VIKING GOLD COMMENCES DRILLING ON VERNEUIL WEST CLAIMS

Toronto, ON, November 20, 2012 – Viking Gold Exploration Inc. (TSX-V:VGC), the “Company”, is pleased to announce that it has commenced a 7-hole exploratory drill program on its wholly-owned Verneuil West claim group, which is located in Verneuil Township near the town of Lebel-sur-Quévillon, in the Abitibi region of Quebec.

The purpose of this program is to explore the area west of the known Toussaint gold zone. This area has seen only limited exploration in the past.

For further information, please contact Mark Edwards, CEO at (905) 752-2008 or visit the Company’s website at: www.vikinggold.ca.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this press release.

This press release contains forward-looking statements. All statements, other than of historical fact, that address activities, events or developments that the Company believes, expects or anticipates will or may occur in the future (including, without limitation, statements regarding the estimation of mineral resources, exploration results, potential mineralization, potential mineral resources and mineral reserves) are forward-looking statements. Forward-looking statements are often identifiable by the use of words such as “anticipate”, “believe”, “plan”, “may”, “could”, “would”, “might” or “will”, “estimates”, “expect”, “intend”, “budget”, “scheduled”, “forecasts” and similar expressions or variations (including negative variations) of such words and phrases. Forward-looking statements are subject to a number of risks and uncertainties and other factors that may cause the actual results, performance or achievements of the Company to be materially different from any future results, performance or achievements expressed or implied by the forward-looking statements. Factors that could cause actual results or events to differ materially from current expectations include, among other things, without limitation, failure to establish estimated mineral resources, the possibility that future exploration results will not be consistent with the Company’s expectations, the price of commodities and other risks identified in the Company’s documents filed with the Canadian securities regulatory authorities on SEDAR.com. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking statement.
