Section 1.4 Time Periods. In this Agreement, in the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including” and the words “to” and “until” each mean “to but excluding”. Periods of days referred to in this Agreement shall be counted in calendar days unless Business Days are expressly prescribed. Any period determined hereunder by reference to a month or months or year or years shall end on the day in the relevant calendar month in the relevant year, if applicable, immediately preceding the date numerically corresponding to the first day of the next such period, provided, that if such period commences on the last day of a calendar month (or on a day for which there is no numerically corresponding day in the calendar month during which such period is to end), such period shall, unless otherwise expressly required by the other provisions of this Agreement, end on the last day of the calendar month. Unless otherwise specified, all references to specific times shall mean and be a reference to such time in New York, New York.

Section 1.5 Changes in IFRS. As used herein and in any certificate or other document made or delivered pursuant hereto, accounting terms not defined in Section 1.1, and accounting terms partly defined in Section 1.1 to the extent not defined, shall have the respective meanings given to them under IFRS. If at any time any change in IFRS would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Borrower or the Administrative Agent (in consultation with the Required Lenders) shall so request, the Borrower and the Administrative Agent shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in IFRS, provided that until so amended, (a) such ratio or requirement shall continue to be computed in accordance with IFRS prior to such change therein and (b) the Borrower shall provide the Administrative Agent financial statements and other documents required under this Agreement or as reasonably requested herein setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in IFRS.

Section 1.6 Delaware Divisions. For all purposes under the Loan Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction’s laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized on the first date of its existence by the holders of its Equity Interests at such time.

ARTICLE 2 THE LOAN

Section 2.1 Loan. On the terms and subject to the conditions of this Agreement, from and after the Closing Date to and including the last day of the Commitment Period, (a) the Lenders agree to provide Advances to the Borrower, and the Borrower agrees to borrow and accept proceeds of such Advances, up to Seventy-Five Million and 00/100 Dollars (\$75,000,000), provided that the maximum aggregate principal amount of the Loans shall be equal to the lesser of (i) the Loan Amount and (ii) the aggregate principal amount of the Commitments, and (b) upon the Borrower’s request, the Lenders agree to provide additional Advances to the Borrower, and the Borrower agrees to borrow and accept proceeds of such requested Advances, for amounts in excess of Seventy-Five Million and 00/100 Dollars (\$75,000,000), up to the Maximum Loan Amount, provided that the maximum aggregate principal amount of the Loans shall be equal to the lesser of (i) the Loan Amount and (ii) the aggregate principal amount of the Commitments. Any amounts borrowed and repaid under this Agreement may not be reborrowed.

Section 2.2 Advances.

(a) Subject to Section 2.3, the Advances to be made on the Initial Funding Date shall be made by the Lenders in an amount to be specified in a written funding request delivered by the Borrower to the Administrative Agent at least two (2) Business Days before the Initial Funding Date. Advances made after the Initial Funding Date that are described in Section 2.1(a) shall be made contemporaneously with increases in the Loan Amount and the aggregate principal amount of the Commitments. The Advances made pursuant to Section 2.1(b) shall be made upon the Borrower's delivery to the Administrative Agent of a written funding request (a "Funding Request") for any such Advance, which Funding Request shall be delivered not later than 12:00 noon (New York City time) at least ten (10) Business Days prior to the requested Funding Date, and subject to satisfaction or waiver of each of the conditions precedent set forth in Section 5.3. The proceeds of the Advance made on the Initial Funding Date shall be utilized as follows: (i) first, the Facility Fee will be withheld on behalf of and paid pro rata to the Lenders, (ii) second, the Reserve Amount will be deposited into the Reserve Account to the extent of the remaining proceeds of such Advances and (iii) third, the remaining proceeds of such Advances shall be deposited into such Accounts as the Borrower directs. The proceeds of Advances made after the Initial Funding Date shall be utilized as follows: (i) first, any fees agreed to in writing by the Borrower with respect to any applicable Lender will be withheld on behalf of and paid to such Lender, (ii) second, to the extent any additional Reserve Amount is required to be deposited in the Reserve Account pursuant to this Agreement, the Reserve Amount will be deposited into the Reserve Account to the extent of the remaining proceeds of such Advances and (iii) third, the remaining proceeds of such Advances shall be deposited into such Accounts as the Borrower directs for proceeds of Advances on the Initial Funding Date, unless a Funding Request directs otherwise. Each Funding Request shall be irrevocable and shall specify (i) the principal amount of the proposed Loan, (ii) wire instructions for the deposit account of the Borrower into which such funds should be deposited, and (iii) the proposed borrowing date, which must be a Business Day. The Administrative Agent and the Lenders may act without liability upon the basis of written, emailed or telecopied notice believed by the Administrative Agent in good faith to be from the Borrower (or from any Responsible Officer thereof designated in writing purportedly from the Borrower to the Administrative Agent). The Administrative Agent and each Lender shall be entitled to rely conclusively on any Responsible Officer's authority to request a Loan on behalf of the Borrower until the Administrative Agent receives written notice to the contrary. The Administrative Agent and the Lenders shall have no duty to verify the authenticity of the signature appearing on any written Funding Request.

(b) Each Funding Request pursuant to this Section 2.2 shall be irrevocable and the Borrower shall be bound to make a borrowing in accordance therewith.

(c) All Loans under this Agreement shall be made by the Lenders simultaneously and proportionately to their pro rata shares of the Commitments, it being understood that no Lender shall be responsible for any default by any other Lender in that other Lender's obligations to make a Loan requested hereunder, nor shall the Commitment of any Lender be increased or decreased as a result of the default by any other Lender in that other Lender's obligation to make a Loan requested hereunder, and each Lender shall be obligated to make the Loans required to be made by it by the terms of this Agreement regardless of the failure by any other Lender. Not later than 10:00 am New York City time, on the requested Funding Date, each

Lender shall make available to the Administrative Agent an amount in immediately available funds equal to the Advance to be made by such Lender.

(d) On the requested Funding Date, the Administrative Agent shall deliver the aggregate of the amounts made available to the Administrative Agent by the Lenders in immediately available funds, as specified in Section 2.1(a).

Section 2.3 Increase of Loan Amount. At any time from and including the Closing Date to and including the last day of the Commitment Period, provided that there does not exist any Default or Event of Default that is continuing, the Loan Amount may be increased, subject to Section 2.1, upon the Borrower's request, up to an aggregate principal amount at any time outstanding not to exceed Two Hundred Million and 00/100 Dollars (\$200,000,000) (the "Maximum Loan Amount"), provided that if Commitments are unavailable for the full amount of the Maximum Loan Amount, the Loan Amount and the principal amount of the Loan shall increase to the lesser amount for which Commitments are available. Any increase contemplated under this Section 2.3 shall be effective only upon the Administrative Agent's receipt of a fully-executed Lender Supplement in substantially the form of Exhibit C attached hereto. If the Loan Amount (a) is equal to or less than One Hundred Million and 00/100 Dollars (\$100,000,000), such Lender Supplement shall be executed by at least the Administrative Agent (and the Administrative Agent's execution of such Lender Supplement shall not be unreasonably withheld, conditioned or delayed), the Borrower and the Lenders providing additional Commitments pursuant thereto (including each new Lender) and (b) exceeds One Hundred Million and 00/100 Dollars (\$100,000,000), executed by the Administrative Agent, the Borrower, Required Lenders and to the extent not included in Required Lenders and still a Lender at such time, each Initial Lender; provided that, in case of either clause (a) or (b) above, the Administrative Agent consents (such consent not to be unreasonably withheld, conditioned or delayed) to any proposed new Lender providing additional Commitments pursuant to such increase. No Lender is required to provide any such increase.

Each such increase and other Loan provided hereunder shall be either a Tranche A Loan or a Tranche B Loan with an All-in Yield not exceeding the All-in Yield for the Tranche A Loans; provided that if the All-in Yield for the Tranche A Loans is increased then the All-in Yield for the Tranche B Loans may be increased to an amount not exceeding the All-in Yield for the Tranche A Loans. For the avoidance of doubt, the Applicable Maturity Date for the Tranche A Loans may not be extended without the prior written consent of all Lenders holding Tranche A Loans. This paragraph may not be amended without the prior written consent of all Lenders holding Tranche A Loans.

Section 2.4 Use of Proceeds. The Loan shall be used to fund the entire Reserve Amount to be deposited into the Reserve Account, and thereafter to fund Permitted Acquisitions and Permitted Investments pursuant to Section 8.4(f) and (g); provided that the proceeds of each Advance may be invested in Cash Equivalents pending regulatory approval of any Permitted Acquisition.

