

CANADA HOUSE PROVIDES CORPORATE UPDATE

Toronto, Ontario, April 13, 2017 – Canada House Wellness Group Inc. (formerly Abba Medix Group Inc.) ("**Canada House**") or the ("**Company**") (CSE: CHV) is pleased to provide an operational update to shareholders.

Canada House is a late stage ACMPR applicant with its facility located in Pickering, ON. Canada House is in the review stage of its application and is anticipating inspection by Health Canada in the near future.

With the potential legalization of cannabis for recreational use in 2018, the Company will be well equipped to handle the increased demand for cannabis, planning to expand it's facility in the coming months.

Canada House also continues to expand its existing patient base. The company continues to focus on its veteran patients, supporting them through the process of education through to receipt of their medical cannabis. The Company's network of existing ACMPR Licensed Producers currently supports all Canada House clients.

Canada House also recently announced the acquisition of Knalysis Technologies Inc.

Knalysis creates tools for better cannabis health outcomes by its innovative software that seamlessly links physicians, providers and patients, offering a global approach to reporting, monitoring and care.

The Knalysis acquisition will enhance the current experience Canada House clients receive while attracting new clients interested in receiving unsurpassed attention to their needs.

Canada House is primarily focused on the promotion of health and wellness through a multiple step approach delivered through their wellness centres and clinics across Canada. Although Canada House does not currently grow or distribute cannabis at this time, the Company provides services to assist their clients in accessing a Licensed Producer (as such term is defined

in the Access to Cannabis for Medical Purposes Regulations ("ACMPR"), identifying appropriate strains, and consulting and supporting clients regarding the use of medical cannabis.

Canada House Wellness Inc.

Canada House is the parent company of MFT, TLP, and Abba Medix Corp. The Company's goal is to become a marketplace leader through strategic partnerships, mergers, and acquisitions to create a fully integrated medical marijuana marketplace.
