

ACREX VENTURES LTD.

INFORMATION CIRCULAR

WITH RESPECT TO SOLICITATION OF PROXIES BY MANAGEMENT OF ACREX VENTURES LTD. FOR THE ANNUAL AND SPECIAL GENERAL MEETING OF SHAREHOLDERS TO BE HELD AT 2300 - 1066 WEST HASTINGS STREET, VANCOUVER, B.C., CANADA ON WEDNESDAY, THE 28th DAY OF MAY, 2014

PROXIES:

(a) A SHAREHOLDER GIVING A PROXY CAN DELETE THE NAMES OF THE NOMINEES NAMED IN THE ACCOMPANYING FORM AND INSERT, IN THE SPACE PROVIDED, THE NAME OF SOME OTHER NOMINEE. A PROXY NOMINEE NEED NOT BE A MEMBER OF THE COMPANY.

(b) A shareholder forwarding the attached proxy may indicate the manner in which the nominee is to vote with respect to any specific item by checking the appropriate space. If the shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. IN SUCH INSTANCE THE NOMINEE, IF ONE PROPOSED BY MANAGEMENT, WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH ITEM LEFT BLANK. A discretionary authority so granted may be exercised with respect to amendments or variations to matters which may properly come before the Meeting, unless the shareholder deletes the discretionary authority from the proxy.

(c) The shares represented by the proxies submitted by the shareholders will be voted in accordance with the directions, if any, given in the proxies.

(d) A shareholder giving a proxy shall have the right to attend, or appoint someone else to attend, as his proxy, at the meeting and the proxy earlier submitted can be revoked in the manner described in the next item below entitled "Revocability of Proxy".

(e) A form of Proxy will not be valid unless it is completed and delivered to Computershare Trust Company of Canada ("Computershare") at 100 University Avenue, 9th Floor, Toronto, Ontario, Canada M5J 2Y1 – or submitted electronically - not later than 11:45 a.m. (Toronto local time on Monday, May 26, 2014).

REVOCABILITY OF PROXY:

A shareholder giving a proxy has the power to revoke it. Revocation can be effected by an instrument in writing signed by the shareholder giving the proxy or the shareholder's duly authorized attorney, either deposited at the Registered Office of the Company at 1710 - 1177 West Hastings Street, Vancouver, B.C., on or before the day of the Meeting, or any adjournment thereof, or by depositing the same with the Chairman of the Meeting on the day of the Meeting, prior to the hour of commencement, or by personal appearance by the shareholder giving the proxy at the Meeting prior to the hour of commencement of the Meeting.

PERSONS MAKING THIS SOLICITATION:

This solicitation is made on behalf of Management of the Company and the cost of it will be borne by the Company. No Director has given Management notice that he intends to oppose any action intended to be taken by Management at the Meeting.

INTERESTS OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON:

No Director or Officer, past, present or nominated, or any person on behalf of whom this solicitation is made has any interest, direct or indirect, in any matter to be acted upon at the Meeting, except that such persons may be indirectly involved in the normal business of the Meeting or general affairs of the Company.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF:

(a) There are 40,760,447 shares of the Company outstanding, all of one class known as common. All are entitled to vote at the Meeting and each share has one non-cumulative vote.

(b) Shareholders entitled to vote at the Meeting will be those of record on Monday, May 26, 2014. The record date established to determine who is entitled to receive a copy of the Notice of Meeting is April 23, 2014.

(c) To the best of the knowledge of the Company there are no shareholders holding individually, directly or indirectly, shares carrying more than 10% of the voting rights attached to the issued shares of the Company except the Company's President and CEO, Mr. T.J.M. Powell, who directly and indirectly holds 5,881,415 shares of the Company.

