INFORMATION CIRCULAR

AS AT AND DATED JUNE 17, 2013

This Information Circular accompanies the Notice of the 2013 Annual General Meeting (the “Meeting”) of shareholders of Berkley Renewables Inc. (hereinafter called the "Company"), and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment thereof.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the shareholder or his attorney authorized in writing, or if the shareholder is a corporation, by a duly authorized officer or attorney thereof, and deposited either at the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or, as to any matter in respect of which a vote shall not already have been cast pursuant to such proxy, with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof, and upon either of such deposits the proxy is revoked.

PERSONS OR COMPANIES MAKING THE SOLICITATION

THE ENCLOSED PROXY IS BEING SOLICITED BY MANAGEMENT OF THE COMPANY

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited personally or by telephone by directors, officers or employees of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company (“Common shares”) pursuant to the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“National Instrument 54-101”).

The Canadian securities regulators have adopted new rules under National Instrument 54-101, effective for general meetings held on or after March 1, 2013, which permit the use of notice-and-access for proxy solicitation, instead of the traditional physical delivery of material. This new process provides the option to post meeting related materials, including management information circulars, as well as annual financial statements, and related management's discussion and analysis, on a website in addition to SEDAR. Under notice-and-access, such meeting related materials will be available for viewing for up to one (1) year from the date of posting, and a paper copy of the material can be requested at any time during this period. The Company is not relying on the notice-and-access provisions of National Instrument 54-101 to send proxy related materials to registered shareholders or beneficial owners of shares in connection with the Meeting.

The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining from their principals authorization to execute forms of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue unlimited Common shares without par value. There is one class of shares only. There are issued and outstanding 10,243,951 common shares. At a General Meeting of the Company, on a show of hands, every shareholder present in person and entitled to vote and every proxy holder duly appointed by a holder of a share who would have been entitled to vote shall have one vote and on a poll, every shareholder present in person or represented by proxy shall have one vote for each share of which such shareholder is the registered holder.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company.

The directors have determined that all shareholders of record as of the 17th day of June, 2013 will be entitled to receive notice of and to vote at the Meeting. Those shareholders so desiring may be represented by proxy at the Meeting. The instrument of proxy, and the power of attorney or other authority, if any, under which it is signed or a notary certified copy thereof, must be deposited either at the office of the Registrar and Transfer Agent of the Company, Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 or at the Head Office of the Company at Suite 900 – 570 Granville Street, Vancouver, British Columbia, V6C 3P1 not less than 48 hours, Saturdays and holidays excepted, prior to the time of the holding of the Meeting or any adjournment thereof.

BENEFICIAL HOLDERS

Only registered shareholders or duly appointed proxy-holders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" or "beneficial" shareholders because the shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "Beneficial Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Beneficial Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Company's transfer agent as provided above; or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form

will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the shares which they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Proxy-holders named in the form and insert the Beneficial Holder's name in the blank space provided. **In either case, Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

PARTICULARS OF MATTERS TO BE ACTED UPON

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

I. Financial Statements

The audited financial statements of the company for the year ended December 31, 2012, (the "Financial Statements"), together with the Auditors' Report thereon, will be presented to the shareholders at the Meeting. Copies of all previously issued annual and quarterly financial statements and related Management Discussions and Analysis are available to the public on the SEDAR website under the Company's profile at www.sedar.com and on the Company's website at www.berkleyrenewables.com. Hard copies of the Audited Annual Financial Statements and Management Discussion and Analysis will be available to shareholders free of charge upon request.

II. Election of Directors

Each director of the Company is elected annually and holds office until the next Annual General Meeting of the shareholders unless that person ceases to be a director before then. It is proposed that the number of directors for the ensuing year be fixed at six (6) subject to such increases as may be permitted by the Articles of the Company. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution fixing the number of directors to be elected at the Meeting at six (6).

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General Meeting of the Company or until his successor is duly elected or appointed pursuant to the Articles of the Company unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) or the Company's Articles.

It is the intention of the Management designees, if named as proxy, to vote for the election of the said persons to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors.

The order was revoked by the BCSC on January 10, 2005.

In the absence of instructions to the contrary the shares represented by proxy will be voted in favour of a resolution to appoint Meyers Norris Penny LLP, Chartered Accountants, as Auditors of the Company for the ensuing year, at a remuneration to be fixed by the Board of Directors, unless the Shareholder has specified in the Shareholder’s proxy that the Shareholder’s Common Shares are to be withheld from voting on the appointment of the Auditors.

IV. Ratification of Incentive Stock Option Plan

At last year’s Annual General Meeting, the Shareholders approved a rolling stock option plan that had been originally adopted by the Shareholders in 2009 (the “Stock Option Plan” or “Plan”) authorizing the issuance of incentive stock options to directors, officers, employees and consultants to an aggregate of 10% of the issued shares from time to time. The Canadian National Stock Exchange (“CNSX”) requires shareholder approval of the Stock Option Plan each year. There are currently 10,243,951 common shares issued and outstanding, therefore the current 10% threshold is 1,024,395 shares under the Stock Option Plan. The material terms of the Plan remain the same. Incentive stock options under the Stock Option Plan may be granted by the Board of Directors to eligible persons, who are directors, officers or consultants of the Company or its subsidiaries (if any), or who are employees of a company providing management services to the Company, or who are eligible charitable organizations. Stock options may be granted under the Stock Option Plan with a maximum exercise period of up to ten (10) years, as determined by the Board of Directors of the Company.

