to those matters, or any other matters which may properly be brought before the Meeting. To enable a proxyholder to exercise its discretionary authority a shareholder must strike out the names of the nominees of

management in the enclosed instrument of proxy and insert the name of its nominee in the space provided, and not specify a choice with respect to the matters to be acted upon. This will enable the proxyholder to exercise its discretion and vote on such matters in accordance with its best judgment.

At the time of printing this Information Circular, management of the Company is not aware that any amendments or variations to existing matters or new matters are to be presented for action at the Meeting.

#### INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

In the absence of instructions to the contrary, proxies given pursuant to the solicitation by the management of the Company will be voted for the nominees listed in this Information Circular. **Management does not contemplate that any of the nominees will be unable to serve as a director.**

## **Stock Option Plans and other incentive plans**

### *Compensation Program Objectives*

The Board has established a Compensation Committee, the members of which are Shaun Maskerine, Tim Barry, and John Mirko. The function of the Compensation Committee is to review, on an annual basis, the compensation paid to the Company's executive officers and to the directors, to review the performance and compensation paid to the Company's executive officers and to make recommendations on compensation to the Board.

The primary goal of the Company's executive compensation process is to attract and retain the key executives necessary for its long term success, to encourage executives to further the development of the Company and operations, and to motivate top quality and experienced executives. The Company does not have a formal compensation program. The Company has not paid material compensation to either of its NEOs for the past three years due to the recent challenges in the resource sector. The Company's CFO provides services on a part time basis which is evidenced by his fees. The Company's CEO is not paid a salary of fees. Each NEO has been granted stock options to align the personal interest of these individuals with that of the Company's shareholders.

### *Stock Options*

The Company has established a formal stock option plan (the "Stock Option Plan") under which stock options are granted to directors, officers, employees and consultants as an incentive to serve the Company in attaining its goal of improved shareholder value. The board of directors of the Company (the "Board"), based on recommendations of the Compensation Committee where appropriate, determines which NEOs (and other persons) are entitled to participate in the Company's stock option plan; determines the number of options granted to such individuals; and determines the date on which each option is granted and the corresponding exercise price. Previous grants of option-based awards are taken into account when considering new grants.

The Board makes these determinations subject to the provisions of the existing Stock Option Plan and, where applicable, the policies of the TSX Venture Exchange.

As stated above, the Company has implemented the Stock Option Plan and the Board regards the strategic use of incentive stock options as a cornerstone of the Company's compensation plan. It applies to employees at all levels and continues to be one of the Company's primary tools for attracting, motivating and retaining qualified employees, which is critical to the Company's success. The Company is committed to long-term incentive programs that promote the continuity of an excellent management team and, therefore, the long-term success of the Company.

The Board is responsible for administering the stock option plan. The Board, based on recommendations of the Compensation Committee where appropriate, is charged with responsibility to determine the type and amount of compensation to be paid to directors, officers, employees and consultants of the Company including the awards of any stock options under the stock option plan.

All grants of stock options to the NEOs are reviewed and approved by the Board, and by the Compensation Committee where appropriate. In evaluating option grants to an NEO, the Board evaluates a number of factors including, but not limited to: (i) the number of options already held by such NEO; (ii) a fair balance between the number of options held by the NEO concerned and the other executives of the Company, in light of their responsibilities and objectives; and (iii) the value of the options (generally determined using a Black-Scholes analysis) as a component in the NEO's overall compensation package.

### **Employment, consulting and management agreements**

The Company does not have any contracts, agreements, plans or arrangements that provides for payments to a director or NEO at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, a change in control of the Company or a change in an NEO's responsibilities.

### **Oversight and Description of Director and Named Executive Officer Compensation**

The objective of the Company's compensation program is to compensate the executive officers for their services to the Company at a level that is both in line with the Company's fiscal resources and competitive with companies at a similar stage of development.

The Company compensates its executive officers based on their skill, qualifications, experience level, level of responsibility involved in their position, the existing stage of development of the Company, the Company's resources, industry practice and regulatory guidelines regarding executive compensation levels.

