## **3. Approval of Sale of Rushan Daye Property**

### *Background*

The Company holds a 90% interest in the Rushan Daye gold property, located in Shandong, China, through a joint venture company called Rushan Goldrea Gold Inc. ("RGGI") indirectly. The Company's

wholly-owned subsidiary, Gold Frame Holdings Ltd., holds 100% of the issued and outstanding shares of Goldrea Hong Kong Ltd. which in turn holds 90% of the issued and outstanding capital of RGGI.

The Company has amassed a cumulative liability of approximately \$3.124 million with respect to the joint venture. Work has stopped on the property due to accidents occurring offsite. The Company estimates that it would take an additional \$10 million to \$15 million to put the property into production. Due to depressed global financial markets, lowered gold prices, accidents and work stoppage, the Board determined that continual investment in the Rushan Daye property would not be in the best interests of shareholders. Since 2009, the Company has been seeking a buyer for its interest in RGGI, and its efforts in this endeavour include engaging professional firms to locate potential purchasers. No offer was made to purchase the Company's interest in RGGI until the present buyer appeared.

Divestment of the RGGI interest does not constitute the disposal of all or substantially all of the Company's assets. The Rushan Daye gold property is but one of six mineral properties owned by the Company, and its value of approximately \$1.44 million (as indicated in the Company's audited financial statements for the year ended July 31, 2013 and in the unaudited financial statements for the period ended October 31, 2013) represents approximately less than 40% of the Company's total assets.

On December 20, 2013, the Company entered into a share purchase agreement with Mr. Xuguang Sun whereby all of the issued and outstanding shares of Gold Frame Holdings Ltd. would be sold to Mr. Sun for \$1.5 million cash. A copy of the share purchase agreement has been filed on SEDAR.

The Company has received conditional acceptance of the transaction from the Exchange. Final acceptance of the transaction is conditional upon, amongst other things, the Company receiving shareholder approval of the transaction.

#### *Resolution*

The Board has reviewed and considered all facts relating to the divestment of the Rushan Daye property. The Board recommends that shareholders vote in favour of ratifying and approving of the sale of the RGGI interest, as the Directors believe it is in the best interest of the Company and its shareholders. Accordingly, shareholders will be asked at the Meeting to pass the following ordinary resolution:

“UPON MOTION IT WAS RESOLVED that:

1. The entering into and the performance of the share purchase agreement between the Company and Xuguang Sun dated December 20, 2013 is hereby ratified, confirmed and approved; and
2. Any one director or officer of the Company is hereby authorized and directed to do all acts and things, to execute and deliver all agreements, documents and instruments, to give all notices and to deliver, file and distribute all documents and information which such person determines to be necessary or desirable to give effect to the intent of these resolutions.”

#### **4. Amendment to Articles**

The Board has determined that it would be in the best interests of the Company to amend the Company's Articles to establish:

- (a) the “Notice-and-Access” method for sending proxy materials to shareholders in the future;
- (b) an “advance notice” provision (the “Advance Notice Provision”) which sets out the procedures for the orderly nomination of directors; and

(collectively, the “Amendments”).

The full text of the proposed Amendments to the Articles is set out in Appendix “B” to this Information Circular. At the Meeting, shareholders will be asked to pass an ordinary resolution, as set out below, to approve the Amendments.

### ***Notice-and-Access***

The Notice-and-Access method, as permitted under National Instrument 54-101, allows corporations to provide certain proxy-related materials to shareholders electronically. This delivery method will reduce mailing and paper costs, which has both monetary and environmental benefits. Using the Notice-and-Access method, the Company can send proxy-related materials to shareholders by:

- posting the relevant management information circular and other proxy-related materials on a website that is not SEDAR;
- sending (by prepaid mail, courier or the equivalent, or any other agreed-upon method) a notice package containing the following information:
  - the date, time and location of the meeting for which the proxy-related materials are being sent;
  - the relevant voting document (a form of proxy or voting instruction form);
  - a description of each matter identified in the form of proxy or voting instruction form to be voted on (unless that information is already included in the relevant voting document);
  - the website address for SEDAR and the non-SEDAR website where the proxy-materials are posted, and a reminder to review the information circular before voting;
  - an explanation of how to obtain a paper copy of the information circular; and
  - a plain-language explanation of notice-and-access; and
- providing a toll-free telephone number for the shareholder to request a paper copy of the information circular (and if applicable, other proxy-related materials) at no charge.

Under Notice-and-Access, it is expected that the Company will send shareholders a paper copy of the notice of meeting and the form of proxy but not the management information circular which will instead be posted on the Company’s website (or some other website that is not SEDAR). Shareholders will be notified of the website address to access the management information circular. However, it should be noted that all proxy-related materials will continue to be filed on SEDAR as required under Canadian securities legislation. Shareholders will still be entitled to receive paper copies of the information circular at no charge, if requested.

