("**Brillco**"), Marc Lustig, and Greg Wilson (each a "**Reporter**", and collectively, the "**Reporters**"), announce that, immediately following completion of the Business Combination (as defined below), each Reporter's deemed beneficial ownership of subordinate voting shares ("**Subordinate Shares**") and subordinate voting share purchase warrants ("**Subordinate Warrants**") of Cresco Labs Inc. The transaction giving rise to this press release was the completion of a business combination (the "**Business Combination**") that resulted in a reverse takeover of Randsburg International Gold Corp. by the securityholders of Cresco Labs, LLC, on November 30, 2018. The closing of the Business Combination resulted in a change to the capital structure of the Company, such that (i) the existing class of common shares of the Company were redesignated as Subordinate Shares, and (ii) certain principals of Cresco were issued certain participating super voting shares.
