

Affinity Metals Corp. Announces up to \$210,000 Non-Brokered Private Placement

Vancouver, British Columbia--(Newsfile Corp. - March 15, 2023) - **Affinity Metals Corp.** (TSXV: AFF) (the "**Company**") announces that it proposes to undertake a non-brokered private placement of up to 6,000,000 units @ \$0.035/unit to raise total gross proceeds of up to \$210,000 (the "**Offering**"). Each unit will be comprised of one common share and one common share purchase warrant. Each warrant will entitle the holder thereof to purchase one common share for a period of 2 years at a price of \$0.05.

The gross proceeds received from the sale of the units will be used for: payment of a portion of the fees owed to the CEO and CFO (48%); extinguish additional accounts payable (18%); exploration expenditures (13%); advertising and promotion (5%) and unallocated working capital (16%).

All securities issued and sold under the Offering will be subject to a hold period expiring four months and one day from their date of issuance. Completion of the Offering and the payment of any finders' fees remain subject to the receipt of all necessary regulatory approvals, including the approval of the TSX Venture Exchange.

Certain directors and officers of the Company (the "**Insiders**") are expected to participate in the Offering. Participation by Insiders in the private placement is considered a "related party transaction" pursuant to Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("**MI 61-101**"). The Company expects that it will be exempt from the requirements to obtain a formal valuation and minority shareholder approval in connection with the Insiders' participation in the private placement in reliance of sections 5.5(a) and 5.7(a) of MI 61-101, respectively, on the basis that participation in the Offering by the Insiders will not exceed 25% of the fair market value of the Company's market capitalization.