The base compensation of the executive officers is reviewed and set annually by the Compensation Committee. The members of the Compensation Committee are Shaun Maskerine, John Mirko and Tim Barry of which Mr. Mirko and Mr. Barry are considered independent members. Each of the independent members of the Compensation Committee has direct experience relating to executive compensation matters (having served on compensation committees) of publicly traded companies

The Compensation Committee has implemented three levels of compensation to align the interests of the executive officers with those of the Shareholders. First, executive officers may be paid a monthly consulting fee or salary. Second, the Board may award executive officers long term incentives in the form of stock options. Finally, the Board may award cash or share bonuses for exceptional performance that results in a significant increase in Shareholder value. The Company does not provide pension or other benefits to the executive officers. The Company does not have pre-existing performance criteria or objectives. All significant elements of compensation awarded to, earned by, paid or payable to NEOs are determined by the Company on a subjective basis. The Company has not used any peer group to determine compensation for its directors and NEO.

The Compensation Committee has the responsibility to administer compensation policies related to executive management of the Company, including option-based awards. The Shareholders have approved a stock option plan pursuant to which the Board has granted stock options to executive officers. The stock option plan provides compensation to participants and an additional incentive to work toward long-term company performance. The stock option plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the Board takes into account the number of options, if any, previously granted to each executive officer and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the Exchange, and closely align the interests of the executive officers with the interests of the Company's shareholders.

Compensation for the most recently completed financial year should not be considered an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Company's financial resources and prospects.

### **Pension Disclosure**

The Company does not have any pension or retirement plan which is applicable to the NEOs or directors. The Company has not provided compensation, monetary or otherwise, to any person who now or previously has acted as an NEO of the Company, in connection with or related to the retirement, termination or resignation of such person, and the Company has provided no compensation to any such person as a result of a change of control of the Company.

A copy of the Stock Option Plan will be available at the Meeting.

Pursuant to the Stock Option Plan, the Company has authorized the reservation of up to 10% of the issued and outstanding common shares of the Company for the grant of options from time to time. As of the date of this Information Circular, the total number of options outstanding is Nil.

Under the Stock Option Plan, the Board may from time to time grant to directors, senior officers, employees and consultants of the Company, as the Board shall designate, options to purchase from the Company such number of its common shares as the Board shall designate. Some of the significant terms of the Stock Option Plan are as follows:

1. The Company must obtain disinterested shareholder approval if the Stock Option Plan, together any previous plans, could result at any time in the grant to Insiders (as defined in the Stock Option Plan), within a 12 month period, a number of options exceeding 10% of the issued shares of the Company.
2. The total number of common shares to be reserved for issuance over the previous one year period for any optionee shall not exceed 5% of the issued common shares of the Company at the time of grant and the total number of common shares that may be reserved for issuance over the previous 12 month period for individuals engaged in an investor relations capacity shall not exceed 2% of the issued common shares of the Company at the time of grant. In addition, the Company shall be entitled to withhold from any amount payable to an optionee either under this Stock Option Plan or otherwise, such amount as may be necessary so as to ensure that the Company is in compliance with Applicable Withholdings and Deductions relating to the exercise of such options. Such amendment is permitted to be made by the Board without shareholder approval as they are required to ensure that the Stock Option Plan complies with the applicable regulatory requirements and are of a "housekeeping nature".

Accordingly, the shareholders will be asked at the Meeting to pass an ordinary resolution in the following terms:

"RESOLVED THAT, the Company's Stock Option Plan (the "Stock Option Plan"), as described in the Company's Information Circular dated November 14, 2016, be approved and the Board of Directors of the Company be granted the discretion pursuant to the Stock Option Plan to grant stock options to directors, officers, employees and consultants of the Company, as the Board of Directors of the Company sees fit. Such grants shall be made under the terms of the Stock Option Plan and within the rules and policies of the TSX Venture Exchange which are in effect at the time of granting and the exercise of any options granted pursuant to such authorization is hereby approved."