The Stock Option Plan will limit the number of stock options which may be granted to any one individual to not more than 5% of the total issued shares of the Company in any 12 month period (unless otherwise approved by the disinterested shareholders of the Company), and not more than 10% of the total issued shares to all insiders at any time or granted over any 12 month period. The number of options granted to any one consultant or person employed to provide investor relations activities in any 12 month period must not exceed 2% of the total issued shares of the Company. Any stock options granted under the

Stock Option Plan will not be subject to any vesting schedule, unless otherwise determined by the Board of Directors or required by the policies of the Exchange.

Options under the Plan must be granted at an exercise price which is at or above the current discounted market price (as defined under the policies of the Exchange) on the date of the grant. In the event of the death or permanent disability of an optionee, any option granted to such optionee will be exercisable upon the earlier of 365 days from the date of death or permanent disability, or the expiry date of the option. In the event of the resignation, or the termination or removal of an optionee without just cause, any option granted to such optionee will be exercisable for a period of 90 days thereafter. In the event of termination for cause, any option granted to such optionee will be cancelled as at the date of termination.

Shareholders are referred to the full text of the Stock Option Plan, a copy of which has been posted on SEDAR and is available for inspection under the Company's profile on SEDAR at www.sedar.com, for complete details.

The Stock Option Plan must be approved by a majority of the "disinterested shareholders" entitled to vote present in person or by proxy at the Meeting, and be accepted for filing by the Exchange. "Disinterested shareholders" mean all Shareholders of the Company who are not directors, officers, promoters, or other insiders of the Company, or their associates or affiliates, as such terms are defined under the *Securities Act* (British Columbia).

To the knowledge of the Company, shareholders who are ineligible to vote on the approval of the Stock Option Plan and their respective shareholdings are as follows:

Name of Insider, Associate or Affiliate	Number of Shares
Ronald D. Andrews	32,250
Tyrone Docherty	386,300
Lindsay Gorrill	7,800
James O'Byrne	4,800
Pamela Saulnier	10,000
Matt Wayrynen	205,736
David Wolfen	25,830

In the event that annual disinterested shareholder approval is not obtained at the Meeting, the Company will implement a new fixed stock option plan for up to 10% of the Company's issued shares (which does not require shareholder approval), and any existing option grants under the Stock Option Plan as previously approved by the disinterested shareholders of the Company at the last Annual General Meeting will not be affected.

The Company is a "venture issuer" as that term is defined under NI 52-110.

CORPORATE GOVERNANCE

General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Board of Directors is currently comprised of six directors. The size and experience of the Board of Directors is important for providing the Company with effective governance. The Board of Directors’ mandate and responsibilities can be effectively and efficiently administered at its current size. The Board of Directors has functioned, and is of the view that it can continue to function, independently of management as required. Directors are elected for a term of one year at the annual general meeting.

The Board of Directors has considered the relationship of each director to the Company and currently considers four of the six directors to be “unrelated” (Messrs. Andrews, Docherty, Gorrill and O’Byrne). “Unrelated director” means a director who is independent of management and free from any interest and any business or other relationship which could reasonably be perceived to materially interfere with the director’s ability to act with a view to the best interest of the Company, other than interests and relationships arising solely from shareholdings.

Procedures are in place to allow the Board of Directors to function independently. At the present time, the Board of Directors has experienced directors that have made a significant contribution to the Company’s success, and are satisfied that it is not constrained in its access to information, in its deliberations or in its ability to satisfy the mandate established by law to supervise the business and affairs of the Company. Committees meet independent of management and other directors.

Directorships

Certain directors of the Company are also directors of other reporting issuers, as follows:

Director	Other Reporting Issuer
Ronald Andrews	Coral Gold Resources Ltd.
Tyrone Docherty	Deer Horn Metals Inc. Mason Graphite Inc. Jet Gold Corp.

Director	Other Reporting Issuer
Lindsay Gorrill	Canada Fluorspar Inc. Star Gold Corp. Yaterra Ventures Corp. WGI Heavy Metals, Incorporated
Jim O'Byrne	Altima Resources Ltd.
Matt Wayrynen	Jayhawk Energy Inc. Deer Horn Metals Inc. WestKam Gold Corp. Discovery Ventures Inc.
David Wolfen	Aviso Silver & Gold Mines Ltd. Bralorne Gold Mines Ltd. Coral Gold Resources Ltd. Cresval Capital Corp. Gray Rock Resources Inc. Great Thunder Gold Corp. Levon Resources Ltd.

Orientation and Continuing Education

New Board members receive an orientation package which includes reports on operations and results, and public disclosure filings by the Company. Board meetings are sometimes held at the Company's offices and, from time to time, are combined with presentations by the Company's management to give the directors additional insight into the Company's business. In addition, management of the Company makes itself available for discussion with all Board members.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

Compensation

The Compensation Committee recommends to the Board of Directors the compensation of the Company's Directors and the Chief Executive Officer which the Compensation Committee feels is suitable. 1) COMPENSATION DISCUSSION AND ANALYSIS

The Company does not have a compensation program other than paying base salaries, incentive bonuses, and incentive stock options to the NEOs. The Company recognizes the need to provide compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility. The objectives of base salary are to recognize market pay, and acknowledge the competencies and skills of individuals. The objectives of incentive bonuses in the form of cash payments are designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. No incentive bonuses were paid to executive officers and employees during the most recently completed fiscal year. The objectives of the stock option are to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Company. Implementation of a new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Company's Compensation Committee.

The Company has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm's length services providers.

The process for determining executive compensation relies solely on Board discussions with the input from and upon the recommendations of the Compensation Committee, without any formal objectives criteria and analysis.

Actual compensation will vary based on the performance of the executives relative to the achievement of goals and the price of the Company's securities.
