

## VIKING GOLD EXPLORATION INC.

### MANAGEMENT INFORMATION CIRCULAR

#### **Solicitation of Proxies**

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation by the management of Viking Gold Exploration Inc. (the “Corporation”) of proxies to be used at the Annual General and Special Meeting of shareholders of the Corporation (the “Meeting”) to be held at the time and place and for the purposes set forth in the accompanying Notice of Meeting. It is expected that the solicitation will be primarily by mail but proxies may also be solicited personally by management of the Corporation at nominal cost. The cost of any such solicitation by management will be borne by the Corporation.

The Corporation may pay the reasonable costs incurred by persons who are the registered but not beneficial owners of voting shares of the Corporation (such as brokers, dealers, other registrants under applicable securities laws, nominees and /or custodians) in sending or delivering copies of this Circular, the Notice of Meeting and form of proxy to the beneficial owners of such shares. The Corporation will provide, without cost to such persons, upon request to the Secretary of the Corporation, additional copies of the foregoing documents required for this purpose.

#### **Appointment and Revocation of Proxies**

**The persons named in the enclosed form of proxy are directors and/or senior officers of the Corporation. A shareholder desiring to appoint some other person, who need not be a shareholder of the Corporation, to attend and act for him at the Meeting may do so either by inserting such person’s name in the blank space provided in the instrument of proxy and striking out the names of the two persons specified or by completing another proper form of proxy and, in either case, delivering the completed proxy to Equity Financial Trust Company at 200 University Avenue, Suite 400, Toronto, Ontario, M5H 4H1 not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time set for the Meeting.**

A proxy given by a shareholder maybe revoked as to any motion on which a vote has not already been cast pursuant to the authority conferred by it, by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited either at the registered and head office of the Corporation at anytime up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, or in any other manner permitted by law.

#### **Voting of Proxies**

The persons named in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. In the absence of such direction, such shares will be voted FOR in the election of directors, the appointment and remuneration of auditors and the annual approval of the stock option plan. The enclosed form of proxy confers discretionary authority upon the persons named therein to exercise their judgment and to vote with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date hereof, the management of the Corporation knows of no such amendments, variations or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting.

## Non-Registered Holders

Only registered holders of common shares of the Corporation or the person(s) they appoint as their proxyholder are permitted to vote at the Meeting. However, in many cases, shares of the Corporation beneficially owned by a holder (a “Non-Registered Holder”) are not registered in the name of the holder but are rather registered either (a) in the name of an intermediary (an “Intermediary”) that the Non-Registered Holder deals with in respect of the shares, or (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“CDS”) of which the Intermediary is a participant (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans.). Non-Registered Holders fall into two categories – those who object to their identity being known to the issuers of securities they own (“Objecting Beneficial Owners”, or “OBOs”) and those who do not object to their identity being made known to the issuers of the securities they own (“Non-Objecting Beneficial Owners”, or “NOBOs”). Subject to the provision of National Instrument 54-101 – Communication with Beneficial Owners of Securities of Reporting Issuers (“NI 54-101”), issuers may request and obtain a list of their NOBOs from intermediaries via their transfer agents. Pursuant to NI 54-101, issuers may use the NOBO list for distribution of proxy-related materials directly (not via an intermediary) to such NOBOs. By choosing to send these materials to NOBOs directly, the issuer (and not the intermediary holding on behalf a NOBO) has assumed responsibility for (i) delivering these materials to the NOBOs, and (ii) executing the NOBOs’ proper voting instructions. Where the Corporation or its agent sends the Meeting Material directly to NOBOs, the Corporation obtained the name, address and information about the holdings of common shares of each NOBO in accordance with applicable securities regulatory requirements from the intermediaries holding the common shares on behalf of the NOBOs.

The Corporation has distributed copies of the Notice of Meeting, this Circular and a form of proxy (collectively the “Meeting Materials”) to the clearing agencies and Intermediaries for onward distribution to all non-registered holders.

Intermediaries are required to forward the Meeting Materials to all non-registered holders unless a non-registered holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to all non-registered holders. Generally all non-registered holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the non-registered holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a “voting instruction form” or a “proxy authorization form”) which the Intermediary must follow. Typically, the non-registered holder will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to be validly constituted, the non-registered holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- (b) less typically, be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the OBO but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the non-registered holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deliver it to Equity Financial Trust Company as provided under “Appointment and Revocation of Proxies” above.

