### **Abba Medix Group (CSE:ABA) signs referral agreement with GrowWise Health Limited**

Toronto, ON, July 6, 2015 - Abba Medix Group Inc. (CSE: ABA), a purveyor of fine Canadian medical marijuana, accessories, events, and news, has signed a referral agreement with GrowWise Health Limited in which Abba's wholly owned subsidiary RedeCan Pharm will offer its medical cannabis to GrowWise Health patients. As a fully integrated, licensed medical marijuana grower and sales agent, Abba supplies Canadian medical cannabis to authorized patients under the *Marihuana for Medical Purposes Regulations* (MMPR).

"As Abba Medix is devoted to our patient and physician education, it is a natural fit with GrowWise," said Ray Rasouli, Abba Medix CEO. "We are extending our influence across a broad industry segment and patient and physician education is the key to a widespread acceptance of this new Canadian industry."

GrowWise Health, a healthcare company, provides educational and professional support services to MMPR-authorized medical cannabis patients.

"As the MMPR prescription fulfillment process excludes pharmacists, medical cannabis patients do not enjoy the same level of health care professional support as do other patients," said GrowWise Health CEO Harvey Shapiro. "The GrowWise Health educational initiative provides them with professional support currently absent in the MMPR regime." The GrowWise Health program is expected to overcome the significant impediments dissuading new patients and prescribing physicians from accessing or participating in the MMPR.

RedeCan Pharm will become a preferred provider to GrowWise Health with RedeCan's full offering of medical cannabis available to GrowWise Health's patients. The agreement between the two companies is non-exclusive.