ARTICLE 3

REPAYMENTS, PREPAYMENTS, INTEREST AND FEES

Section 3.1 Repayments and Prepayments; Application. The Borrower agrees that the Loan shall be repaid and prepaid pursuant to the provisions of this Article 3.

Section 3.2 Repayment of Loan; Applicable Maturity Date. The Borrower shall repay to the Lenders holding Tranche A Loans on the Applicable Maturity Date for Tranche A Loans the aggregate Principal Amount of the Tranche A Loans on such date in full, together with all accrued and unpaid interest, fees, costs and other Obligations and amounts owed to any Agent or any Lender, in each case, on the Tranche A Loans. The Borrower shall repay to the Lenders holding Tranche B Loans on the Applicable Maturity Date for Tranche B Loans the aggregate Principal Amount of the Tranche B Loans on such date in full, together with all accrued and unpaid interest, fees, costs and other Obligations and amounts owed to any Agent or any Lender, in each case, on the Tranche B Loans. Prior thereto repayments of the Loan shall be made as set forth below in Section 3.3. Notwithstanding the provisions of this Section 3.2 to the contrary, the Borrower may not repay any Tranche B Loans at any time before the repayment in full of all Tranche A Loans (except as permitted by Section 3.3).

Section 3.3 Prepayments; Repayments.

(a) Voluntary Prepayment. The Borrower may voluntarily prepay (i) the Tranche A Loans (and not the Tranche B Loans) and (ii) both the Tranche A Loans and Tranche B Loans on a pro rata basis (and the Tranche B Loans alone if no Tranche A Loans remain outstanding), in each case, at any time prior to the Applicable Scheduled Maturity Date upon ten (10) Business Days' notice to the Administrative Agent. Any such voluntary prepayment shall be in the amount of all outstanding Obligations plus the Prepayment Premium and shall be tendered to the Administrative Agent at a time and in such manner as determined by the Administrative Agent in its reasonable discretion.

(b) Mandatory Prepayments. The Borrower will promptly notify the Administrative Agent of a Mandatory Prepayment Event as required under Section 7.4(a), and the applicable prepayment will be made no later than thirty (30) days from the date such notice is given. On the prepayment date, the Borrower shall prepay the principal amount of the Loans (pro rata between the Tranche A Loans and Tranche B Loans), together with all unpaid interest, fees and costs payable hereunder to (but excluding) the date of such prepayment, and all other outstanding Obligations with respect thereto, provided that the principal amount of the Loans payable with respect to clause (a) of the definition of "Mandatory Prepayment Event" shall be the amount by which the outstanding principal amount of the Loan exceeds the Loan Amount and with respect to clause (d) of the definition of a "Mandatory Prepayment Event," if the making of any Loan by a Lender is made illegal by any applicable Governmental Authority, the Borrower shall be obligated to repay the Obligations only to such Lenders (and not to others). In addition, the Borrower shall prepay the outstanding principal amount of the Loan utilizing the insurance proceeds received by any Loan Party or any Subsidiary in excess of One Million and 00/100 Dollars (\$1,000,000) arising from casualty or the loss of property if such insurance proceeds are not used to purchase replacement assets within one (1) year of receipt of such insurance proceeds.

(c) Provisions Applicable to All Prepayments or Repayments. Notwithstanding anything to the contrary in this Agreement or any other Loan Document or otherwise, upon the prepayment or repayment of the Loan in whole or in part (whether such prepayment is a mandatory prepayment, or a repayment upon acceleration pursuant to Section 10.2, whether by notice or automatically (on account of a Bankruptcy Event or otherwise)), the Borrower shall pay to the Administrative Agent for the ratable benefit of the Lenders in accordance with each Lender's Applicable Percentage of the paid or prepaid Loans all accrued but unpaid interest, fees and costs

payable hereunder to (but excluding) the date of such prepayment on the amount prepaid and any and all other outstanding Obligations which may be payable hereunder and under the other Loan Documents.

Section 3.4 Interest.

(a) Subject to the provisions of Section 3.4(b), the outstanding Principal Amount of the Loan will bear interest at a rate per annum equal to *[Redacted – Commercially Sensitive Information]*, less the Applicable Rate Adjustment (the “Applicable Rate”), payable in cash. All accrued and unpaid interest on the Loan shall be paid for the applicable Interest Period on each Interest Payment Date, commencing with the first Interest Payment Date immediately following the applicable Funding Date.

(b) After an Event of Default has occurred and is continuing, at the election of the Administrative Agent and the Required Lenders and upon notice to the Borrower, the entire Principal Amount of each Loan shall bear interest at a rate per annum equal to the Default Rate, accruing from the date on which such Event of Default occurred and all interest thereafter accrued on the Loan during the continuance of an Event of Default (including following the exercise of remedies pursuant to Section 10.2) shall be payable on demand.

(c) Interest shall accrue from and including the applicable Funding Date through payment in full of the Obligations. All interest shall be calculated by multiplying (i) the actual number of days elapsed in the Interest Period for which the calculation is being made, based on thirty (30) day months, by (ii) a daily rate based on a three hundred sixty (360) day year (that is, the Applicable Rate or the Default Rate, as then applicable, expressed as an annual rate divided by 360) by (iii) the Principal Amount; provided, however, that if any payment made under the Loan is ever rescinded, voided, or must otherwise be returned by the Lenders to the Borrower in connection with any bankruptcy, reorganization, receivership, insolvency, or otherwise, the amount returned shall bear interest from the date returned to the Borrower until the date such amount is paid to the Lenders.

Section 3.5 Application of Payments. So long as no Event of Default has occurred and is continuing, all payments, repayments and prepayments shall be applied: first, to the Agents’ and the Lenders’ charges, fees, expenses, indemnities and other obligations (other than the interest and principal) as provided in the Loan Documents; second, to accrued and unpaid interest then owing; and third, to all other Obligations, and in each case with respect to the Lenders, as applicable to each Lender, pro rata.

Section 3.6 Fees. All charges, fees, expenses, indemnities and other obligations (other than the interest and principal) owing under any of the Loan Documents shall be paid by the Loan Parties (who shall be jointly and severally liable therefor) in immediately available funds, at the times and in the amounts set forth in such Loan Documents.

Section 3.7 Evidence of Debt. The Loan made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender shall be conclusive, absent manifest error, of the amount of the Loan made by the Lenders to the Borrower and the interest, costs and payments thereon. Any failure to so record or any error in doing so shall not,

however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall execute and deliver to such Lender (through Administrative Agent) a Note, which shall evidence such Lender's Loan in addition to such accounts or records. Each Lender may attach schedules to its Note and endorse thereon the date, amount and maturity of its Loan and payments with respect thereto which shall be conclusive, absent manifest error.

Section 3.8 Payments Generally; Administrative Agent's Claw Back. All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff. Except as otherwise expressly provided herein, all payments by the Borrower hereunder shall be made to (a) the Administrative Agent, for the account of the respective Lenders to which such payments are owed, at the Administrative Agent's Office, or (b) at the direction of the Administrative Agent, directly to the respective Lenders to which such payment are owed, at the applicable Lender's lending office, in each case, in Dollars and in immediately available funds not later than 1:00 p.m. New York City time on the date(s) specified herein; provided that thirty (30) days prior to the Applicable Scheduled Maturity Date of a Tranche A Loan, the Borrower shall deliver to the Administrative Agent a notice describing the sources of funds to be used to make such payment which sources of funds shall be one or more of the following: (i) cash generated in the ordinary course of business, (ii) proceeds of issuance of Equity Interests or (iii) proceeds of Indebtedness with a maturity date that occurs on or after the latest Applicable Scheduled Maturity Date with respect to the Tranche B Loans; and provided further that such funds payable by the Borrower upon the Applicable Scheduled Maturity Date of a Tranche A Loan shall be deposited with the Administrative Agent not later than 1:00 p.m. New York City time on the date prior to the Applicable Scheduled Maturity Date of such Tranche A Loan, and the Administrative Agent shall (i) hold such funds in escrow pending their distribution to the Lenders and (ii) issue a notice on such Applicable Scheduled Maturity Date to the Lenders of Tranche B Loans stating whether all funds required to discharge the Tranche A Loans have been delivered by the Borrower in accordance with this Agreement, and the deposit of such funds by the Borrower shall conclusively satisfy the Borrower's obligation to pay such funds to the Agent and the applicable Lenders. The Administrative Agent will (or will direct the Borrower to) promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's lending office. All payments received by the Administrative Agent after 1:00 p.m. New York City time shall be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue. If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next succeeding Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be.