(d) Non-Registered Holders

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm - or a nominee of the brokerage firm - through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "Non-Registered Holder") but which are registered either: (a) in the name of an intermediary (an "Intermediary") that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant. In accordance with the requirements as set out in National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the form of Proxy (collectively, the "Meeting Materials") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting Materials will either:

(a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Holder when submitting the proxy. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare as provided above; or

(b) more typically, be given a voting instruction form which is not signed by the Intermediary, and which, when properly completed and signed by the Non-Registered Holder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one page pre-printed form. Sometimes, instead of the one page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions, which contains a removable label

containing a bar-code and other information. In order for the form of proxy to validly constitute a proxy authorization form, the Non-Registered Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit a Non-Registered Holder to vote - or direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives one of the above forms wish to vote at the Meeting in person, the Non-Registered Holder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Holder's name in the blank space provided. In either case, Non-Registered Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.

There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs.

The Company takes advantage of the provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result NOBOs can expect to receive a scannable Voting Instruction Form (VIF) from Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contain complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

ELECTION OF DIRECTORS:

The following persons are proposed to be nominated for election as Directors at the Annual Meeting. Their terms of office as Directors will expire as of the date of the Meeting, but other offices held by them with the Company will be continued unless they are not re-elected Directors. All of the Directors who are elected will have their term of office expire at the next Annual General Meeting of the Company.

Compensation Discussion and Analysis

The Company pays – and rewards – its NEO's in the amounts specifically detailed in the Tables above. The following comments with respect to the remuneration of the NEO's are provided pursuant to the requirements of Canadian Securities National Instrument 51-102:

- (a) In providing the compensation, and structuring it with the various elements, the Company's objective is to reward the NEO's generously enough that they are sufficiently happy with their remuneration that they are keen to stay in the service of the Company and motivated to provide the highest quality services possible.
- (b) The compensation packages of the NEO's contain various elements, as follows:

(i) T.J. Malcolm Powell. Mr. Powell, as the Company's Director, President and Chief Executive Officer, receives compensation which has two elements. Firstly, his wholly owned private company, Arbutus Enterprises Ltd., is paid \$120,000 per year for its provision of Mr. Powell's services to the Company pursuant to the Management Services Agreement described on page 7. In addition, Mr. Powell has been granted share purchase options which are detailed on page 5 hereof.

(ii) Carl R. Jonsson. Mr. Jonsson's services to the Company as both its Solicitor and as a Director and Officer, are provided by the law firm of which he is a principal, and the law firm bills the Company for all of his services. He indirectly benefits by sharing in the profits of the law firm. In addition Mr. Jonsson has been granted share purchase options, which are detailed on page 5 hereof.

(c) In compliance with applicable disclosure requirements:

1. C.R. Jonsson has been, within the past 10 years, a director and/or officer of three companies the shares of which were/are listed on the TSX Venture Exchange and its predecessor, in Canada, that were the subject of Cease Trade Orders issued by Provincial Securities Regulators having jurisdiction over them. In the case of each company Mr. Jonsson held the positions incidental to his acting as the Solicitor for the Companies:

- Director and Secretary of Global Net Entertainment Corp. Cease Trade Order was issued against it for failure to file and distribute financial statements - which has been rescinded.

- Director until February, 2005 of TelcoPlus Enterprises Ltd. Cease Trade Order was issued against it for failure to file and distribute financial statements - which has been rescinded.

2. Robin Merrifield was previously a Director of Alhambra Resources Ltd., which determined that it was unable to file its annual audited financial statements for the year ended December 31, 2012 by the prescribed filing deadline. As a result, the Alberta Securities Commission issued a Management Cease Trade (MCTO) order on May 1, 2012, prohibiting trade in the company's securities by the CEO and CFO until the filing deficiency has been remedied. The MCTO expired as of the close of business July 5, 2013.

(d) The Company did not, in the last completed fiscal year, pay any direct remuneration to its directors or senior officers except:

(i) the payment to Jason Powell of \$69,002 and normal employee fringe benefits;

(ii) a consulting fee of \$11,000 was paid to a company in which Arthur Torup has an interest for services rendered by him to the Company.

