Item 5. Full Description of Material Change

Alba Minerals Ltd. (TSX-V: AA; US:AXVEF; Frankfurt: A117RU) (“Alba” or the “Company”) is pleased to announce that it has closed the transaction to sell the 25% interest (the “Interest”) it had earned in certain mineral claims located in Clayton Valley, Nevada back to Noram Ventures Inc. (“Noram”) and its wholly-owned subsidiary Green Energy Inc.

In consideration for the Interest, Noram will issue to Alba the following:

- 3,800,000 common shares;
- A cash payment of \$400,00; and
- In the event Noram undergoes a financing pursuant to which it issues from treasury, common shares or other securities convertible or exercisable into common shares (a “Financing”), Alba shall have a right

of first refusal to participate in the Financing and to acquire up to the number of shares and/or securities being issued under the Financing, necessary in order for Alba to be able to maintain the same percentage ownership of shares Noram as it would have immediately prior to the completion of the financing.

No finders' fees or commissions are payable in connection with this transaction. All shares issued in connection with this transaction will be subject to a statutory hold period of four months plus a day from the date of issuance.
