Refiles Interim Financial Statements

September 22, 2014. Arrowstar Resources Ltd. (“Arrowstar” or the “Company”) (TSX-V: AWS) announces that the Company has re-filed its interim financial statements for the six month period ended June 30, 2014. As a result of a review by the British Columbia Securities Commission, the Company is issuing the following press release to clarify the Company’s disclosure.

On September 2, 2014, Arrowstar Resources Ltd. (the “**Company**”) filed its interim financial statements (the “**Original Financial Statements**”) for the six month period ended June 30, 2014. Today, the Company filed amended interim financial statements for the six month period ended June 30, 2014 (the “**Amended Financial Statements**”).

Whereas the statement of cash flows contained in the Original Financial Statements were completely incorrect and taken from a prior period, the Amended Financial Statements shows the proper cash flow numbers for the period.

Respectfully submitted
ON BEHALF OF THE BOARD