(e) The Company does not provide any pension, retirement plan or other direct or indirect remuneration for its Directors or officers that constitutes an expense to the Company.

(f) Since the beginning of the last completed financial year there has been no indebtedness to the Company by any director, senior officer, or proposed nominee for election as a director or associate of any such person.

(g) During the fiscal year ended December 31, 2013 no stock options or other stock appreciation rights were exercised by any of the Named Executive Officers.

(h) The Corporation does not have a long-term incentive plan, a pension plan or other form of defined benefit plan – other than its Stock Option Plan.

Directors' Options Outstanding

At December 31, 2013 share purchase options were held by the Directors – other than the NEO's - as follows:

Optionee	No. Optioned Shares	Exercise Prices - \$	Expiry Dates
Arthur Troup	25,000	0.10	August, 2016
	125,000	0.10	July, 2015
	<u>100,000</u>	0.10	August, 2017
	<u>250,000</u>		
Jason Powell	150,000	0.10	August, 2016
	<u>50,000</u>	0.10	August, 2017
	<u>200,000</u>		
Robin Merrifield	300,000	0.10	August, 2016
TOTAL:	750,000		

Termination of Employment, Change of Responsibilities and Employment Contracts

There are no service contracts between Acrex and any of the Directors of Acrex except for:

- (a) A Management Services Agreement dated September 1, 2007 has been signed between the Company and Malcolm Powell, the principal terms of which are:
- (i) Mr. Powell is required to work approximately 60% of his working hours on average for the Company;
 - (ii) Mr. Powell be reimbursed through his private holding company \$10,000 per month subject to annual review. There has been no annual review since the agreement was signed;
 - (iii) The agreement may be terminated by the Company on 3 months' notice;
 - (iv) If the agreement is terminated without cause there will be severance payment payable to Mr. Powell's personal company equal to 12 times the monthly fee being paid at the date of the termination.
- (b) The Company has signed Indemnification Agreements with each of its Directors agreeing to indemnify them for any costs or expenses that they may be subjected to as a result of their acting as a Director or Officer of the Company, including all legal costs incurred in defending themselves from accusations of liability – unless the claims are made as a result of the defalcations of, or as a result of any illegal acts. The Agreement anticipates that the Company may buy insurance to protect itself against liability to its Directors or Officers pursuant to the Agreement. As a result of this provision the Company purchased Directors' and Officers' Liability insurance – but has not maintained that insurance for the current year.

APPOINTMENT OF AUDITORS:

The Company will move to reappoint Manning Elliott LLP, Chartered Accountants, of Vancouver, British Columbia, as the Auditors of the Company, at a remuneration to be negotiated and settled by the Directors.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING:

In addition to the appointment of Directors and Auditors and approval of Financial Statements, the Meeting will be asked to consider the following items:

- (a) Approval of the Annual Report to the Shareholders from the Board of Directors as supplemented at the Meeting by verbal comments by management officials present at the Meeting.

(b) Approval of the Stock Option Plan, adopted by the Board of Directors of the Company April 20, 2007 as amended effective April 30, 2009. The Plan has been structured to comply with the rules of the TSX Venture Exchange (“Exchange”). The principal features and terms of the Plan are:

- (1) The aggregate number of shares which may be subject to option at any one time may not exceed 10% of the issued shares of the Company as of that date – including options granted prior to the adoption of the Plan;
- (2) When options are exercised their exercise prices may not be less than the minimum then specified by the rules of the Exchange;
- (3) Options may not be granted to any one Optionee which would exceed 5% of the issued shares of the Company in any 12-month period;
- (4) No more than 2% of the issued shares of the Company may be optioned at any one time to consultants or investor relations agents to the Company;
- (5) Options may not be granted for a term exceeding 5 years – which will be, if the Optionee dies, to a term of one year following the date of death – and if the Optionee ceases to be qualified to receive options from the Company within 30 days after the date of such cessation;
- (6) Options granted under the Plan may not be assigned by the Optionees;
- (7) The Plan is a “rolling” plan. This means that if options that are outstanding under the Plan are exercised additional options can be granted – so long as the total, with the new options, does not involve in excess of 10% of the issued shares of the Company outstanding on that date.