The Corporation has decided not to take advantage of the provisions of NI 54-101 that permit it to deliver proxy-related materials directly to its NOBOs.

If you have received the Corporation's form of proxy, you may return it to Equity Financial Trust Company:

- (1) By regular mail in the return envelope provided,
- (2) By fax at 416.361.0470.

In any case, the purpose of the above noted procedures is to permit Non-Registered Holders to direct the voting of the shares of the Corporation which they beneficially own. Should a Non-Registered Holder who receives a form of proxy wish to vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions on the proxy and, if applicable, of their Intermediary, including those regarding when and where the form of proxy is to be delivered.

#### **VOTING SHARES AND PRINCIPAL HOLDERS THEREOF**

The Corporation has an authorized capital consisting of an unlimited number of common shares (the "Common Shares"), of which 63,577,702 are issued and outstanding as of August 12, 2011.

Holders of Common Shares of record at the close of business on August 13, 2011 (the "Record Date") are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share.

To the knowledge of the directors and senior officers of the Corporation, there is no person who beneficially owns directly, or indirectly, or exercises control or direction over equity shares of the Corporation carrying more than 10% of the voting rights attached to all equity shares of the Corporation.

Each director elected will hold office until the next annual meeting of shareholders or until his office is earlier vacated in accordance with the by-laws of the Corporation.

To the knowledge of the Corporation, none of the directors or any proposed management nominee for election as a director of the Corporation is, or during the ten years preceding the date of this Circular has been, a director or officer of any company that, while the person was acting in that capacity:

- (a) was the subject of a cease trade order or similar order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (b) was subject to an event that resulted, after the director or proposed management nominee ceased to be a director or officer of the relevant company, in the relevant company being the subject of a cease trade order or similar order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or

### **Appointment and Remuneration of Auditors**

The shareholders of the Corporation will be asked at the Meeting to pass a resolution appointing McGovern, Hurley, Cunningham LLP, Chartered Accountants, of 2005 Sheppard Avenue East, Suite 300, Toronto, ON M2J 5B4, as the auditors of the Corporation and authorizing the directors of the Corporation to fix their remuneration.

Subject to the foregoing, unless such authority is withheld, the persons named in the enclosed proxy intend to vote for the appointment of McGovern, Hurley, Cunningham LLP as auditors of the Corporation to hold office until the next annual meeting of shareholders and to authorize the directors to fix their remuneration.

### **Annual Approval of Stock Option Plan**

The shareholders adopted a rolling 10% stock option plan (the "Option Plan") at the Corporation's annual and special general meeting held on April 26, 2004. The policies of the TSX Venture Exchange (the "TSXV") require the shareholders to approve the Option Plan on an annual basis at the annual general meeting. Therefore, the shareholders will be asked to pass an ordinary resolution approving the Option Plan.

The purpose of the Option Plan is to allow the Corporation to grant options to directors, officers, consultants, employees and management company employees as additional compensation and as an opportunity to participate in the profitability of the Corporation. The granting of such options is intended to align the interests of such persons with that of the Corporation. Options will be exercisable over period of up to five years as determined by the board of directors of the Corporation and are required to have an exercise price no less than Market Price, as defined, prevailing on the day that the option is granted less the applicable discount permitted by the TSXV and will not otherwise be less than \$0.10 per share. Pursuant to the Option Plan, the board of directors may from time to time authorize the issuance of options to directors, officers, employees of and consultants to the Corporation and its subsidiaries or employees of companies providing management services to the Corporation or its subsidiaries.

The Option Plan is a "rolling" plan reserving a maximum of 10% of the issued shares of the Corporation at the time of a stock option grant. The Option Plan does not contain any mandated vesting provisions except as required by TSXV policies for persons providing investor relations services to the Corporation. In addition, the number of shares which may be reserved for issuance to any one individual may not exceed 5% of the issued shares of the Corporation in any 12-month period and the maximum aggregate number of shares that may be reserved for issuance to any one consultant during any 12-month period shall not exceed 2% of the outstanding shares.

Proxies received in favour of management will be vote for the stock option plan unless a shareholder has specified in its proxy that his, her or its shares are to be voted against the stock option plan.

Accordingly the Corporation's shareholders will be asked to approve the following ordinary resolution:

"RESOLVED, as an ordinary resolution, that:

1. the Option Plan, as described in the Corporation's Management Information Circular dated August 12, 2011, be and is hereby ratified and approved.
2. the number of common shares of the Corporation reserved for issuance under the Option Plan shall be no more than 10% of the Corporation's issued and outstanding share capital at the time of any stock option grant, and
3. the board of directors of the Corporation be authorized to make any changes to the Option Plan if required by the TSX Venture Exchange."

