TORONTO, Oct. 26, 2017 -- Canada House Wellness Group Inc. (CSE:CHV) (“Canada House” or the “Company”) is pleased to announce that Matthew Appleby and Dr. Stephanus van Vuuren have been appointed to its Board of Directors.

Matthew Appleby

Mr. Appleby is a partner in the law firm of McCarthy Tétrault LLP and has over a decade of experience practicing corporate law, in particular in public and private securities offerings, commercial agreements, and mergers and acquisitions and corporate governance. Mr. Appleby is a member of the bars of Ontario and New York and has led numerous complex commercial transactions across a variety of industries.

“I am honoured to join the Canada House board and to work with this remarkable team,” said Mr. Appleby. *“I look forward to contributing to the future direction and growth of this exciting company”.*

Stephanus van Vuuren M.D.

Dr. van Vuuren joins our Board with 30-years’ experience as a practicing physician with expertise in General Practice, Emergency Medicine, Obstetrics and Gynecology and Geriatrics. Twenty-six years of progressive experience in all areas of responsibility and management. He’s also skilled in the development of top-level professional teams for enhanced services for geriatric assessment and maximized patient satisfaction.

For the past two years Dr. van Vuuren has been devoting an increasing amount of his professional time to diagnosing and prescribing for the needs of Marijuana for Trauma clientele. He started out as a medical cannabis skeptic, and was soon “blown away”, seeing all the great benefits from its proper use – much as Dr. Sanjay Gupta of CNN announced three years ago.