Copies of the Plan will be available for review at the Meeting. The Plan can also be viewed on the Company’s website at www.acrexventures.com. A copy can also be obtained by request to the Company’s Secretary, Carl R. Jonsson, at (604) 640-6357; email: jonsson@securitieslaw.bc.ca.

As the Company, as of the date of this Information Circular, has 40,760,447 issued shares, options cannot be granted on this date as to more than 10% of the issued shares – being 4,076,045 shares of the Company. As of this date the Company has granted options to its directors, officers and service providers as to a total of 1,585,000 shares of the Company. Therefore, the Company could, based on the present issued share capital, issue options as to a further 2,491,045 shares.

(c) Considering approval by the passage of a Special Resolution, of amending Company’s Articles by the addition of new Article 14.12. The new Article will require that, in future, the nomination of a person for election as a Director of the Company will require an advance notice to be given to the Company – thereby precluding a person being nominated at short notice or at a meeting at which directors are to be elected. A copy of the proposed new Article 14.12 is attached as Appendix “B”.

(d) Considering approval, by the passage of a Special Resolution, of amending the Company’s Articles by the addition of new Article 27. The Company’s Articles and the British Columbia Corporations Act (“Act”) presently specify that special resolutions are required to amend the Articles and for other business such as altering the Company’s authorized capital or changing its name, etc. Management considers that it would be much more expeditious to allow such changes, if Management considers them advantageous to the Company and its shareholders, to be passed and approved by resolutions of the Company’s Board of Directors. New Article 27 will grant to the Board of Directors the power to pass resolutions where such resolutions are not required by the Act, to be passed by the resolutions of the shareholders. A copy of the proposed new Article 27 is attached as Appendix “C”.

The Special Resolutions referred to in sub-clauses (c) and (d) above will, for their passage require a favourable vote of 66-2/3% of the votes cast.

The Board of Directors recommends to shareholders that they approve the passage of the Special Resolutions described in sub-clauses (c) and (d) above.

(e) Approval and ratification of all of the Directors' actions during the period since the last Annual Meeting of the Shareholders.

Save for the matters referred to herein, Management knows of no other matters intended to be brought before the Meeting. However, if any matters which are not now known to Management shall properly come before the Meeting, the Proxy given pursuant to this solicitation to Management in the event discretionary authority is provided in the Proxy will be voted on such matters in accordance with the best judgement of the person voting the Proxy.

Additional Information

Additional Information concerning the Company is available on SEDAR at www.sedar.com and on the Company's website at www.acrexventures.com.

Compliance with Corporate Governance Rules and Recommendations

The Board of Directors of the Company has responsibility for the stewardship of the Company. It satisfies the only corporate governance rule binding on the Company – namely the appointment and maintenance of an Audit Committee. The Canadian securities commissions have published recommendations and guidelines with respect to corporate governance. However, these are only recommendations – and because the Company has only a small Board of Directors and no business activities the recommended corporate governance rules have not been adopted. With respect to the corporate governance rules, pursuant to National Policy 58-101 – Disclosure of Corporate Governance Practices - the Company is required to and hereby discloses its corporate governance practices as follows:

1. Board of Directors

The Board of Directors of the Company facilitates its exercising of independent supervision over the Company's management through occasional meetings of the Board, usually with members of the Company's management being in attendance.

Arthur Troup, Jason Powell and Robin Merrifield are “independent” directors in that they are independent and free from any interest, and any business or other relationship, which could reasonably be perceived to materially interfere with the director's ability to act with the best interests of the Company, other than interests and relationships arising from their shareholdings.