### **Change of Registered Address of the Company**

The shareholders of the Corporation will be asked at the Meeting to pass a special resolution approving the change of the registered address of the Corporation from 8 King Street East, Suite 400, Toronto, Ontario M5C 1B5 to 2900 John Street, Suite 2B, Markham, Ontario L3R 5G3.

In order to pass the special resolution, the positive votes of 66 $\frac{2}{3}$ % of shareholders represented at the Meeting in person or by proxy will be required. Proxies received in favour of management will be vote for the change of registered address unless a shareholder has specified in its proxy that his, her or its shares are to be voted against the change of registered address.

## **EXECUTIVE COMPENSATION**

### **Compensation Discussion and Analysis**

Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy and integrate the longer term interest of the executives with the investment objectives of the Company's shareholders. Compensation for the 2008 and prior fiscal years has historically been on a fee for service arrangement with stock options being issued and paid as an incentive for performance.

### **Option-based Awards**

The Board has the responsibility to administer the compensation policies related to the executive management of the Company, including option-based awards. The shareholders have approved a stock option plan pursuant to which the Board has granted stock options to executive officers and directors. The stock option plan provides compensation to participants and an additional incentive to work toward long-term Company performance. Executive compensation is based upon the need to provide a compensation package that will allow the Company to attract and retain qualified and experienced executives, balanced with a pay-for-performance philosophy. The stock option plan has been and will be used to provide share purchase options which are granted in consideration of the level of responsibility of the executive as well as his or her impact and/or contribution to the longer-term operating performance of the Company. In determining the number of options to be granted to the executive officers, the board of directors takes into account the number of options, if any, previously granted to each executive officer and the exercise price of any outstanding options to ensure that such grants are in accordance with the policies of the TSX Venture Exchange, and closely align the interests of the executive officers with the interests of shareholders.

### STATEMENT OF GOVERNANCE PRACTICES

A summary of the Corporation's governance initiatives in relation to the new guidelines for effective corporate governance pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Policy 58-201 - *Corporate Governance Guidelines* ("NP 58-201") is set out below.

#### **Information about the Corporation's Directors**

##### *Independence of Directors*

The board of directors has determined that following the Annual General and Special Meeting of the Corporation to be held September 13, 2011, 5 out of 6 or 83% of the directors will be independent for the purpose of NI 58-101. The independent directors will be John Hansuld, Garfield Mitchell, Lawrence D. Smith, David Brace and John McCleery. Mr. Edwards will not be independent as he is the President of the Corporation.

##### *Other Directorships*

John A. Hansuld is a director of SLAM Exploration Ltd and Eastmain Resources Inc. John McCleery is a director of Creston Moly Corp.

##### *Orientation and Continuing Education*

The board of directors is responsible for the orientation and education of new recruits to the board of directors and all new directors with a copy of the directors and officers insurance policies maintained by the Corporation, a copy of the Corporation's policies and the Corporation's most recent significant public disclosure documents. Prior to joining the board of directors, each new director will meet with the Chairman, the Chief Executive Officer and the Chief Financial Officer of the Corporation. Each such officer shall be responsible for outlining the business and prospects of the Corporation, both positive and negative, with a view to ensuring that the new director is properly informed to commence his or her duties as a director. Each new director will also be given the opportunity to meet with the auditors and counsel to the Corporation. ##### *Code of Business Ethics*

The board of directors has adopted a formal written Code of Business Conduct and Ethics.

##### *Nomination of Directors*

The board of directors determines new nominees to the board of directors, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the members of the board of directors, including both formal and informal discussions among board of director members and the President and Chief Executive Officer. The current size of the board of directors is such that the entire board of directors takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed with one or more members of the board of directors prior to the proposed director's nomination.

##### *Assessments*

The board of directors does not, at present, have a formal process in place for assessing the effectiveness of the board of directors as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the board of directors, the board of directors considers a formal assessment process to be inappropriate at this time. The board of directors plans to continue evaluating its own effectiveness on an ad hoc basis.

*CEO and Director Compensation*

The board of directors conducts an annual review of the performance of the Corporation and the CEO which is used by the board of directors in its deliberations concerning the CEO's annual compensation.