Section 3.9 Sharing of Payments. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of any Obligation in excess of its ratable share of payments on account of similar obligations obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in such similar obligations held by them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that (a) if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and each Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together

with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid by the purchasing Lender in respect of the total amount so recovered and (b) the provisions of this Section 3.9 shall not be construed to apply to (i) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement, or (ii) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant, other than to any Loan Party or any Subsidiary thereof (as to which the provisions of this Section 3.9 shall apply). The Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 3.9 may, to the fullest extent permitted by law, exercise all of its rights (including the Lender's right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation.

Section 3.10 Apportionment of Payments.

(a) All payments of principal and interest in respect of outstanding Loans, all payments of fees (other than the fees set forth in Section 3.6, the Facility Fee and the fees in any fee letter with any Agent) and all other payments in respect of any other Obligations, shall be allocated by the Administrative Agent among such of the Lenders as are entitled thereto, in proportion to their respective pro rata share of the outstanding Loan or otherwise as provided herein or, in respect of payments not made on account of Loans, as designated by the Person making payment when the payment is made.

(b) (i)(A) After the occurrence and during the continuance of an Event of Default described in Section 10.1(a), (e) or (f), (B) after the acceleration of the Loans pursuant to Section 10.2, (C) after the exercise of enforcement remedies by the Administrative Agent (acting at the written direction of Required Lenders) pursuant to the Loan Documents or (D) otherwise upon the direction of the Required Lenders, after the occurrence and during the continuance of an Event of Default, then (ii) in each case, the Administrative Agent shall apply all payments in respect of any Obligations, including, without limitation, proceeds of the Collateral and any amounts received on account of the Obligations (whether received as a consequence of the exercise of any remedies under Section 10.2 hereof or any Loan Document or as a distribution out of any proceeding in respect of or commenced under any Insolvency Proceeding including payments in respect of "adequate protection" for the use of Collateral during such proceeding) or under any plan of reorganization or on account of any liquidation of any Loan Party or any Subsidiary thereof, subject to the provisions of this Agreement, (A) first, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities and other amounts then due and payable to the Administrative Agent and its agents and attorneys until paid in full; (B) second, ratably to pay the Obligations in respect of any fees, expense reimbursements, indemnities, premiums (including the Prepayment Premium, if applicable) and other amounts then due and payable to the Lenders until paid in full; (C) third, ratably to pay interest then due and payable in respect of the Loan until paid in full; (D) fourth, ratably to pay principal of the Loan until paid in full; (E) fifth, to the ratable payment of all other Obligations then due and payable until all such Obligations are paid in full; and (F) sixth, to the extent of any remaining amount, to an Account or Accounts as directed by the Borrower.

(c) For purposes of Section 3.10(b), "paid in full" means payment in cash of all amounts owing under the Loan Documents (other than contingent indemnification obligations for

which no claim has been asserted) according to the terms thereof, including loan fees, service fees, professional fees, interest (and specifically including interest, fees and expenses accrued after the commencement of any Insolvency Proceeding, whether or not the same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding), default interest, interest on interest, and expense reimbursements, whether or not same would be or is allowed or disallowed in whole or in part in any Insolvency Proceeding.

(d) In the event of a conflict between the priority provisions of this Section 3.10 and other provisions contained in any other Loan Document, the terms and provisions of this Section 3.10 shall control and govern.

ARTICLE 4

CHANGED CIRCUMSTANCES, TAXES AND CERTAIN OTHER PROVISIONS

Section 4.1 Increased Costs.

(a) If any Change in Law shall:

(A) impose, modify or deem applicable any reserve, special deposit, liquidity or similar requirement (including any compulsory loan requirement, insurance charge or other assessment) against assets of, deposits with or for the account of, or credit extended by, any Lender;

(B) impose on any Lender any other condition, cost or expense (other than Taxes) affecting this Agreement or Loan made by such Lender; or

(C) subject any Lender or any Agent, as applicable, to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (d) and (e) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the cost to such Lender or such Agent of making, continuing, converting into or maintaining any Loan or of maintaining its obligation to make any such Loan or to reduce the amount of any sum received or receivable by such Lender or such Agent hereunder, whether of principal, interest or otherwise, then the Loan Parties shall pay to such Lender or such Agent such additional amount or amounts as will compensate such Lender or such Agent for such additional costs incurred or reduction suffered.

(b) If any Lender determines that any Change in Law regarding capital or liquidity requirements has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Loan made by such Lender to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy and liquidity), then from time to time the Loan Parties shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of the applicable Lender or Agent setting forth the amount or amounts necessary to compensate such Lender or such Agent or its holding company as specified in paragraph (a) or (b) of this Section 4.1 shall be delivered to the Borrower and shall be conclusive absent manifest error. The Loan Parties shall pay such Agent or such Lender the amount shown as due on any such certificate within ten (10) days after receipt thereof.

Failure or delay on the part of any Agent or any Lender to demand compensation pursuant to this Section 4.1 shall not constitute a waiver of such Agent's or such Lender's right to demand such compensation.

Section 4.2 Taxes.

(a) Payments Free of Taxes. Any and all payments by or on account of any of the Obligations hereunder or under any other Loan Document shall be made free and clear of and without deduction or withholding for any Taxes, provided that if a Loan Party or any Subsidiary thereof shall be required by applicable Law to deduct or withhold, or a Lender or an Agent, as applicable, shall be required to remit, any Taxes from such payments, then (i) such Loan Parties or such Subsidiary shall make any such deductions or withholdings and (ii) such Loan Parties or such Subsidiary shall timely pay the full amount deducted or withheld to the relevant and applicable Governmental Authority in accordance with applicable Law and (iii) if such Taxes are Indemnified Taxes, the sum payable shall be increased as necessary so that after making all required deductions, withholdings or remittances (including deductions, withholdings or remittances applicable to additional sums payable under this Section 4.2), such Lender or such Agent receives an amount equal to the sum it would have received had no such deductions, withholdings or remittances been made.

(b) Payment of Other Taxes. Without limiting or duplicating the provisions of Section 4.2(a), the Loan Parties or any Subsidiary thereof shall timely pay (or, at the option of the Administrative Agent, timely reimburse it for the payment of) any Other Taxes to the relevant and applicable Governmental Authority in accordance with applicable Law.

(c) Indemnification by the Loan Parties. The Loan Parties shall indemnify each Agent and each Lender within five (5) days after written demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section 4.2) paid by such Agent or such Lender, as the case may be, and any penalties, interest and expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant and applicable Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Lender or by an Agent on its own behalf, as applicable, shall be conclusive absent manifest error.

(d) Evidence of Payments. As soon as practicable after any payment of Taxes (imposed with respect to this Agreement or any other Loan Document) by a Loan Party to an applicable Governmental Authority, the Borrower shall deliver to the applicable Lender or Agent, as the case may be, the original or a certified copy of a receipt issued by such applicable Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment satisfactory to such Lenders or such Agent, as applicable.

(e) Status of Lenders. (i) Any Lender that is entitled to an exemption from, or reduction in the rate of, withholding tax under the Law of the jurisdiction in which any Loan Party or any Subsidiary thereof is resident for tax purposes, or any treaty to which such jurisdiction is a party, with respect to payments hereunder or under any other Loan Document shall deliver to the Borrower, at the time or times prescribed by applicable Law or reasonably requested by the Borrower, such properly completed and executed documentation prescribed by applicable Law as will permit such payments to be made without withholding or at a reduced rate of withholding. Such delivery shall be required on the Closing Date (or, in the case of an assignee, on the date of assignment) and on or before the date such documentation expires or becomes obsolete or after the occurrence of any event requiring a change in the most recent documentation so delivered or as may reasonably be requested by the Borrower. In addition, any Lender, if requested by the Borrower, shall deliver such other documentation prescribed by applicable Law or reasonably requested by the Borrower as will enable the Borrower to determine whether or not such Lender is subject to backup withholding requirements.

