TORONTO, Nov. 20, 2017 -- Canada House Wellness Group Inc. (CSE:CHV) (“**Canada House**” or the “**Company**”) is pleased to announce that it has filed its interim unaudited financial statements for the quarter ended July 31, 2017 and related management’s discussion and analysis and Chief Executive Officer and Chief Financial Officer certificates. With the filing of such documents, the Company has effected all filings it is required to make under Ontario securities law. Accordingly, the management cease trade order (“**MCTO**”) issued by the Ontario Securities Commission in respect of the Company’s securities under National Policy 12-203 - *Cease Trade Orders for Continuous Disclosure Defaults* (“**NP 12-203**”) will be lifted following two full business days, being the end of trading on November 22, 2017.

The MCTO was initially issued in respect of the Company’s inability to file its audited financial statements for the year ended April 30, 2017 and the management’s discussion and analysis and related Chief Executive Officer and Chief Financial Officer certificates for such period before the August 28, 2017 filing deadline. The Company effected those filings on October 30, 2017 but was, at that time, in default of filing its interim unaudited financial statements for the quarter ended July 31, 2017 and related management’s discussion and analysis and Chief Executive Officer and Chief Financial Officer certificates as required to have been filed on or before September 29, 2017. All filings required by the Company under Ontario securities law are now up to date.
