BLACKHAWK GROWTH'S SPACED FOOD TO LAUNCH IN CANADA'S LARGEST MARKET

Vancouver, British Columbia – TheNewswire - December 19, 2022 – Blackhawk Growth Corp. (the “Company”) (CSE:BLR); (Frankfurt:0JJ) is pleased to announce that its wholly owned cannabis edible Spaced Food’s manufacturing partner, TruExtracts Laboratories (“TRU”), has received acceptance to list and a notice to purchase from Canada’s largest retail cannabis board. Spaced Food will be on retail shelves for the spring product launch. Quantities of the products sold will be available once TRU receives the final purchase order from the cannabis board.

TRU intends to continue deploying Spaced Food in all other regions of Canada once this launch has been fulfilled.

TRU submitted SKUs from its FUBAR, Spaced Food, and Hash Labs brands. Each brand has developed multiple products and intends to add future submissions for the Summer product call. The Spring listed SKUS are as follows.

SPACED FOOD

4pc per pack Strawberry Astronaut Sorbet 1:1 10mg THC 10mg CBD

Spaced Food is launching edibles into orbit using high tech, space-age science! We’ve taken our love of cannabis and combined it with a unique product that solves every problem with current cannabis edibles. Spaced Food is a shelf-stable sorbet that requires no refrigeration and tastes amazing!

Updates will be posted on www.spacedTHC.ca

“These are the products consumers want on the shelves” said Frederick Pels CEO of Blackhawk Growth Corp. “Spaced Foods initial submissions being accepted is a great achievement and a complement to our manufacturing partner and our brand. The Spaced Food products submitted, and cued to be submitted are truly exceptional. I have great confidence Spaced Food will become a market leader, while continuing to innovate and excite the Canadian cannabis market. I Look forward to updating shareholders as we continue to advance our company.”

The Company has signed an agreement with TRU, a subsidiary of Gaia Grow Corp (CSE:GAIA), in which Spaced Food will provide the equipment and Intellectual Property and TRU will staff and develop Spaced Foods' products, as well as be responsible for marketing and sales of the completed products. As compensation for its efforts, TRU will receive 50% of the proceeds from the sale of Spaced Foods' products.

About Spaced Food

Spaced Food is launching edibles into orbit using high tech, space-age science! We've taken our love of cannabis and combined it with a unique product that solves every problem with current cannabis edibles. Spaced Food is shelf-stable, requires no refrigeration and tastes amazing!

After 3 years of research and development, Spaced Food has come up with a product with excellent bioavailability that melts in your mouth, with accurate dosing. Made using the same technology used on food before sending it to space for astronauts, the manufacturing process locks in 98% of the nutritional value as well as 100% of the medicinal ingredients. Whether you're 18 or 81, Spaced Food will quickly become a favourite cannabis edible!