The Company may still choose to continue to send proxy-related materials by mail in connection with shareholder meetings, if the Board deems such a delivery method advisable.

### ***Advance Notice Provision***

The purpose of the Advance Notice Provision is to establish deadlines by which director nominations must be submitted to the Company before any meeting of shareholders, as well as the information that must be included such a nomination notice. The Advance Notice Provision is intended to (i) facilitate orderly and efficient shareholder meetings; (ii) ensure that all shareholders receive adequate notice of the director nominations and sufficient information regarding all nominees; and (iii) allow shareholders to make an informed vote.

The following is a brief summary of the key terms of the Advance Notice Provision:

1. Shareholders of the Company must give advance written notice to the Company of any nominees for election to the board of directors, unless the nomination is made in accordance with the provisions of the *Business Corporations Act* relating to a shareholder proposal or requisition for a shareholder meeting.

2. For an annual meeting of shareholders, notice must be given to the Company not less than 30 days and not more than 65 days before the date of the annual meeting, but in the event that the annual meeting is to be held on a date less than 50 days after the date on which the first public announcement of the date of such annual meeting was made, notice may be given not later than the close of business on the 10th day following such public announcement.
3. For a special meeting of shareholders (that is not also an annual meeting), notice must be given to the Company not later than the close of business on the 15th day following the day on which the first public announcement of the date of such special meeting was made.
4. The time periods for giving notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting and/or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders, or the reconvening of any adjourned or postponed meeting of shareholders, or the announcement thereof, commence a new time period for the giving of notice as described above.
5. The notice for a director nomination must set out: (a) the name, age, business address and residential address of the nominee; (b) the principal occupation or employment of the nominee during the past five years; (c) the class or series and number of shares in the capital of the Company which are controlled or which are owned beneficially or of record by the nominee as of the record date; (d) a statement as to whether such nominee would be “independent” of the Company and the reasons and basis for such determination; (e) a description of all direct and indirect compensation and other material monetary agreements, arrangements and understandings during the past three years, and any other material relationships, between or among the nominating shareholder and beneficial owner, if any, and their respective affiliates and associates, or others acting jointly or in concert therewith, on the one hand, and such nominee, and his or her respective associates, or others acting jointly or in concert therewith, on the other hand; and (f) any other information relating to the nominee that would be required to be disclosed in a dissident’s proxy circular.

For the purposes of the Advance Notice Provision, “public announcement” means disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on SEDAR.

The Board may, in its sole discretion, waive the Advance Notice Provision with respect to a nomination.

### ***Resolution***

Shareholders are encouraged to carefully review the Amendments as set out in Appendix “B” carefully. Articles 24.1 and 24.2 relate to the Notice-and-Access method, while Article 14.12 relates to the Advance Notice Provision. The Board recommends that shareholders vote in favour of the following ordinary resolution:

“UPON MOTION IT WAS RESOLVED that:

1. The amendments to the Company's Articles, as set forth in Appendix “B” to the Company's information circular dated February 5, 2014 be and is hereby authorized and approved; and
2. Any one director or officer of the Company is hereby authorized and directed to do all acts and things, to execute and deliver all agreements, documents and instruments, to give all notices and to deliver, file and distribute all documents and information which such person determines to be necessary or desirable to give effect to the intent of these resolutions.”

## GENERAL PROXY INFORMATION

### **Solicitation of Proxies**

All costs of solicitation by management will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers and employees may solicit proxies personally, by telephone or facsimile, but will not receive compensation for so doing.

### **Appointment of Proxyholder**

The individuals named in the accompanying form of proxy (the "Proxy") are directors ("Directors") or officers ("Officers") of the Company and were designated by management of the Company (the "Management Proxyholder"). **A shareholder wishing to appoint some other person who need not be a shareholder to represent the shareholder at the Meeting has the right to do so, by striking out the names of those persons named in the accompanying form of Proxy and inserting such other person's name in the blank space provided in the form of Proxy or by completing another form of Proxy.**

Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Shareholders electing to submit a Proxy may do so by:

- a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare") by fax within North America at 1-866-249-7775, outside North America at 1-416-263-9524, or by mail or hand delivery to Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1; or
- b) using a touch-tone phone to transmit voting choices to a toll free number. The toll free number to call is 1-800-564-6253 within North America and 1-416-263-9200 outside North America. Shareholders must follow the instructions of the voice response system and refer to the enclosed Proxy for the shareholder's account number and the Proxy access number.

