NEWS

For Immediate Release

TSX.V: AWS

SHAREHOLDER APPROVAL REQUESTED

April 17, 2014. Arrowstar Resources Ltd. (“Arrowstar: or the “Company”) (TSX-V:AWS) announces that the Company has, to date, been unable to raise the necessary capital to retain the auditors to complete their December 31, 2013 audit which is due for filing on April 30, 2014. The audit is a requirement to have the Company continue to trade on the TSX Venture Exchange. The Company is seeking shareholder approval to the share consolidation announced on March 26, 2014 by written confirmation from shareholders. The Company requires not less than 51% of the issued and outstanding shares of the Company to be voted in favour of the resolution. With the consolidation approved by the shareholders the Company is hopeful it will be able to move quickly to acquire the necessary capital to finalize the audit.

Respectfully submitted
ON BEHALF OF THE BOARD

“Phillip Thomas”

Phillip Thomas
President, CEO, and Director

Forward-Looking Statements: This document includes forward-looking statements. Forward-looking statements include, but are not limited to, statements concerning Arrowstar’s planned consolidation and other statements that are not historical facts. When used in this document, the words such as “proposes,” “plan,” “estimate,” “expect,” “intend,” “may,” “potential,” “should,” and similar expressions are forward-looking statements. Although Arrowstar believes that its expectations reflected in these forward looking statements are reasonable, such statements involve risks and uncertainties and no assurance can be given that actual results will be consistent with these forward-looking statements.