(ii) Without limiting the generality of the foregoing, in the event that any Loan Party or any Subsidiary thereof is resident for tax purposes in the United States, any Lender that is entitled to an exemption from, or reduction in the rate of, United States withholding tax shall deliver to the Borrower (in such number of copies as shall be reasonably requested by the Borrower) on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower), whichever of the following is applicable:

(A) duly completed copies of IRS Form W-8BEN or W-8BEN-E claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(B) duly completed copies of IRS Form W-8ECI;

(C) duly completed copies of IRS Form W-8IMY;

(D) in the case of a Lender that is entitled to claim the benefits of the exemption for portfolio interest under section 881(c) of the Code, (x) a certificate to the effect that such Lender is not (A) a “bank” within the meaning of section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” related to the Borrower, as described in section 881(c)(3)(C) of the Code and (y) duly completed copies of IRS Form W-8BEN or W-8BEN-E; or

(E) any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in United States federal withholding tax duly completed together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section

1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower at the time or times prescribed by Law and at such time or times reasonably requested by the Borrower such documentation prescribed by applicable Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower as may be necessary for the Borrower to comply with its obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this paragraph, "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(iv) Without limiting the generality of the foregoing, in the event that any Loan Party or any Subsidiary thereof is resident for tax purposes in Canada, any Lender that is entitled to an exemption from, or reduction in the rate of, Canadian withholding tax shall, to the extent it is legally entitled to do so, if reasonably requested by the Borrower, deliver to the Borrower (in such number of copies as shall be reasonably requested by the Borrower) executed copies of Canada Revenue Agency Form NR301, NR302 or NR303, as applicable, together with such supplementary documentation as may be prescribed by applicable Law, certifying such Lender's eligibility to receive a reduced rate of withholding tax or exemption provided by any tax treaty between Canada and another jurisdiction in respect of payments made to it under any Loan Document.

(c) deliver to the Collateral Agent copies of (i) UCC, PPSA or similar search reports for the applicable jurisdiction, federal, provincial, state or other tax Liens, judgment, litigation and bankruptcy reports dated a date reasonably near (but prior to) the date such Person becomes a Subsidiary Guarantor and a party to the Security Agreement, listing all effective UCC, PPSA or similar financing statements, federal, provincial, state or other tax Liens, and judgment Liens which name such Person, as the debtor, and pending litigation and bankruptcies against such Person, and which are filed or pending, as applicable, in each jurisdiction in which UCC, PPSA or similar filings are to be made pursuant to this Agreement or the other Loan Documents and any other appropriate jurisdictions, together with copies of such financing statements (none of which (other than Permitted Liens) shall cover any of the Collateral), and (ii) search results from the United States Patent and Trademark Office, United States Copyright Office and Canadian Intellectual Property Office to the extent any patents, trademarks or copyrights form a part of the Collateral being granted by such Person;

Therefore, as an accommodation to Borrower (but subject to the other conditions set forth herein), the Administrative Agent and the Lenders have agreed to allow the Borrower to complete such conditions on a post-closing basis. In consideration of such accommodation, Borrower hereby agrees to take, and cause each other Loan Party to take, each of the actions described with respect to the following items (collectively, the “Post-Closing Obligations”), the Borrower shall deliver (or otherwise satisfy) each Post-Closing Obligation to the reasonable satisfaction of the Administrative Agent in the form, manner and time set forth hereunder for such Post-Closing Obligation or within such longer time or different form or manner as the Administrative Agent may reasonably agree.

(a) Indebtedness in favor of the Lenders or the Administrative Agent under the Loan Documents;

(b) Indebtedness listed on Schedule 8.1 (other than the OCN First Loan and the OCN Second Loan) and any Permitted Refinancing Indebtedness in respect of such Indebtedness; provided, however, that with respect to any earn-out payments payable in cash, such earn-out payments shall not be paid if any Event of Default has occurred and is continuing;

(d) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds in the ordinary course of business and (to the extent such practice has been established) consistent with past practice; provided, however, that such Indebtedness is extinguished within ten (10) Business Days of incurrence;

(e) Indebtedness incurred if the Total Fixed Charge Coverage Ratio determined on a pro forma basis after giving effect to the incurrence of such Indebtedness (including the pro forma application of the net proceeds therefrom) would not be less than 2.00 to 1.00, provided that, such Indebtedness shall be subordinated to the Obligations on terms acceptable to the Administrative Agent;

(f) Non-Recourse Debt not to exceed Five Million and 00/100 Dollars (\$5,000,000) at any time outstanding;

constitute an incurrence of such Indebtedness by the Restricted Party, as the case may be, that was not permitted by this clause (g);

(h) Indebtedness of a Restricted Party that is not a Loan Party owed to another Restricted Party;

(i) the Guarantee by any Restricted Party of Indebtedness of a Restricted Party that was permitted to be incurred by another provision of this Section 8.1;

(j) the incurrence by a Loan Party of Hedging Obligations for the purpose of managing risks in the ordinary course of business and (to the extent such practice has been established) consistent with past practice and not for speculative purposes, provided that the net Mark-to-Market Exposure of all Hedging Obligations shall not exceed Five Million and 00/100 Dollars (\$5,000,000) in the aggregate at any time;

(k) Indebtedness in respect of workers' compensation claims, warehouse receipt or similar facilities, casualty or liability insurance, take-or-pay obligations in supply arrangements, self-insurance obligations, bankers' acceptances, performance bonds, completion bonds, bid bonds, appeal bonds and surety bonds or other similar bonds or obligations, and any Guarantees or letters of credit functioning as or supporting any of the foregoing, in each case provided by such Restricted Party in the ordinary course of business and (to the extent such practice has been established) consistent with past practice;

(l) Indebtedness constituting reimbursement obligations with respect to letters of credit issued in the ordinary course of business and (to the extent such practice has been established) consistent with past practice, provided that such Indebtedness shall not exceed Five Million and 00/100 Dollars (\$5,000,000) in the aggregate at any time;

(m) Permitted Acquisition Indebtedness and any Permitted Refinancing Indebtedness in respect of such Permitted Acquisition Indebtedness;

Refinancing Indebtedness in respect thereof is subject to the OCN Subordination Agreement (or any subordination agreement delivered in replacement thereof), from and after the date the OCN Subordination Agreement is required to be delivered in accordance with Section 7.22 and no payments are made thereunder prior to the delivery of the OCN Subordination Agreement other than as permitted under Section 8.7.

For the avoidance of doubt, for purposes of determining compliance with this Section 8.1, in the event that any proposed Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (a) through (q) above, the Restricted Parties will be permitted to divide and classify such item of Indebtedness at the time of its incurrence in any manner that meets the criteria of one or more of such clauses, does not cause the Restricted Parties to exceed the limits of such clauses and otherwise complies with this Section 8.1. In addition, any Indebtedness originally divided or classified as incurred pursuant to clauses (a) through (q) above may later be re-divided or reclassified by the Restricted Parties in any manner that meets the criteria of one or more of such clauses and will be deemed as having been incurred pursuant to another of such clauses; provided that such re-divided or reclassified Indebtedness could be incurred pursuant to such new clause at the time of such re-division or reclassification, shall not cause the Restricted Parties to exceed the limits of such clause and otherwise complies with this Section 8.1.

Notwithstanding any other provision of this Section 8.1 and for the avoidance of doubt, the maximum amount of Indebtedness that may be incurred pursuant to this Section 8.1 will not be deemed to be exceeded with respect to any outstanding Indebtedness due solely to the result of fluctuations in the exchange rates of currencies or increases in the value of property securing Indebtedness which occur subsequent to the date that such Indebtedness was incurred as permitted by this Section 8.1.

Section 8.2 Liens. Create or permit to exist any Lien on any of its assets (including Collateral), except for the following (the "Permitted Liens"):

- (a) Liens in favor of the Agents or the Lenders under the Loan Documents;

(m) Liens given to a public utility of any municipality or governmental or other public authority when required by such utility or authority in connection with the ownership of assets, provided that such Liens do not materially interfere with the use of such assets in the operation of the business;

(p) servicing agreements, development agreements, site plan agreements, and other agreements with Governmental Authorities pertaining to the use or development of assets, provided each is complied with in all material respects and does not materially interfere with the use of such assets in the operation of the business;

(u) Liens securing Indebtedness permitted under Section 8.1(q); provided that such Liens are subject to the OCN Subordination Agreement (or any subordination agreement delivered in replacement thereof), from and after the date the OCN Subordination Agreement is required to be delivered in accordance with Section 7.22 and no payments are made thereunder prior to the delivery of the OCN Subordination Agreement other than as permitted under Section 8.7.

For the avoidance of doubt, for purposes of determining compliance with this Section 8.2, (i) a Lien securing an item of Indebtedness need not be permitted solely by reference to one category (or portion thereof) of Permitted Liens described in clauses (a) through (u) above but may be permitted in part under any combination thereof that meets the criteria of one or more of such clauses, does not cause the Restricted Parties to exceed the limits of such clauses and otherwise complies with this Section 8.2, and (ii) in the event that a Lien securing an item of Indebtedness (or any portion thereof) meets the criteria of one or more of the categories (or portions thereof) of Permitted Liens described in clauses (a) through (u) above, the Restricted Parties shall be entitled to divide, classify or reclassify, or later divide, classify, or reclassify, such Lien securing such item of Indebtedness (or any portion thereof) in any manner that complies (based on circumstances existing at the time of such division, classification or reclassification) with the criteria of one or more of such clauses, does not cause the Restricted Parties to exceed the limits of such clauses, and otherwise complies with this Section 8.2.

