

Argo's Lindbergh Oil Production

Toronto, Ontario--(Newsfile Corp. - June 1, 2023) - Argo Gold Inc. (CSE: ARQ) (OTCQB: ARBTF) (XFRA, XSTU, XBER: A2ASDS) ("**Argo**") announces that Argo's 37.5% share of the Lindbergh oil well in the Sparky started production in late March 2023. In April 2023, the Lindbergh well produced 115 barrels of oil per day, and Argo's 37.5% share of the production was 43.4 barrels of oil per day, generating revenue of \$90,334 and \$57,491 operating cash flow net to Argo.

Argo also has a mutual area of interest at Lindbergh, whereby Argo can participate in additional oil wells for 37.5% of the production for 37.5% of the oil well cost. In the area proximal to the current Lindbergh oil well, there are drilling locations for five oil wells based on current seismic coverage.

Argo is currently completing a private placement of 12,000,000 shares at a price of \$0.10 per share, for gross proceeds of up to \$1,200,000. The proceeds of the financing will be used for participation in the Sparky oil wells at Lloyd and Lindbergh, and for general corporate purposes. Finder's fees may be payable to qualified individuals pursuant to which the finder may receive a finder's fee equal to 8% of the gross proceeds of the financing attributable to such finder.

Forward-looking Information Cautionary Statement

Except for statements of historic fact, this news release contains certain "forward-looking information" within the meaning of applicable securities law. Forward-looking information is frequently characterized by words such as "plan", "expect", "project", "intend", "believe", "anticipate", "estimate" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking statements are based on the opinions and estimates at the date the statements are made, and are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those anticipated in the forward-looking statements including, but not limited to the financing not being completed in its entirety, or at all, delays or uncertainties with drilling and surface preparation work, and not achieving hoped for exploration success. There are uncertainties inherent in forward-looking information, including factors beyond the Company's control. The Company undertakes no obligation to update forward-looking information if circumstances or management's estimates or opinions should change except as required by law. The reader is cautioned not to place undue reliance on forward-looking statements. Additional information identifying risks and uncertainties that could affect financial results is contained in the Company's filings with Canadian securities regulators, which filings are available.