A Proxy will not be valid unless the completed, dated and signed form of Proxy is received by Computershare not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment thereof.

### **Revocation of Proxy**

A shareholder who has given a Proxy may revoke it by an instrument in writing:

- a) executed by the shareholder or by the shareholder's attorney authorized in writing or, where the shareholder is a company, by a duly authorized officer or attorney of the company; and
- b) delivered to either:
  - i) Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, or
  - ii) the chairman of the Meeting on the day of the Meeting or any adjournment thereof.

Only registered shareholders have the right to revoke a Proxy. Non-registered holders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries (as defined below) to revoke the Proxy on their behalf. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

### **Exercise of Discretion by Proxyholders**

Shares represented by properly executed Proxies in favour of persons designated in the enclosed form of Proxy will, where a choice with respect to any matter to be acted upon has been specified in the form of Proxy, be voted in accordance with the specification made. In the absence of any such specification, the Proxy will be voted as recommended by Management. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

The enclosed form of proxy, when properly signed, confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters which may be properly brought before the Meeting. At the date of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters, which are not now known to Management, should properly come before the Meeting, then the Management designees intend to vote in accordance with the judgment of Management.

### **Non-Registered Holders**

**Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting.** Most shareholders of the Company are “non-registered” shareholders (“Non-Registered Holders”) because the shares they own are not registered in their names but are instead registered in the name of (a) a brokerage firm, bank, trust company, trustee or administrator of self-administered RRSPs, RRIFs, RESPs and similar plans; or (b) a clearing agency such as CDS & Co. (any of the foregoing, an “Intermediary”). **If you are a Non-Registered Holder, your shares can only be voted by the Intermediary in accordance with instructions received from you.**

In accordance with securities regulatory policy, the Company has distributed copies of the Notice, this Information Circular and the Proxy (collectively, the “Meeting Materials”) to the Intermediaries for distribution to Non-Registered Holders. Each Intermediary has its own form of proxy and mailing procedures. Therefore, **if you receive the Meeting Materials from an Intermediary, you should carefully review the voting instructions provided by your Intermediary to ensure that you direct the voting of your shares in accordance with those instructions.**

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“Broadridge”), who typically sends a voting instruction form (“VIF”) to Non-Registered Shareholders requesting them to provide voting instructions. **Please note a Broadridge VIF cannot be used to vote directly at the Meeting. If you are a Non-Registered Shareholder with a Broadridge VIF, you must follow the procedures set out by Broadridge, well in advance of the Meeting, for voting directly at the Meeting.**

Non-Registered Shareholders who wish to attend the Meeting and indirectly vote as proxyholder for the registered shareholder should contact their Intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Shares as a proxyholder.

### **VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES**

The Company's authorized capital consists of an unlimited number of common shares without par value (the “Shares”). As at January 27, 2014 (the “Record Date”), there were 75,379,253 Shares issued and outstanding. Each share carries the right to one vote.

Any shareholder of record at the close of business on the Record Date who either personally attends the Meeting or who has completed and delivered a Proxy in the manner specified herein, subject to the provisions described above, shall be entitled to vote or to have such shareholder's shares voted at the Meeting.

To the best of the knowledge of the Directors or executive Officers, no persons beneficially owns, directly or indirectly, or exercised control or direction over, Shares carrying more than 10% of the voting rights attached to all outstanding Shares.

## **COMPENSATION OF EXECUTIVE OFFICERS**

### **Compensation Discussion and Analysis**

The Company's process for determining executive compensation is very simple. In particular, the Company relies solely on board discussion without any formal objectives, criteria and analysis.

The compensation of the Company's Named Executive Officers ("NEOs", as defined below) has been established with a view to attracting and retaining executives critical to the Company's short and long-term success and to continuing to provide executives with compensation that is in accordance with existing market standards generally and competitive within the mining industry, in particular.

Compensation of the Company's NEOs is comprised of the grant of options to purchase Shares under the Company's stock option plan (as more particularly described below). Through its executive compensation practices, the Company seeks to provide value to its shareholders through a strong executive leadership. Specifically, the Company's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Company's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Company's success, and align the interests of the Company's executives and shareholders by motivating executives to increase shareholder value.