In addition, with respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the incurrence of such Indebtedness, such Lien shall also be permitted to secure any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms or in the form of common equity of a Loan Party, the payment of dividends on preferred stock in the form of additional shares

of preferred stock of the same class, accretion of original issue discount or liquidation preference, and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness described in the definition of “Indebtedness.”

For the avoidance of doubt, in no circumstance may the obligations of any Loan Party or its Subsidiaries under any Material Agreement be secured by any Lien, except as otherwise permitted by this Section 8.2.

Section 8.3 Dispositions or Transfers. Make any Disposition or Transfer, except for the following:

(a) any single transaction or series of related transactions that involves assets or other Equity Interests having a fair market value of less than Five Million and 00/100 Dollars (\$5,000,000); provided that the aggregate amount of any such transactions shall not have a fair market value exceeding a maximum of Five Million and 00/100 Dollars (\$5,000,000) during the term of this Agreement;

(o) Fraud. Fraud or intentional misrepresentation by any Loan Party or any Subsidiary thereof in connection with the Loan.

Section 10.2 Remedies Upon Event of Default. In the case of an Event of Default, at any time thereafter during the continuance of such Event of Default, the Administrative Agent may, and at the request of the Required Lenders, shall, by written notice to the Borrower, take any one or more of the following actions, at the same or different times: (i) terminate this Agreement and any Commitments made hereunder, (ii) exercise any all remedies available to the Administrative Agent and the Lenders under the Security Documents or otherwise available at law or in equity, including the Uniform Commercial Code, by suit in equity by action at law, judicial or no judicial foreclosure, or otherwise, (iii) set off any amounts held in the Reserve Account or any other Account under the Administrative Agent's control, (iv) instruct any Loan Party to carry on and conduct such Loan Party's business in substantially the same manner in the Core Business and to do all things necessary to maintain any Cannabis Licenses in continued effect and (v) declare any Note and any Loan then outstanding to be due and payable in whole (or in part, in which case any portion of the Principal Amount not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the Principal Amount so declared to be due and payable, together with accrued interest thereon and all charges, fees, expenses, indemnities and other Obligations owing or payable hereunder or under any other Loan Document, shall become due and payable immediately, without presentment, demand, protest, notice of intent to accelerate, notice of acceleration or other notice of any kind, all of which are hereby waived by the Borrower. The Loan Parties must cooperate with the Administrative Agent and continue to operate the business as required by the Administrative Agent.

Section 10.3 Application of Funds. After the occurrence and during the continuance of an Event of Default, any amounts received on account of the Obligations shall be applied by the Administrative Agent in accordance with Section 3.10(b)-(c).

Section 10.4 Protective Advances/Cure Rights. If the Borrower fails to do so, at any time prior to payment in full of the Obligations under the Loan, the Administrative Agent, on behalf of the Lenders, without waiving or releasing any of the Obligations, upon prior written notice to the Borrower, may (but shall not be required to) make any payments as the Administrative Agent may deem necessary to protect and/or maintain the Collateral. In addition, if the Borrower fails to do so, if at any time a breach, Default or Event of Default, occurs or any Loan Party otherwise fails to perform or comply with any of the terms, covenants, and conditions to be performed and/or complied with, any other Indebtedness, then the Administrative Agent, on behalf of the Lenders, without waiving or releasing any of the Obligations, may (but shall not be required to):

- (a) make advances to the Loan Parties and/or directly make any payments as the Administrative Agent may deem necessary to cure or remedy such event or failure, including, without limitation, to cure or prevent a Default or Event of Default or an exercise of any rights or remedies or options against the Loan Parties or Lenders; and/or
- (b) perform any other acts on their part to be performed for such purposes.

The making by the Administrative Agent of any such advances, payments or performances will not, however, be deemed to cure any Default or Event of Default under the Loan Documents arising from the predicated Events of Default. All sums so advanced or paid and all costs and expenses incurred by the Administrative Agent in connection with the performance of any such act shall be subject to the same terms and shall be deemed to be part of the Loan (including that such advances shall bear interest at the Applicable Rate or, if an Event of Default shall have occurred and be continuing and the Administrative Agent has so elected, the Default Rate, and be due on the Applicable Maturity Date, will be added to the Principal Amounts of the Loan and the Note and if repaid prior to the Applicable Maturity Date will be secured by the Security Documents). All such payments and advances so actually made shall conclusively be deemed to be protective advances which are required and mandatory to preserve and protect the Collateral Agent's security for the performance of the Obligations under the Loan Documents, and shall be secured by the Security Documents to the same extent and with the same priority as the other principal, interest and other amounts payable under the Loan Documents.

ARTICLE 11 ADMINISTRATIVE AGENT AND COLLATERAL AGENT

Section 11.1 Appointment and Authority.

- (a) Each of the Lenders hereby irrevocably appoints *[Redacted – Confidential]* to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and authorize the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.
- (b) Each of the Lenders hereby irrevocably appoints *[Redacted – Confidential]* to act on its behalf as the Collateral Agent hereunder and under the other Loan Documents and authorize the Collateral Agent to take such actions on its behalf and to exercise such powers as are

delegated to the Collateral Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto.

(c) The provisions of this Article (except Section 11.9) are solely for the benefit of the Agents and the Lenders, and no Loan Party nor any of their Related Parties shall have rights as a third party beneficiary of any of such provisions.

Section 11.2 Rights as a Lender. The Person serving as an Agent hereunder, to the extent a Lender, shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as an Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with any Loan Party or any Subsidiary or other Affiliate thereof as if such Person were not an Agent hereunder and without any duty to account therefor to the Lenders.

Section 11.3 Exculpatory Provisions. No Agent shall have any duties or obligations except those expressly set forth herein and in the other Loan Documents. Without limiting the generality of the foregoing, each Agent:

(a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing;

(b) shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), provided that such Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law; and

(c) shall not, except as expressly set forth herein and in the other Loan Documents, have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to the Borrower or any of its Affiliates that is communicated to or obtained by the Person serving as such Agent or any of its Affiliates in any capacity. Such Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Lenders (or such other number or percentage of the Lenders as shall be necessary, or such Agent shall believe in good faith to be necessary, under the circumstances as provided in Section 12.1 and Section 10.2) or (ii) in the absence of its own gross negligence or willful misconduct. Such Agent shall not be deemed to have knowledge of any Default unless and until written notice describing such Default is given to any Agent by the Borrower or any Lender. Such Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with this Agreement or any other Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement, any other Loan

Document or any other agreement, instrument or document or (v) the satisfaction of any condition set forth in Article 5 or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to Agent.

Section 11.4 Reliance by Agent. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any writing sent through electronic mail) sent by a Loan Party believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. In determining compliance with any condition hereunder to the making of a Loan, that by its terms must be fulfilled to the satisfaction of a Lender, each Agent may presume that such condition is satisfactory to such Lender unless such Agent shall have received written notice to the contrary from such Lender prior to the making of such Loan. Each Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 11.5 Delegation of Duties. Each Agent may perform any and all of their duties and exercise their rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by such Agent. Each Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of any Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as such an Agent.

Section 11.6 Resignation or Removal of the Administrative Agent or Collateral Agent.

(a) The Administrative Agent may at any time give written notice of its resignation to the Lenders and the Borrower to be effective not earlier than thirty (30) days from the date of such notice.

(b) The Collateral Agent may at any time give written notice of its resignation to the Lenders and the Borrower to be effective not earlier than thirty (30) days from the date of such notice.

(c) The Required Lenders may remove either Agent from their capacity as such Agent under this Article 11, upon 10 Business Days' written notice to such Agent. Upon receipt of such notice, such Agent shall cease all further activities and duties in the capacity in for which it was removed and provide such assistance as the Required Lenders may reasonably request to effect an orderly transition to a new Agent.

