The CSE does not accept responsibility for the adequacy or accuracy of this release.

This news release may contain certain forward looking statements and forward looking information (collectively, “Forward-Looking Statements”) within the meaning of the applicable

Canadian and U.S. securities laws, including the United States Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, included herein including, without limitation, statements with respect to the impact of elevated compliance and quality standards required of OTCQB listed companies on the increased confidence of investors and the anticipated impact of the Company's listing on the OTCQB with respect to improved visibility in the US markets, are forward-looking statements. When or if used in this news release, the words "anticipate", "believe", "estimate", "expect", "target", "plan", "forecast", "may", "schedule" and similar words or expressions identify forward-looking statements or information. Such statements represent the Company's current views with respect to future events and are necessarily based upon a number of assumptions and estimates that, while considered reasonable by the Company, are inherently subject to significant business, economic, competitive, political and social risks, contingencies and uncertainties. Many factors, both known and unknown, could cause results, performance, or achievements to be materially different from the results, performance or achievements that are or may be expressed or implied by such forward-looking statements. The Company does not intend, and does not assume any obligation, to update these forward-looking statements or information to reflect changes in assumptions or changes in circumstances or any other events affecting such statements and information other than as required by applicable laws, rules and regulations.