### **Stock Option Plan**

The Company adopted a 20% "fixed" stock option plan (the "Plan") in order for the Company to attract and retain experienced and qualified directors, officers and employees. The following table provides details of the stock option grants made by the Company to its Directors and Officers during the most recently completed financial year:

- a) where the optionee’s employment, engagement or directorship with the Company is terminated for any reason other than for cause, the optionee then has 90 days to exercise any outstanding options, unless the optionee was engaged to provide investor relations activities to the Company, in which case the optionee has 30 days instead;

The Company does not currently have an incentive plan, which is defined under Form 51-102F6 to be "any plan providing compensation that depends on achieving certain performance goals or similar conditions within a specified period". "Share-based awards", "option-based awards" and "non-equity incentive plan compensation" are all defined under Form 51-102F6 to be categories of incentive plans; consequently there have been no awards or compensation granted by the Company under these categories.

### **Incentive Plan Awards**

As discussed above, the Company does not have any incentive plans provide compensation to the recipient upon the achievement of certain performance goals or similar conditions within a specified period. However, incentive stock options were granted to certain Directors and Officers, for which details are disclosed under "Stock Option Plan".

### **Pension Plan Benefits**

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

### **Termination of Employment, Change in Responsibilities and Employment Contracts**

There are no other employment contracts between the Company and any NEO. Furthermore, there is no compensatory plan, contract or arrangement where a NEO is entitled to payments following or in connection with a termination, resignation, retirement, a change in control of the Company or a change in the NEO's responsibilities.

## **Compensation of Directors**

Compensation for NEOs has already been disclosed above under “Summary Compensation Table”. For the other Directors who are not NEOs, no cash compensation was paid to them for their services as Directors during the financial year ended July 31, 2013. The Company has no standard arrangement pursuant to which Directors are compensated by the Company for their services in their capacity as directors except for the granting from time to time of incentive stock options in accordance with Exchange policies.

## **CORPORATE GOVERNANCE**

### **Board of Directors**

The Board currently consists of three Directors, two of which are independent. Except for James Elbert, who is the Company’s President and CEO and thus not independent, none of the other Directors (Larry W. Reaugh and Paul Blair) is: (i) an Officer or employee of the Company; (ii) a party to a material contract with the Company or has a material interest in a transaction involving the Company; or (iii) the

recipient of remuneration from the Company other than directors' fees or incentive stock options as disclosed herein.

### **Directorships**

As at the date hereof, the following Directors are also directors of other reporting issuers as set out below:

<b><u>Director</u></b>	<b><u>Name of Reporting Issuer</u></b>
Larry W. Reaugh	American Manganese Inc. (formerly Rocher Deboule Minerals Ltd.)

### **Orientation and Continuing Education**

The Board provides ad hoc orientation for new directors. All Directors receive a Director's manual containing a record of historical public information about the Company, copies of the Company's charters and other relevant information. The Board also arranges meetings with management to provide a review of the nature and operations of the Company.

The Board provides continuing education for directors on an ad hoc basis in respect of issues that are necessary for them to understand to meet their obligations as directors. All of the Directors are actively involved in their respective areas of expertise, and they are encouraged to keep themselves current with industry trends and changes in legislation by liaising with management and the Company's counsel, attending industry-related events and other educational seminars. The cost of continuing education activities will be borne by the Company.

### **Ethical Business Conduct**

The Board has adopted and maintains a code of ethics which is applicable to the Company's Directors, Officers and employees. The purpose of the code is to provide guidance and to prohibit unethical behavior with respect to issues such as conflicts of interest, confidentiality, whistleblowing, protection of corporate assets and opportunities, and compliance with laws and regulations. Furthermore, Directors are frequently reminded to consider whether they are in a conflict of interest by virtue of serving as directors or officers in other companies or holding an interest in a transaction or agreement. A Director in such circumstances is advised to disclose his or her interest in a transaction or agreement, and if the Board considers the interest to be material, such Director must abstain from discussing and voting on the matter.

### **Nomination of Directors**

Given the small size of the Company and its early stage of development, the Board has not appointed a nomination committee or put in place formal procedure for the identification of potential Board candidates. Since the size of the Board is limited, the functions of such a committee can be served by the Board as a whole.

### **Compensation**

The Board as a whole determines the compensation of the Directors and the CEO. In setting compensation, the Board is guided by the nature of the Company's business, the Company's size and stage of development, current industry practices and the resources available to provide compensation. The Board will from time to time seek out the compensation policies of other comparable companies to ensure that the Company is able to attract and retain its directors and officers. Currently, it is the Board's policy to compensate its Directors and CEO with equity options in order to align the interest of Directors with those of the Company's shareholders.

### **Other Board Committees**

The Company has no committee other than its audit committee at this point.

### **Assessments**

Members of the Board are expected to continually evaluate the effectiveness of the Board, its committees and fellow Directors by considering the accomplishment, or lack thereof, of the Company's goals. Furthermore, the Board is of the view that the Company's shareholders are the most important assessors of Board performance and that they provide the most effective, objective assessment of the Board's performance.