(d) Upon receipt of any written notice of resignation by either Agent, or upon the removal of such Agent by the Required Lenders, or if there exists a vacancy in any such capacity for whatever reason, the Required Lenders shall have the right to appoint with the consent of the Borrower which shall not be unreasonably withheld, delayed or conditioned (except that such consent shall not be required at any time that an Event of Default is continuing), an Eligible Assignee as a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within thirty (30) days after the retiring or removed Agent gives written notice of its resignation, then such retiring or removed Agent may, on behalf

of the Secured Parties, appoint a successor Agent meeting the qualifications set forth above; provided that if the retiring or removed Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation or removal shall nonetheless become effective in accordance with such written notice, and (1) the retiring or removed Agent, as applicable, shall be discharged from its duties and obligations hereunder and under the other Loan Documents, and (2) all payments, communications and determinations provided to be made by, to or through such retiring or removed Agent shall instead be made by or to each Lender, until such time as the Required Lenders appoint a successor Agent as provided for above in this Section 11.6. Upon the acceptance of a successor's appointment as an Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Agent, and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Loan Documents (if not already discharged therefrom as provided above in this Section 11.6). After the retiring or removed Agent's resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 12.4 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as the Administrative Agent or the Collateral Agent, as applicable.

Section 11.7 Non-Reliance on Agent and Other Lenders. Each Lender acknowledges that it has, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon any Agent or any other Lender or any of their Related Parties and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder.

Section 11.8 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Subsidiary, Administrative Agent (irrespective of whether the principal of any Loan shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loan, and all other obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 3.6 and Section 12.4) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event

that the Administrative Agent shall consent to the making of such payments directly to the Lenders to pay to the Administrative Agent any amount due for the compensation, expenses, disbursements and advances of the Administrative Agent and its agents and counsel, and any other amounts due the Administrative Agent under Section 3.6 and Section 12.4. Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 11.9 Collateral and Subsidiary Guarantor Releases. The Lenders hereby empower and authorize the Administrative Agent to execute and deliver to the Borrower on the Lenders' behalf any agreements, documents or instruments as shall be necessary or appropriate to effect any releases of Collateral which shall be permitted by the terms hereof or of any other Loan Document (including, without limitation, in connection with any asset sale permitted hereunder or in connection with any release of a Subsidiary Guarantor made in accordance with the Loan Documents) or which shall otherwise have been approved by the Required Lenders (or, if required by the terms of Section 12.1, all of the Lenders) in writing. In addition, the Lenders authorize the Administrative Agent to release any Subsidiary Guarantor from its obligations under the Loan Documents if such Person is no longer required to be a Subsidiary Guarantor hereunder or if such Person is sold, transferred or assigned in accordance with and to the extent permitted by the terms of this Agreement. Upon the request of the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of Collateral, or to release any Subsidiary Guarantor from its obligations under the Loan Documents pursuant to the foregoing. In each case as specified hereto, the Administrative Agent shall (and each Lender hereby authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release of such item of Collateral from the security interest granted under the Loan Documents or to subordinate its interest therein, or to release a Subsidiary Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents.

ARTICLE 12 MISCELLANEOUS

Section 12.1 Amendments, Actions Under this Agreement, Etc.

(a) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrower and the Required Lenders or by the Borrower and either Agent with the consent of the Required Lenders; provided that no such agreement shall (i) increase the Maximum Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly affected thereby (except the waiver of the obligation to pay Default Rate of interest (both prior to its accrual and retroactively) shall not constitute a reduction in the rate of interest or fees for purposes of this clause (ii)), (iii) postpone the scheduled date of payment of the principal amount of any Loan (other than any reduction of the amount of, or any extension of the payment date for, the mandatory prepayments required under Section 3.3 in each case which shall only require the approval of the Required Lenders), or any interest thereon, or any fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the

scheduled date of expiration of any Maximum Commitment, without the written consent of each Lender directly affected thereby, (iv) change any of the provisions of Section 3.5, Section 3.9, Section 3.10 and this Section 12.1, the definition of “Required Lenders,” or any other provision hereof specifying the number or percentage of Lenders required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the written consent of each Lender, (v) except as permitted by the terms of a Loan Document, release any Loan Party from its obligations under the Loan Documents without the written consent of each Lender, (vi) increase the Loan Amount or the aggregate Commitments (A) up to and including Two Hundred Million and 00/100 Dollars (\$200,000,000), other than in accordance with Section 2.3, or (B) in excess of Two Hundred Million and 00/100 Dollars (\$200,000,000), without the prior written consent of each Lender or (vii) except as provided in clause (b) of this Section 12.1 or in any Security Document, release all or substantially all of the Collateral, without the written consent of each Lender; provided further that no such agreement shall amend, modify or otherwise affect the rights or duties of the either Agent without the prior written consent of such Agent. Notwithstanding the foregoing, no consent with respect to any amendment, waiver or other modification of this Agreement shall be required of any Defaulting Lender, except with respect to any amendment, waiver or other modification referred to in clause (i), (ii) or (iii) of the first proviso of this paragraph and then only in the event such Defaulting Lender shall be directly affected by such amendment, waiver or other modification;

(b) The Lenders hereby irrevocably authorize the Collateral Agent, at its option, to release any Liens granted to the Collateral Agent by the Loan Parties on any Collateral (i) upon the occurrence of the payment in full of all Obligations, (ii) constituting property being sold or disposed of if the Borrower certifies to the Administrative Agent that the sale or disposition is made in compliance with the terms of this Agreement (and the Administrative Agent may rely conclusively on any such certificate, without further inquiry) or (iii) as required to effect any sale or other disposition of such Collateral in connection with any exercise of remedies of the Administrative Agent and the Lenders pursuant to Article 10. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those expressly being released) upon (or obligations of the Loan Parties in respect of) all interests retained by the Loan Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral;

(c) If, in connection with any proposed amendment, waiver or consent requiring the consent of “each Lender” or “each Lender directly affected thereby,” the consent of the Required Lenders is obtained, but the consent of other necessary Lenders is not obtained (any such Lender whose consent is necessary but not obtained being referred to herein as a “Non-Consenting Lender”), then the Borrower or the Administrative Agent may elect to replace a Non-Consenting Lender as a Lender party to this Agreement, provided that, concurrently with such replacement, (i) another bank or other Person which is reasonably satisfactory to the Borrower and the Administrative Agent shall agree, as of such date, to purchase for cash the Loan and other Obligations due to the Non-Consenting Lender pursuant to an Assignment and Assumption and to become a Lender for all purposes under this Agreement and to assume all obligations of the Non-Consenting Lender to be terminated as of such date, and (ii) the Borrower shall pay to such Non-Consenting Lender in same day funds on the day of such replacement all interest, fees and other amounts then accrued but unpaid to such Non-Consenting Lender by the Borrower hereunder to

and including the date of termination, including without limitation payments due to such Non-Consenting Lender under Section 4.1 and Section 4.2; or

(d) Notwithstanding anything to the contrary herein, the Administrative Agent may, with the consent of the Borrower only, amend, modify or supplement this Agreement or any of the other Loan Documents to cure any ambiguity, omission, mistake, defect or inconsistency.

(e) Notwithstanding anything to the contrary herein, the Borrower may amend the schedules hereto (except for Schedule 1.2) within 30 days after the Closing Date solely to the extent necessary to reflect the Origin House Acquisition; provided that any material amendment to the schedules is subject to the consent of the Administrative Agent (such consent not to be unreasonably withheld, conditioned or delayed).

Section 12.2 Notices; Effectiveness; Electronic Communication.

(a) Notices Generally. All notices and other communications provided for hereunder shall, unless otherwise stated herein, be either (i) in writing and delivered by nationally recognized courier service or mailed by certified or registered mail or (ii) by electronic mail, (A) as to the Borrower, each Lender, each Agent, at its address specified on its signature page hereto (or, in the case of a Lender that becomes party to this Agreement by assignment, at its address specified in the Assignment and Assumption pursuant to which it became a Lender hereunder) and (B) any other Person, at such other Person's address as shall be designated by such Person in a written notice to the Administrative Agent. All notices, elections, requests and demands under this Agreement shall be effective and deemed received upon the earliest of (i) the actual receipt of the same by personal delivery, (ii) one (1) Business Day after being deposited with a nationally recognized overnight courier service, or (iii) three (3) Business Days after being deposited in the United States mail. Any notice so given by electronic mail shall be deemed to have been given as of the date on which the sender of such communication shall confirm receipt thereof by the appropriate parties. Rejection or other refusal to accept or the inability to deliver because of changed address of which no notice was given as herein required shall be deemed to be receipt of the notice, election, request, or demand sent.

(b) Change of Address, Etc. The Borrower or any Agent may change its address, electronic mail address or telephone number for notices and other communications hereunder by written notice to the other parties hereto. Each other Lender may change its address, electronic mail address or telephone number for notices and other communications hereunder by written notice to the Borrower and each Agent.