All of the directors of the Company are presently directors of one or more other reporting issuers, as follows:

Directors	Other Issuers
Malcolm Powell	Astorius Resources Ltd.
Jason Powell	Astorius Resources Ltd.
Arthur Troup	Sultan Minerals Inc. Astorius Resources Ltd.
Carl R. Jonsson	DV Resources Ltd. Bonterra Energy Corp. Pine Cliff Energy Ltd. Comet Industries Ltd. Astorius Resources Ltd. Alita Resources Ltd.

Robin Merrifield	Sultan Minerals Inc. True Gold Mining Inc.
------------------	---

2. Orientation and Continuing Education

The Company has no programmes for the orientation or education of new directors.

3. Ethical Business Conduct

The Board expects management to operate the business of the Company in a manner that enhances shareholder value and is consistent with the highest level of integrity.

In addition, the Board must comply with conflict of interest provisions in Canadian corporate law, including relevant securities regulatory instruments, in order to ensure directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

4. Nomination of Directors

The Company does not have a process for recruiting new members of the Board.

5. Audit Committee

The Company has an Audit Committee – which is presently comprised of Directors Jason Powell, Arthur Troup and Robin Merrifield. The Audit Committee functions pursuant to the Audit Committee Charter attached as Appendix “A”.

6. Other Board Committees

The Company does not have any other Board Committee.

7. Assessments

The Board will annually review its own performance and effectiveness as well as review annually the Audit Committee Charter and recommend revisions to the Board as necessary. Neither the Company nor the Board has adopted formal means or methods to regularly assess the Board, its committees or the individual directors with respect to their effectiveness and contributions.

The Company feels its corporate governance practices are appropriate and effective for the Company, given its relatively small size, and limited operations. The Company’s method of corporate governance allows for the Company to operate efficiently, with simple checks and balances that control and monitor management and corporate functions without excessive administrative burden.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR

Multilateral Instrument 52-110 of the Canadian Securities Administrators (“MI 52-110”) requires the Company, as a venture issuer, to disclose annually certain information concerning the constitution of its Audit Committee and its relationship with its independent auditor, as set forth in the following.

The Company’s Audit Committee is governed by an Audit Committee Charter, the text of which is attached as Appendix “A” to this Information Circular. The Audit Committee is comprised of three directors, Robin Merrifield, Arthur Troup and Jason Powell. They are all, as defined in MI 52-110, “independent”. Also as defined in MI 52-110, all of the audit committee members are “financially literate”.

Since the commencement of the Company’s most recently completed financial year, the Company’s Board of Directors has not failed to adopt a recommendation of the Audit Committee to nominate or compensate an external auditor.

The Company has not relied on the exemptions contained in sections 2.4 or 8 of MI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the fiscal year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of MI 52-110, in whole or in part.

The Audit Committee has not adopted specific policies and procedures for the engagement of non-audit services. The engagement of non-audit services is considered by the Company's Board of Directors on a case-by-case basis.

In the following table, "audit fees" are fees billed by the Company's external auditor for services provided in auditing the Company's annual financial statements for the subject year. "Audit-related fees" are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. "Tax fees" are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. "All other fees" are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its auditor in each of the last two fiscal years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit Related Fees	Tax Fees	All Other Fees	Totals
December 31, 2012	\$17,900	\$Nil	\$3,700	\$14,000	\$35,600
December 31, 2013	\$15,650	\$Nil	\$3,100	\$12,750	\$31,500

DATED: April 30, 2014

ON BEHALF OF THE BOARD OF DIRECTORS

ACREX VENTURES LTD.

Charter of the Audit Committee of the Board of Directors (As adopted April 10, 2007)

I. Purpose

The purpose of the Audit Committee (the "Committee") of the Board of Directors (the "Board") of Acrex Ventures Ltd. ("Acrex") is to assist the Board in its oversight of the:

- integrity, adequacy and timeliness of Acrex's financial reporting and disclosure practices;
