Goldrea Resources Corp. Three additional mineral tenures are now included in the claims package. Under the restated purchase agreement — which replaces and supersedes the original agreement executed in March 2020 — the vendor will receive \$15,000 as consideration for all the claims to be transferred to the Company.

Goldrea will be holding its annual general meeting of shareholders on October 30, 2020 at 11:00am. Meeting materials will be mailed to shareholders and posted on SEDAR in due course.

The Company has granted 550,000 incentive stock options to certain directors, officers and consultants. Each stock option entitles the holder to acquire one common share of Goldrea at \$0.06 during the five years following the stock option's date of issuance.