(c) Reliance by Agents and Lenders. The Agents and the Lenders shall be entitled to rely and act upon any notices purportedly given by or on behalf of the Borrower even if such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein. The Borrower shall indemnify each Agent and each Lender, and the Related Parties of each of them, from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower.

Section 12.3 No Waiver; Cumulative Remedies. No failure by any Lender or any Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges of the Lenders and the Agents herein provided are cumulative and not exclusive of any rights, remedies, powers and privileges provided by law.

Section 12.4 Expenses; Indemnity; Damage Waiver.

(a) Costs and Expenses.

(A) The Borrower shall pay on the Closing Date all reasonable and invoiced (and showing in reasonable detail) out-of-pocket expenses incurred by the Agents (including the reasonable and invoiced (and showing in reasonable detail) fees, charges and disbursements of counsel for the Agents), that have been invoiced to the Borrower at least one (1) Business Day prior to the Closing Date, in connection with the preparation, negotiation, due diligence, execution, and delivery of this Agreement and the other Loan Documents.

(B) The Borrower shall pay (X) all reasonable and invoiced (and showing in reasonable detail) out-of-pocket expenses incurred by either Agent (including the reasonable and invoiced (and showing in reasonable detail) fees, charges and disbursements of counsel for such Agent), in connection with the administration of this Agreement and the other Loan Documents (including, without limitation, any such fees, charges and disbursements of counsel arising from either Agent's actions under Section 7.12), (Y) all reasonable and invoiced (and showing in reasonable detail) out-of-pocket expenses incurred by either Agent (including the reasonable and invoiced (and showing in reasonable detail) fees, charges and disbursements of counsel for such Agent), in connection with any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), and (Z) all documented out-of-pocket expenses incurred by any Agent or any Lender (including the reasonable documented fees, charges and disbursements of counsel for the Administrative Agent and each Lender), in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section 12.4, and (B) in connection with the Loan hereunder, including all such reasonable and invoiced (and showing in reasonable detail) out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of the Loan.

(b) Indemnification by Borrower. The Borrower shall indemnify and defend each Agent (and any sub-agent thereof), each Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnatee") against, and hold each Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the reasonable and documented fees, charges and disbursements of any counsel for any Indemnatee), incurred by any Indemnatee or asserted against any Indemnatee by any third party or by the Borrower or any other Loan Party (collectively, "Claims") arising out of, in connection

with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties to the Loan Documents of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or the use or proposed use of the proceeds therefrom or (iii) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by the Borrower or any other Loan Party, and regardless of whether any Indemnitee is a party thereto, in all cases, whether or not caused by or arising, in whole or in part, out of the comparative or contributory negligence of any Indemnitee or its agents; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of any Indemnitee or its agents. This Section 12.4 shall not apply with respect to Taxes other than any Taxes that represent losses, claims and damages arising from any non-Tax claim.

(c) Reimbursement by Lenders. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under Section 12.4(a)-(b) to be paid by it to any Agent (or any sub-agent thereof), or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), or such Related Party, as the case may be, such Lender's Applicable Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against such Agent (or any such sub-agent) in its capacity as such, or against any Related Party of any of the foregoing acting for such Agent (or any such sub-agent) in connection with such capacity. The obligations of the Lenders hereunder to make payments pursuant to this Section 12.4(c) are several and not joint. The failure of any Lender to make any payment under this Section 12.4(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to make its payment under this Section 12.4(c).

(d) Waiver of Consequential Damages, Etc. To the fullest extent permitted by applicable Law, the Borrower, on behalf of itself and each other Loan Party and its Related Parties, shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or the use of the proceeds thereof. No Indemnitee referred to in Section 12.4(b) shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby, unless such distribution is determined by a court of competent jurisdiction to be gross negligence or willful misconduct.

(e) Payments. All amounts due under this Section 12.4 shall be payable not later than five (5) Business Days after demand therefor.

(f) Survival. The agreements in this Section 12.4 shall survive the resignation or replacement of any Agent, the replacement of any Lender, the termination of the Loan and the repayment, satisfaction or discharge of all the other obligations.

Section 12.5 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share (without duplication) of any amount so recovered from or repaid by either Agent. The obligations of the Lenders under clause (b) of the preceding sentence shall survive the payment in full of the obligations and the termination of this Agreement.

Section 12.6 Successors And Assigns.

(a) Successors and Assigns Generally. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender, and any purported assignment or transfer by the Borrower in violation of the foregoing shall be null and void. Any Lender may at any time assign or otherwise transfer any of its rights or obligations hereunder without the consent of Borrower (i) to an Eligible Assignee in accordance with the provisions of Section 12.6(b), (ii) by way of participation to an Eligible Assignee in accordance with the provisions of Section 12.6(d), or (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 12.6(f) (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided for in Section 12.6(d) and, to the extent expressly contemplated hereby, the Related Parties of the Administrative Agent and each Lender) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Assignments by Lenders. Any Lender may at any time assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of the Loan at the time owing to it); provided that:

(A) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan and commitments assigned;

(B) each partial assignment shall be in a minimum amount of Ten Million and 00/100 Dollars (\$10,000,000) of the assigning Lender's rights and obligations

under this Agreement with respect to the Loan and commitments assigned or, if less, the total amount of such Lender's rights and obligations under this Agreement;

(C) any Eligible Assignee that is not an existing Lender shall complete an Administrative Questionnaire in form and substance satisfactory to the Administrative Agent;

(D) any Eligible Assignee that is not a financial institution shall be an Approved Fund or a Fund that is acceptable to the Administrative Agent;

(E) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, and the Administrative Agent shall promptly provide a copy of the same to the Borrower; and

(F) the Administrative Agent or one or more of its Affiliates shall serve as administrative agent hereunder.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 12.6(c), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Section 4.1 and Section 12.4 with respect to facts and circumstances occurring prior to the effective date of such assignment. Upon request, Borrower (at its expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 12.6(b) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 12.6(d).

(c) Register. The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders and Principal Amounts (and stated interest) of the Loan owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by Borrower at any reasonable time and from time to time upon reasonable prior written notice. In addition, at any time that a request for consent for a material or substantive change to the Loan Documents is pending, any Lender wishing to consult with other Lenders in connection therewith may request and receive from the Administrative Agent a copy of the Register.

(d) Participations. Any Lender may at any time, without the consent of, or notice to, the Borrower or the Administrative Agent, sell participations to any Eligible Participant (each, a “Participant”) in all or a portion of such Lender’s rights and/or obligations under this Agreement (including all or a portion of the Loan owing to it); provided that (i) such Lender’s obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 12.1(a)(i)-(iv) that affects such Participant. Subject to Section 12.6(e), the Borrower agrees that each Participant shall be entitled to the benefits of Section 4.1 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 12.6(b). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 12.7 as though it were a Lender.

(e) Limitations upon Participant Rights. A Participant shall not be entitled to receive any greater payment under Section 4.1 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with Borrower’s prior written consent.

(f) Certain Pledges. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to an Eligible Assignee to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledge or assignee for such Lender as a party hereto.

(g) Electronic Execution of Assignments. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 12.7 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, after obtaining the prior written consent of the Administrative Agent (but without the prior notice to or consent of the Borrower, any such notice and consent being expressly waived by the Borrower to the extent permitted by applicable Law), to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender to or for the credit or the account of the Borrower or any other Loan Party against any and all of the obligations of Borrower or such Loan Party now or hereafter existing under this Agreement or any other Loan Document to such Lender,

irrespective of whether or not such Lender shall have made any demand under this Agreement or any other Loan Document and although such obligations of Borrower or such Loan Party may be contingent or unmatured or are owed to a branch or office of such Lender different from the branch or office holding such deposit or obligated on such indebtedness. The rights of each Lender under this Section 12.7 are in addition to other rights and remedies (including other rights of setoff) that such Lender may have. Each Lender agrees to notify the Borrower and the Administrative Agent promptly after any such setoff and application, provided that the failure to give such notice shall not affect the validity of such setoff and application.

Section 12.8 Interest Rate Limitation. Notwithstanding anything to the contrary contained in any Loan Document, the interest paid or agreed to be paid under the Loan Documents shall not exceed the maximum rate of non-usurious interest permitted by applicable Law (the “Maximum Rate”). If the Administrative Agent or any Lender shall receive interest in an amount that exceeds the Maximum Rate, the excess interest shall be applied to the Principal Amounts of the Loan or, if it exceeds such unpaid Principal Amounts, refunded to the Borrower. In determining whether the interest contracted for, charged, or received by the Administrative Agent or a Lender exceeds the Maximum Rate, such Person may, to the extent permitted by applicable Law, (a) characterize any payment that is not principal as an expense, fee, or premium rather than interest, (b) exclude voluntary prepayments and the effects thereof, and (c) amortize, prorate, allocate, and spread in equal or unequal parts the total amount of interest throughout the contemplated term of the Obligations hereunder.

Section 12.9 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. This Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by telecopy shall be effective as delivery of a manually executed counterpart of this Agreement. Delivery of any executed counterpart of this Agreement by facsimile or transmitted electronically in either a Tagged Image Format File (“TIFF”) or Portable Document Format (“PDF”) shall be equally effective as delivery of a manually executed counterpart of this Agreement. Any party delivering an executed counterpart by facsimile TIFF, or PDF shall also deliver a manually executed counterpart of this Agreement, but failure to do so shall not affect the validity, enforceability or binding effect of this Agreement.

Section 12.10 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by such Agent or such Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Advance, and shall continue in full force and effect as long as any Loan or any other Obligations (other than contingent indemnification obligations for which no claim has been asserted) remain unpaid or unsatisfied.

Section 12.11 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, (a) the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby and (b) the parties shall endeavor in good faith negotiations to replace the illegal, invalid or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the illegal, invalid or unenforceable provisions. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Neither the Lenders nor the Agents shall under any circumstances be construed to be partners or joint venturers of any Loan Party or any of their Affiliates or direct or indirect owners; nor shall the Lenders or Agents under any circumstances be deemed to be in a relationship of confidence or trust or a fiduciary relationship with any Loan Party or any of their Affiliates or direct or indirect owners, or to owe any fiduciary duty to any Loan Party or any of their Affiliates or direct or indirect owners. misconduct. This paragraph will survive this Agreement's termination, and will benefit each Agent, each Lender and their respective officers, employees, and agents.

Section 12.18 Confidentiality as to Loan Documents, Etc. This Agreement, the other Loan Documents and any written communications provided to the Loan Parties and their Subsidiaries by the Administrative Agent and the Lenders prior to or after the date hereof in connection with this Agreement and the other Loan Documents are exclusively for the information of the Loan Parties and their Subsidiaries and, along with the identity of Lenders or prospective Lenders may not be disclosed by the Loan Parties or their Subsidiaries to any third party or circulated or referred to publicly without the Administrative Agent's prior written consent except that such information, including the existence and a copy of this Agreement (with the names of the Lenders redacted), may be disclosed, after providing written notice to the Administrative Agent (to the extent legally permissible), pursuant to a subpoena or order issued by a court of competent jurisdiction or by a judicial, administrative or legislative body or committee, or as required by applicable Law; *provided* that the applicable Loan Party shall have, to the extent legally permissible (i) promptly notified the Administrative Agent of the receipt of any such subpoena or order, (ii) consulted with the Administrative Agent as to the advisability of taking steps to resist or narrow the scope of the disclosure contemplated thereby and (iii) cooperated with the Administrative Agent in any reasonable efforts it may make to obtain an order or other reliable assurance that confidential treatment will be accorded to such information. The Loan Parties' disclosure of the identity of Lenders or prospective Lenders (x) to its officers, directors, agents and advisors (including legal counsel, accountants, and other professional advisors) and employees (to the extent such information is reasonably necessary or beneficial for the performance of their duties) who have been instructed by one or more of the Loan Parties to keep such information confidential, in accordance with this Section 12.18, and (y) in connection with any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of the Loan Parties' rights hereunder or thereunder, in each case, shall not be subject to the limitations set forth in this Section. Each of the Agents and each Lender agrees that the terms of this Section shall set forth the entire agreement between the Borrower, the Loan Parties and the Agents and each Lender with respect to any confidential information previously received by the Loan Parties and their Subsidiaries in connection with this Agreement, and this Section shall supersede any and all prior confidentiality agreements entered into by the Borrower, a Loan Party or any Subsidiary thereof with respect to such confidential information.

Section 12.19 Confidentiality. Each of the Agents and each Lender agrees to hold any information relating to the Borrower, the Loan Parties and any of their Subsidiaries furnished to it by or on behalf of the Borrower, the Loan Parties or any of their Subsidiaries in confidence and shall not reveal the same, except for disclosure (i) to its Affiliates and to the Agents and any other Lender and their respective Affiliates, and, in each case, their respective employees, directors, and officers provided such parties have been instructed to keep such information confidential in accordance with this Section 12.19, (ii) to legal counsel, accountants, and other professional advisors to the Agents or such Lender provided such parties have been instructed to keep such information confidential in accordance with this Section 12.19, (iii) to the extent necessary to comply with law or any legal, judicial or administrative process or as otherwise required by law or the requests of any Governmental Authority (in which case such Person, (x) shall limit such disclosure only to the extent necessary to comply with such law, process or request and (y) to the extent permitted by law, agrees to inform the Borrower promptly thereof), (iv) to its direct or indirect contractual counterparties in swap agreements or to legal counsel, accountants and other professional advisors to such counterparties provided such parties have agreed to keep such information confidential in accordance with this Section 12.19, (v) to rating agencies if requested or required by such agencies in

connection with a rating relating to the Loan hereunder, (vi) in connection with the exercise of any remedies hereunder or any suit, action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder, and (x) to the extent such information (1) becomes publicly available other than as a result of a breach of this Section or (2) becomes available to the Agents or any Lender on a non-confidential basis from a source other than a Loan Party or any Subsidiary thereof. The Borrower agrees that the terms of this Section shall set forth the entire agreement between the Borrower, the Loan Parties and the Agents and each Lender with respect to any confidential information previously or hereafter received by the Agents or such Lender in connection with this Agreement, and this Section shall supersede any and all prior confidentiality agreements entered into by an Agent or any Lender with respect to such confidential information.

Section 12.20 Judgment Currency. If for the purposes of obtaining judgment in any court it is necessary to convert a sum due from any Loan Party hereunder in the currency expressed to be payable herein (the “Specified Currency”) into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the Specified Currency with such other currency at the Administrative Agent’s main New York City office on the Business Day preceding that on which final, non-appealable judgment is given. The obligations of each Loan Party in respect of any sum due hereunder shall, notwithstanding any judgment in a currency other than the Specified Currency, be discharged only to the extent that on the Business Day following receipt by any Lender (including the Administrative Agent), as the case may be, of any sum adjudged to be so due in such other currency such Lender (including the Administrative Agent), as the case may be, may in accordance with normal, reasonable banking procedures purchase the Specified Currency with such other currency. If the amount of the Specified Currency so purchased is less than the sum originally due to such Lender (including the Administrative Agent), as the case may be, in the Specified Currency, each Guarantor agrees, to the fullest extent that it may effectively do so, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender (including the Administrative Agent), as the case may be, against such loss.

Section 12.21 Electronic Documentation. Delivery of an executed counterpart of a signature page of any Loan Document by electronic format (e.g., “pdf”) is effective as delivery of a manually executed counterpart. The words “execution,” “signed,” “signature,” and words of like import shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, or any applicable state laws based on the Uniform Electronic Transactions Act (“UETA”). The Administrative Agent may, on behalf of the Borrower, create a microfilm or optical disk or other electronic image of this Agreement and any or all of the Loan Documents. The Administrative Agent may store each such electronic image in its electronic form and then destroy any paper original as part of the Administrative Agent’s normal business practices, with the electronic image deemed to be an original and of the same legal effect, validity, and enforceability as such paper original. The Administrative Agent is authorized, when appropriate, to convert any instrument into a “transferable record” under UETA, with the image of such instrument in the Administrative Agent’s possession constituting an “authoritative copy” under UETA.

FORM OF ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (this “Agreement”), dated as of [_____], 20[___], by and between [_____], a [_____] (the “Assignor”) and [_____], a [_____] (the “Assignee”).

Reference is made to that certain Senior Secured Term Loan Agreement, dated as of January 22, 2020 (as may be amended, restated, amended and restated, supplemented or otherwise modified from time to time, the “Loan Agreement”), among Cresco Labs Inc., a British Columbia company (the “Borrower”), and the lenders from time to time party thereto (each a “Lender” and collectively the “Lenders”), [Redacted – Confidential], a Delaware limited liability company as administrative agent for the Lenders (in such capacity, together with its successors and assigns, the “Administrative Agent”) and [Redacted – Confidential], a Delaware limited liability company, as collateral agent for the benefit of the Secured Parties (in such capacity, together with its successor and assigns, the “Collateral Agent”).
